XVII. Every person charged with a felonious breach of trust under this Act, who shall be proved to have knowingly made up or furnished false statements or accounts of the sums of money received or paid by him, or entrusted to his care, or of the goods or balance of money in his custody or control, shall be liable to fine in the discretion of the Court, although no actual embezzlement or fraudulent application, use or disposition of trust, moneys, chattels, or valuable securities is proved against him, and in addition to such fine may be imprisoned, with or without labour, as the Court shall adjudge, for any term not exceeding one year; but no person convicted of felonious breach of trust as aforesaid shall be punished also for making up false accounts in connection with the same breach of trust.

XII. The several memorials shall be signed by two or more of the Directors of the Company, and verified by affidavit of one of them before the Master of the Supreme Court or a Commissioner by the said Court appointed.

XIII. An office copy of any such registered deed or copy thereof filed as aforesaid, or memorial or of any part thereof, issued under the seal of the Court, shall be received in evidence before all Courts, as proof of the contents thereof, and no proof shall be required that the persons by whom any such memorial purports to be verified were Directors of the Company.

XV. Such fees shall be paid for registering every such deed and memorial, and for allowing inspection and furnishing copies thereof, or of any part thereof, as the Judges of the Supreme Court, with the approval of the Governor or Governor in Council, from time to time, shall establish.

XVI. XXI. The Directors may close the Register of Transfers for a time not exceeding fourteen days before each ordinary general meeting, and may fix a day for closing the same, of which seven days' notice shall be given in the *Government Gazette*.

XXII. XXIII. Every such registered Company shall sue and be sued by the registered name of the Company, as if it were an incorporated Company, and in no other manner; and service of any writ, order, or other process or notice on the registered officer of the said Company, at their usual place of business, or if he cannot be found in such manner as the Supreme Court, in which such Company is registered, shall order and direct, shall be good service on such Company.

XXIV. In any indictment or information for any theft or embezzlement of the monies or goods of any such registered Company, or for any other offence committed against them or their property, or with intent to defraud or injure them, they may be described by the registered name of the Company.

XXV. In any suit brought in the name of any such registered Company, the plaintiffs shall be liable to be nonsuited unless it is proved on their part that the suit is brought by direction of one or more of the partners appointed at a general meeting to be Directors of the Company, or by the direction of some person or persons having authority from the Directors to bring suits on behalf of the Company.

XXVI. No such suit, indictment, information, or other proceeding shall abate or be prejudiced by any change of the persons constituting the partnership, or of the Directors, or of the person having such authority.

XXVII. No suit by or against the Company shall be in any wise affected by the defendant or plaintiff therein being or having been a shareholder of the Company: but any such shareholder, either alone or jointly with any other person or persons as against the Company, or the Company as against any such shareholder, either alone or jointly with any other person or persons, shall have the same right of action, remedy, and execution, in respect of any claim whatever, as the shareholder or Company would have had, if such claim had been against a stranger.

XXVIII. All unpaid capital, or money due on account of the capital stock of the Company, shall be deemed a debt due to the Company, and shall be recoverable as such by the description of money due by the defendant, on account of a share in the business of the Company.

XXIX. A registered Company which shall commit any act which is hereby deemed an act of forfeiture shall be liable to the jurisdiction of the Court for Relief of Insolvent Debtors, and a petition to the said Court in the case of such Company shall be prosecuted in the same manner as petitions in the case of insolvent debtors: and in case of an adjudication of forfeiture the law and practice of the said Court with such alterations of the practice as from time to time shall seem to the Court necessary shall be extended to the case of such Company, as in the case of an adjudication of insolvency in the case of an insolvent debtor.

XXX. An adjudication of forfeiture against any such Company shall not be deemed an act of insolvency of the individual members of such Company.

XXXI. An adjudication of forfeiture against such Company shall convey to the Assignee or Assignees appointed the whole of the real and personal property of the said Company, and all debts, causes of suit, and possibilities of interest, with the like power to sue either at Law or in Equity, as fully and effectually as an adjudication of insolvency against any individual could convey the same by any of the laws now in force or hereafter to be in force affecting insolvents.

XXXII. Whenever an adjudication of forfeiture shall have issued against any such Company, the Assignee or Assignees from time to time may compromise any debts or claims belonging to the said Company, and may grant discharges to the parties to such compromises.

XXXIII. Whenever the Directors of any registered Company shall be unable to meet the engagements of the Company, they shall at a special meeting of the Directors convened for that purpose, and by such a number and majority of them as would be sufficient for any ordinary business of the Company, declare such inability by a resolution, which being signed by the Directors by whose votes it has been carried, shall be forthwith published in the *Government Gazette* of the Presidency, and for two months after the publication of such resolution, but not later, such resolution shall be deemed an act of forfeiture of their privileges for the sole purpose, nevertheless, of supporting a petition to the Court for Relief of Insolvent Debtors in case a petition shall be filed within two months after the date of the publication thereof as aforesaid, but not afterwards.

XXXIV. Any registered Company which shall not, within two months after judgment and the issue of a writ of execution thereof, satisfy such judgment, shall be deemed to have committed an act of forfeiture and thereupon the execution creditor, or any creditor to whom such Company shall be indebted to the amount of Company's Rupees five hundred; or any two creditors to whom such Company shall be indebted to the amount of Company's Rupees seven hundred, or any three or more creditors to whom such Company shall be indebted to the amount of Company's Rupees one thousand, may present a petition to the Court for the Relief of Insolvent Debtors at the Presidency, within which such Company is registered, stating the amount due to such creditor or creditors, and the registry and act of forfeiture of such Company, and praying such Court would proceed as if such Company or the Shareholders thereof had petitioned such Court for relief under the laws in force for relief of Insolvent Debtors, whereupon the Court shall enquire into the truth of such petition, and if such Court shall be satisfied thereof, such Court shall adjudge the same to be true, and that such Company has committed an act of forfeiture and proceed thereon pursuant to the provisions of the Act for the Relief of Insolvent Debtors in India, and of this Act.

XXXV. Upon the filing of any petition to the Court for Relief of Insolvent Debtors in the case of any registered Company, whether by a shareholder or by a creditor, the Court shall make the like vesting order for the purpose of vesting all the real and personal estate of the Company in the Official Assignee, and such other orders ancillary thereto as the Court might make in case of an individual insolvent debtor, and all the powers and authorities of the said Court, and all the law relating to insolvent debtors shall, so far as the circumstances of the case admit, be extended to all such registered Companies.

XXXVI. Whenever there shall be an adjudication of forfeiture against any registered Company, the Directors of such Company, at the time of filing the petition, shall be subject to the orders of the said Court for the Relief of Insolvent Debtors, and it shall be their duty individually or collectively to prepare such balance sheet and other accounts as the Court may deem necessary, and to assist the Official Assignee in the examination of and closing all the affairs of the Company, and every Director and person who shall at any time have been a Director of the Company, shall be liable to be examined upon oath, and to make full and true discovery of the estate and effects, past and present, and business, affairs, and interests of the Company, either orally or upon written interrogatories, as the Court may order.

XXXVII. Upon the adjudication of forfeiture against any registered Company, the claims of any creditor of the Company against the shareholders shall not be enforced otherwise than under this Act, except in respect of any special contract, or any debt or liability contracted by any shareholder in his individual capacity, otherwise than by taking a share in the business of the Company.

XXXVIII. As soon after an adjudication of forfeiture against any Company as the Official Assignee can make an approximate estimate of the amount of the debts and other claims against the Company, or of any certain portion thereof, the said Court, on the application of the Official Assignee, shall order such sum to be raised by contribution of the shareholders as may appear to the said Court necessary for the satisfaction of such debts and claims; and may from time to time order such further sum to be raised in like manner as may appear necessary: and upon obtaining such order the Official Assignee shall assess the said sum rateably amongst the shareholders and immediately proceed to collect the same; and monthly or oftener shall report defaulters to the said Court, together with the amounts at which they were assessed respectively, and thereupon the said Court, if satisfied that the said assessment is just, shall order the payment of such assessment within such time and upon such notice or demand by advertisements or otherwise, as the Court may see fit; and non-payment thereof within the time ordered by this Court shall be an act of insolvency of the defaulting shareholders, and the said Assignee, or any person being a creditor of the said Company, to the amount of Company's Rupees five hundred, or any two creditors to whom such Company shall be indebted to the amount of Company's Rupees seven hundred, or any three or more creditors to whom such Company shall be indebted to the amount of Company's Rupees one thousand, may present a petition to the Court for the Relief of Insolvent Debtors of the Presidency, within which the said Company is registered, stating such act of insolvency and praying that such defaulting shareholder may be adjudged to have committed an act of insolvency, and upon such petition being duly verified, the Court shall be empowered to adjudge that such defaulting shareholder has committed an act of insolvency, and to proceed thereon according to the provisions of the Act for the Relief of Insolvent Debtors in India.

XXXIX. The shareholders of untransferred shares whose names are in the last general memorial, including those (if any) who have been subsequently returned as shareholders of the Company, shall be liable and be called upon in the first instance to satisfy the debts of the Company; and in case it shall appear to the said Court that full satisfaction cannot, within such time as may appear reasonable to the Court be otherwise obtained, such other persons as at any time within three years next before the adjudication of forfeiture shall have been returned in any memorial as shareholders of the Company shall be liable to contribute to such amount collectively as the Court may order; and upon every order for contribution from former shareholders, the Official Assignee shall proceed as hereinbefore prescribed in the case of present shareholders.

XL. In fixing the sum to be raised from time to time by assessment of the shareholders it shall be in the discretion of the Court to make such allowance for unrealized assets of the said Company, as the Court may deem just.

XLI. No such assessment shall be deemed erroneous or set aside merely by reason of its being in excess of other assessments ratably considered, if the same be needed for satisfaction of any creditor of the said Company.

XLII. If on realizing the assets of the Company a balance shall remain after payment of the debts and other claims against the Company, the said Court may order the repayment out of such balance, first, of such sums or rateable parts thereof as have been paid by any shareholders not liable in the first instance to satisfy the debts of the Company; and secondly, of such sums or rateable parts thereof as have been paid by any other shareholders in excess of their ratable liability, according to the number of their shares, regard being had to the number of other assessed shareholders; and lastly, if such a balance shall not thereby be exhausted, the said Court may order the distribution of the remainder thereof among the shareholders by the Official Assignee upon a scheme or plan to be submitted to and approved by the said Court, or may order the same to be paid to the Accountant General of the said Court to the credit of the said Company, to abide such proceedings as any parties interested therein may take at Law or in Equity: and any order of the said Court for the disbursement of money shall be a sufficient authority to the said Official Assignee to protect him against all claims in respect of such disbursement by any shareholder or creditor.

XLIII. If any registered Company which carried on its business before registration shall incur an adjudication of forfeiture before it has been registered for three years, such persons as are not registered shareholders but were copartners or shareholders thereof at any time before the registration of the Company, but within three years before the filing of the petition for relief, shall be liable to contribute to the debts of the Company in like manner as if they were on the first memorial of the shareholders of the Company.

II. In default of any Act having special reference to the office of any Public Accountant, the security given shall be of such amount and kind, real or personal, or both, and with such sureties, (regard being had to the nature of the office,) as shall be required by any rules made or to be made from time to time, by the authority by which each Public Accountant is appointed to his office, subject to the approval of the Governor or Governor in Council of the Presidency or place.

VIII. Every person, possessed, or having the receipt, custody or control, of any chattel, money or valuable security, in trust for any other person or persons, who shall embezzle the same or any part thereof, or in any manner fraudulently apply, use or dispose of the same, for his own use or benefit, in breach of the trust reposed in him, shall be deemed to have feloniously stolen the same.

If the offence relates to money or to any Bank Note, Bank Post Bill, Banker's Cheque, Bill of Exchange, Promissory Note, Government Paper, or other like security for the payment of money, it shall be enough in the indictment or charge to allege the embezzlement or fraudulent application, use or disposition of money, without specifying any particular coin or valuable security; and such allegation shall, so far as regards the kind of property, be sustained, if the offender is proved to have embezzled or fraudulently applied, used or disposed of any amount of money or any valuable security, though the particular kind of coin or valuable security, of which such amount was composed shall not be proved.

XIII. It shall not be necessary, in any proceeding against any offender under this Act, to declare the person to whom the property embezzled or fraudulently applied or disposed of belongs otherwise than hereinafter provided, or to give any other description of it than by stating its general character according to the provisions of this Act; and if the offence be that of embezzlement or fraudulent application, use or disposition, by a person in the public service of the Crown, or of the East India Company, of property entrusted to him by reason of such employment, or part thereof, it shall be enough to state that the defendant was in such service, and that he received the property by reason of such employment and embezzled the same, or part thereof, or fraudulently applied, used or disposed of the same as the case may be; and, if the case be one of fraudulent application, use or disposition by any person not being such public servant but entrusted as aforesaid, it shall be enough to state that such

person was entrusted with the property (describing its general character as aforesaid,) and it shall be enough to state shortly the purpose of the trust, and that he fraudulently applied, used or disposed of the same contrary to his duty in that behalf.

XIV. The Court before which any offender is tried under this Act shall have power upon the trial to make any amendments that may be necessary, by reason of any variance between the statements of the charge and the evidence, either in the description of the property, or of any person, or of any office, appointment or employment, or of the purpose of the trust or otherwise, when in the opinion of the Court the person charged cannot have been misled as to his defence by such imperfect or erroneous statement.

XV. Every offender under this Act may be tried and punished by any Court of competent jurisdiction either in the place where he is in custody, or where he committed the offence.

XVI. The punishment of any offender under this Act shall not be deemed to take away or lessen his liability or the liability of his sureties to make good any loss sustained by Her Majesty or the East India Company, or any other person or persons by his misbehaviour or breach of trust.

XVII. Every person charged with a felonious breach of trust under this Act, who shall be proved to have knowingly made up or furnished false statements or accounts of the sums of money received or paid by him, or entrusted to his care, or of the goods or balance of money in his custody or control, shall be liable to fine in the discretion of the Court, although no actual embezzlement or fraudulent application, use or disposition of trust, moneys, chattels, or valuable securities is proved against him, and in addition to such fine may be imprisoned, with or without labour, as the Court shall adjudge, for any term not exceeding one year; but no person convicted of felonious breach of trust as aforesaid shall be punished also for making up false accounts in connection with the same breach of trust.

ACT No. XIV. OF 1850.

An Act for assimilating the Penal Jurisdiction of Police Magistrates at the Straits' Settlements to that of Justices of the Peace at Calcutta.

Whereas it is expedient to apply the provisions of the Acts XXI. 1839 and III. 1842, to the Straits' Settlements, and to remove doubts whether Act III. 1844 is in force there, It is declared and enacted as follows:

I. All powers given by Act XXI. 1839, or Act III. 1842, to any Justice of the Peace for the Town of Calcutta, for the trial and punishment of certain simple larcenies and other felonies within the Town of Calcutta, and of assaults on board of Merchant Ships, in the River Hooghly, may be exercised by any Magistrate or Justice of the Peace of the Settlements of Prince of Wales' Island, Singapore and Malacca, for the trial and punishment of the like larcenies, felonies and assaults within the said Settlements respectively, and the like assaults on board of any Merchant Ship in the roads belonging to the said Settlements respectively.

II. In execution of the powers of the said Acts, by any Magistrate or Justice of the Peace for any of the said Settlements, the said Acts shall be read, as if the said Settlement and the Recorder's Court there were severally mentioned therein, instead of the Town of Calcutta, and Supreme Court of Justice at Calcutta, and as if the said Settlement and the roads thereof were mentioned therein, instead of the River Hooghly, or the mouths thereof, and in construing the said Acts, and this Act, two rupees shall be deemed equivalent to one dollar.

III. Act III. 1844 is in force within the said Settlements, and any Magistrate or Justice of the Peace there shall be deemed a Magistrate within the meaning of that Act.

IV. Any Magistrate or Justice of the Peace for any of the said Settlements may punish any person who having been lawfully summoned to give evidence in any Criminal proceeding before any Magistrate or Justice of the Peace for the same Settlement, shall refuse or without reasonable cause neglect to attend and give evidence, by a fine not exceeding one hundred Rupees to be levied as directed by Act II. 1839.

Resolution.—The Most Noble the Governor General in Council resolves, that the following amended Draft on the subject be published for general information.

ACT No. —— OF 1850.

An Act for the Regulation of Registered Joint Stock Companies.

For the Regulation of Joint Stock Companies registered under this Act, it is enacted as follows:

I. Every unincorporated Company of partners, associated under a deed containing a provision, that the shares in the stock or business of the said Company are transferable without the consent of all the partners, and also every Company established for some literary, scientific or charitable purpose, which does not carry on any business for the pecuniary benefit of any of the proprietors or shareholders shall be entitled to registration under this Act.

II. The Supreme Court of Judicature at Calcutta, Madras, or Bombay may, on such petition as is hereinafter mentioned of any persons desiring to register the Company to which they belong, order the registration of such Company; and thereupon such Company shall be duly registered in the said Court, and deemed a registered Company within the meaning of this Act.

VI. The petition for registration in such case shall contain, beside the other particulars herein mentioned, statements of the notice and publication thereof, of the holding of the meeting, and of the several numbers of shareholders and shares held by them collectively, who were present at the meeting, and who voted in favour of the resolution respectively, and shall state that the petition is presented upon such resolution.

VII. No Company shall be disqualified for registration by reason of any outstanding loan to any Director or by reason of any Director being a surety, or under any other pecuniary engagement to the Company: but any Director having such loan or being such surety or under such engagement shall, by the fact of the registration of the Company, cease to be a Director unless the loan or other engagement be such as is authorised by this Act.

VIII. Every registered Company shall be subject to the following regulations, notwithstanding any provisions in their deed of partnership varying therefrom, and the Supreme Court, in which the Company shall be registered, shall have authority, on the petition of any shareholder, to enforce the same, and from time to time, to make any order or orders in respect of any breach or neglect thereof as to such Court shall seem meet.

First.—Every registered Company shall hold one or more ordinary general meetings of the Company in every year, at such times and places as are appointed by the deed of partnership, or in default thereof, as the Supreme Court, in which such Company is registered, shall in the order for registration appoint, subject to variation by any subsequent order or orders of such Court.

Second.—Every registered Company shall, from time to time, hold an extraordinary general meeting whenever seven shareholders or any greater number may require it, by notice in writing under their hands, to be delivered to the registered officer of the Company, or if he cannot be found to any other servant of the Company, at their usual place of business.

Third.—No registered Company shall purchase its own shares or make any loan of money or securities for money to any person or persons, on the security of a share or shares in the partnership business; and every such purchase or loan shall be a breach of trust within the meaning of all laws now in force, or hereafter to be in force relating to breaches of trust by agents or trustees misappropriating money or property.

Fourth.—No registered Company shall make any loan of money or securities for money to any Director or registered officer of such Company, except only in the case of Banking Companies, to such limited amount and on such securities as shall be sanctioned by the deed, or, from time to time, by a general meeting of the shareholders of such Company; and every such transaction, except as aforesaid, shall be a like breach of trust: And the particulars of every loan made to any Director or registered officer of such Company shall be reported to the next general meeting of shareholders, with a statement and specification of the several securities on which such loans were advanced.

Fifth.—No Director shall become a security or guarantee for any person in any loan or other transaction with the Company, nor shall he, in any way, incur liability to the Company uncovered by such security as is sanctioned by the deed of partnership, except so far as may be consequent on his name appearing on any negotiable security in the common course of business.

Sixth.—The accounts of every registered Company shall be audited half yearly or oftener, by two or more auditors, chosen at a general meeting of the shareholders, none of the auditors being a Director or registered officer at the time.

Seventh.—A copy of the auditor's report (if any) and balance sheet and a separate profit and loss account, and a capital account shewing the amount of the capital, and how invested, and the estimated value thereof, verified by affidavit, as often as the accounts are audited, shall be filed in the Court, in which the Company is registered, and a written or printed copy of the said report, balance sheet, and accounts, shall be delivered to

every shareholder who shall demand it, or sent by the General Post Office to the place where he may, from time to time, require delivery thereof.

IX. The Court in which the Company is registered may, on the petition of any shareholder, enforce the performance by the Directors of any of their duties under this Act, or of the deed of partnership, which it may appear just to enforce in a summary manner, after due notice given to such Directors; and disobedience to any order of the Court in this behalf shall be deemed a contempt of Court, and shall be punishable accordingly.

X Within one week before or after the first day of January and first day of July in every year, after the registry of the said Company, a memorial shall be filed in the Court, in which such Company is registered, setting forth in alphabetical order, the names of all the partners, with their several additions, places of abode, and the number of shares belonging to each, and the names of the Directors of the Company, and also the name of the servant of the Company to be deemed the registered officer, within the Presidency in which such Court is situated; and as often as a change in the direction or of any registered officer shall take place by death, resignation, disqualification, or otherwise, a memorial of such change shall be forthwith filed in the Supreme Court.

XI. When several persons are jointly interested in any share, the name, addition, and place of abode of every such person shall be separately entered in every such memorial, and each of such persons shall be considered as jointly and separately liable for the engagements of the Company on account of such share; unless when such share belongs to any other registered Company, in which case the name of such Company shall be entered in the memorial instead of the names of the partners thereof.

XII. The several memorials shall be signed by two or more of the Directors of the Company, and verified by affidavit of one of them before the Master of the Supreme Court or a Commissioner by the said Court appointed.

XIII. An office copy of any such registered deed or copy thereof filed as aforesaid, or memorial or of any part thereof, issued under the seal of the Court, shall be received in evidence before all Courts, as proof of the contents thereof, and no proof shall be required that the persons by whom any such memorial purports to be verified were Directors of the Company.

XIV. The Keeper of the Records of the Supreme Court shall allow all persons, at reasonable times, to inspect any such deed, copy, or memorial, and shall furnish office copies of any such deed, copy, or memorial, or any part thereof, under the seal of the Court, to all persons applying for the same.

XV. Such fees shall be paid for registering every such deed and memorial, and for allowing inspection and furnishing copies thereof, or of any part thereof, as the Judges of the Supreme Court, with the approval of the Governor or Governor in Council, from time to time, shall establish.

XVI. Subject to the provisions of the deed of partnership, every shareholder in any such registered Company may sell and transfer all or any of his shares therein by a deed according to the form in the Schedule annexed to this Act, or to the like effect, and the same, when duly executed, shall be delivered to the registered officer, who shall make an entry thereof in a book to be called the Register of Transfers, and shall endorse such entry on the deed of transfer, and deliver an acknowledgment of the receipt thereof to the purchaser, for which entry and endorsement the Company shall be entitled to have a fee not exceeding one rupee; and until such transfer is so entered and endorsed the purchaser of the share shall not be entitled to receive any share of the profits of the business, or to vote in respect of such share.

XVII. No shareholder shall be entitled to transfer any share until he has paid all calls at that time due on every share held by him.

XVIII. On the transfer of any share in a registered Company being executed and notified in the manner required by the Deed of the Company and this Act, the party making or the party accepting such transfer, may require a memorial thereof to be made forthwith and filed with the memorial of the names of shareholders of the Company, and in case such memorial shall not be made and filed within one month after such requisition, the Supreme Court shall on the petition of either of the said parties, and on notice being given to the Directors of the Company order such memorial to be made and filed in case the Court shall be satisfied of the validity of such transfer.

XIX. No transfer shall be deemed complete, nor shall any shareholder be discharged from any liability by the transfer of any share, until the memorial of such transfer shall have been filed as aforesaid, and no person shall be liable as a shareholder by reason merely of having accepted such transfer, until such memorial of the transfer shall be filed, and every such memorial of transfer shall be taken thenceforth as part of the last general memorial.

XX. The Supreme Court in which any Company is registered may on petition and on notice being given to the Directors, and to every other person to whom it shall appear to the Court that notice ought to be given, order any memorial filed under this Act, to be corrected in case of any material error of omission or otherwise, either in the lists of shareholders or any other respect whatever.

XXI. The Directors may close the Register of Transfers for a time not exceeding fourteen days before each ordinary general meeting, and may fix a day for closing the same, of which seven days' notice shall be given in the *Government Gazette*.

XXII. The Company shall not be bound to see to the execution of any trust, whether express, implied, or constructive, to which any share is subject; and the receipt of the person in whose name any share stands in the books of the Company, or in the case of a minor, idiot, or lunatic, the receipt of the guardian or committee, or where the share stands in more than one name, the receipt of the person, whose name stands first, shall be a sufficient discharge to the Company for any dividend or other sum of money payable on account of such share, whether or not the Company had notice of any such trust; and the Company shall not be bound to see to the application of any money paid on such receipt.

XXIII. Every such registered Company shall sue and be sued by the registered name of the Company, as if it were an incorporated Company, and in no other manner; and service of any writ, order, or other process or notice on the registered officer of the said Company, at their usual place of business, or if he cannot be found in such manner as the Supreme Court, in which such Company is registered, shall order and direct, shall be good service on such Company.

XXIV. In any indictment or information for any theft or embezzlement of the monies or goods of any such registered Company, or for any other offence committed against them or their property, or with intent to defraud or injure them, they may be described by the registered name of the Company.

XXV. In any suit brought in the name of any such registered Company, the plaintiffs shall be liable to be nonsuited unless it is proved on their part that the suit is brought by direction of one or more of the partners appointed at a general meeting to be Directors of the Company, or by the direction of some person or persons having authority from the Directors to bring suits on behalf of the Company.

XXVI. No such suit, indictment, information, or other proceeding shall abate or be prejudiced by any change of the persons constituting the partnership, or of the Directors, or of the person having such authority.

XXVII. No suit by or against the Company shall be in any wise affected by the defendant or plaintiff therein being or having been a shareholder of the Company: but any such shareholder, either alone or jointly with any other person or persons as against the Company, or the Company as against any such shareholder, either alone or jointly with any other person or persons, shall have the same right of action, remedy, and execution, in respect of any claim whatever, as the shareholder or Company would have had, if such claim had been against a stranger.

XXVIII. All unpaid capital, or money due on account of the capital stock of the Company, shall be deemed a debt due to the Company, and shall be recoverable as such by the description of money due by the defendant, on account of a share in the business of the Company.

XXIX. A registered Company which shall commit any act which is hereby deemed an act of forfeiture shall be liable to the jurisdiction of the Court for Relief of Insolvent Debtors, and a petition to the said Court in the case of such Company shall be prosecuted in the same manner as petitions in the case of insolvent debtors: and in case of an adjudication of forfeiture the law and practice of the said Court with such alterations of the practice as from time to time shall seem to the Court necessary shall be extended to the care of such Company, as in the case of an adjudication of insolvency in the case of an insolvent debtor.

XXX. An adjudication of forfeiture against any such Company shall not be deemed an act of insolvency of the individual members of such Company.

XXXI. An adjudication of forfeiture against such Company shall convey to the Assignee or Assignees appointed the whole of the real and personal property of the said Company, and all debts, causes of suit, and possibilities of interest, with the like power to sue either at Law or in Equity, as fully and effectually as an adjudication of insolvency against any individual could convey the same by any of the laws now in force or hereafter to be in force affecting insolvents.

XXXII. Whenever an adjudication of forfeiture shall have issued against any such Company, the Assignee or Assignees from time to time may compromise any debts or claims belonging to the said Company, and may grant discharges to the parties to such compromises.

XXXIII. Whenever the Directors of any registered Company shall be unable to meet the engagements of the Company, they shall at a special meeting of the Directors convened for that purpose, and by such a number and majority of them as would be sufficient for any ordinary business of the Company, declare such inability by a resolution, which being signed by the Directors by whose votes it has been carried, shall be forthwith published in the *Government Gazette* of the Presidency, and for two months after the publication of such resolution, but not later, such resolution shall be deemed an act of forfeiture of their privileges for the sole purpose, nevertheless, of supporting a petition to the Court for Relief of Involvent Debtors in case a petition shall be filed within two months after the date of the publication thereof as aforesaid, but not afterwards.

XXXIV. Any registered Company which shall not, within two months after judgment and the issue of a writ of execution thereof, satisfy such judgment, shall be deemed to have committed an act of forfeiture, and thereupon the execution creditor, or any creditor to whom such Company shall be indebted to the amount of Company's Rupees five hundred, or any two creditors to whom such Company shall be indebted to the amount of Company's Rupees seven hundred, or any three or more creditors to whom such Company shall be indebted to the amount of Company's Rupees one thousand, may present a petition to the Court for the Relief of Insolvent Debtors at the Presidency, within which such Company is registered, stating the amount due to such creditor or creditors, and the registry and act of forfeiture of such Company, and praying such Court would proceed as if such Company or the Shareholders thereof had petitioned such Court for relief under the laws in force for Relief of Insolvent Debtors, whereupon the Court shall enquire into the truth of such petition, and if such Court shall be satisfied thereof, such Court shall adjudge the same to be true, and that such Company has committed an act of forfeiture and proceed thereon pursuant to the provisions of the Act for the Relief of Insolvent Debtors in India, and of this Act.

XXXV. Upon the filing of any petition to the Court for Relief of Insolvent Debtors in the case of any registered Company, whether by a shareholder or by a creditor, the Court shall make the like vesting order for the purpose of vesting all the real and personal estate of the Company in the Official Assignee, and such other orders ancillary thereto as the Court might make in case of an individual insolvent debtor, and all the powers and authorities of the said Court, and all the law relating to insolvent debtors shall, so far as the circumstances of the case admit, be extended to all such registered Companies.

XXXVI. Whenever there shall be an adjudication of forfeiture against any registered Company, the Directors of such Company, at the time of filing the petition, shall be subject to the orders of the said Court for the Relief of Insolvent Debtors, and it shall be their duty individually or collectively to prepare such balance sheet and other accounts as the Court may deem necessary, and to assist the Official Assignee in the examination of and closing all the affairs of the Company, and every Director and person who shall at any time have been a Director of the Company, shall be liable to be examined upon oath, and to make full and true discovery of the estate and effects, past and present, and business, affairs, and interests of the Company, either orally or upon written interrogatories, as the Court may order.

XXXVII. Upon the adjudication of forfeiture against any registered Company, the claims of any creditor of

the Company against the shareholders shall not be enforced otherwise than under this Act, except in respect of any special contract, or any debt or liability contracted by any shareholder in his individual capacity, otherwise than by taking a share in the business of the Company.

XXXVIII. As soon after an adjudication of forfeiture against any Company as the Official Assignee can make an approximate estimate of the amount of the debts and other claims against the Company, or of any certain portion thereof, the said Court, on the application of the Official Assignee, shall order such sum to be raised by contribution of the shareholders as may appear to the said Court necessary for the satisfaction of such debts and claims; and may from time to time order such further sum to be raised in like manner as may appear necessary: and upon obtaining such order the Official Assignee shall assess the said sum ratably amongst the shareholders and immediately proceed to collect the same; and monthly or oftener shall report defaulters to the said Court, together with the amounts at which they were assessed respectively, and thereupon the said Court, if satisfied that the said assessment is just, shall order the payment of such assessment within such time and upon such notice or demand by advertisements or otherwise, as the Court may see fit; and non-payment thereof within the time ordered by this Court shall be an act of insolvency of the defaulting shareholders, and the said Assignee, or any person being a creditor of the said Company, to the amount of Company's Rupees five hundred, or any two creditors to whom such Company shall be indebted to the amount of Company's Rupees seven hundred, or any three or more creditors to whom such Company shall be indebted to the amount of Company's Rupees one thousand, may present a petition to the Court for the Relief of Insolvent Debtors of [illegible] Presidency, within which the said Company is [illegible] stating such act of insolvency and prayin[illegible] defaulting shareholder may be adjudged [illegible] mitted an act of insolvency, and upon su[illegible] being duly verified, the Court shall be empow[illegible] adjudge that such defaulting shareholder has committ[illegible] an act of insolvency, and to proceed thereon according to the provisions of the Act for the Relief of Insolvent Debtors in India.

XXXIX. The shareholders of untransferred shares whose names are in the last general memorial, including those (if any) who have been subsequently returned as shareholders of the Company, shall be liable and be called upon in the first instance to satisfy the debts of the Company; and in case it shall appear to the said Court that full satisfaction cannot, within such time as may appear reasonable to the Court be otherwise obtained, such other persons as at any time within three years next before the adjudication of forfeiture shall have been returned in any memorial as shareholders of the Company shall be liable to contribute to such amount collectively as the Court may order; and upon every order for contribution from former shareholders, the Official Assignee shall proceed as hereinbefore prescribed in the case of present shareholders.

XL. In fixing the sum to be raised from time to time by assessment of the shareholders it shall be in the discretion of the Court to make such allowance for unrealized assets of the said Company, as the Court may deem just.

XLI. No such assessment shall be deemed erroneous or set aside merely by reason of its being in excess of other assessments ratably considered, if the same be needed for satisfaction of any creditor of the said Company.

XLII. If on realizing the assets of the Company a balance shall remain after payment of the debts and other claims against the Company, the said Court may order the repayment out of such balance, first, of such sums or ratable parts thereof as have been paid by any shareholders not liable in the first instance to satisfy the debts of the Company; and secondly, of such sums or ratable parts thereof as have been paid by any other shareholders in excess of their ratable liability, according to the number of their shares, regard being had to the number of other assessed shareholders; and lastly, if such a balance shall not thereby be exhausted, the said Court may order the distribution of the remainder thereof among the shareholders by the Official Assignee upon a scheme or plan to be submitted to and approved by the said Court, or may order the same to be paid to the Accountant General of the said Court to the credit of the said Company, to abide such proceedings as any parties interested therein may take at Law or in Equity: and any order of the said Court for the disbursement of money shall be a sufficient authority to the said Official Assignee to protect him against all claims in respect of such disbursement by any shareholder or creditor.

XLIII. If any registered Company which carried on its business before registration shall incur an adjudication of forfeiture before it has been registered for three years, such persons as are not registered shareholders but were copartners or shareholders thereof at any time before the registration of the Company, but within three years before the filing of the petition for relief, shall be liable to contribute to the debts of the Company in like manner as if they were on the first memorial of the shareholders of the Company.

XLIV. Whenever it shall appear to the Court for Relief of Insolvent Debtors that the aid of a Court of Equity will be necessary for closing the affairs of any registered Company, against which an adjudication of forfeiture has been made the said Court may order the Official or other Assignees to take proceedings in the Supreme Court in Equity, by bill, or by petition for the like relief as might be had by bill, and the said Supreme Court shall have power on such petition to make such original and subsequent orders as upon a bill filed, and such orders shall have the same effect and be executed in the same manner as decretal orders.

XLV. The said Supreme Court may likewise on petition of any shareholder having any claim against any other shareholder, in respect of the affairs of the Company, make such order as it may deem just for settling such claim between such shareholders.

XLVI. Whenever any shareholder, in a registered Company, either on his own petition or under the provisions aforesaid or otherwise shall be adjudged an insolvent, the Assignee or Assignees of such registered Company, which shall have been adjudged to have incurred forfeiture shall be entitled, from time to time, to rank as a creditor on the estate of such insolvent, for such ratable contributions, as the Court for the Relief of Insolvent Debtors shall, from time to time, appoint to be paid by such insolvent shareholder.

XLVII. After the affairs of any such registered Company against which there has been an adjudication of forfeiture are closed under this Act, the Company

shall forfeit all its privileges under this Act, and the partnership shall be dissolved.

VIII. Every registered Company shall be subject to the following regulations, notwithstanding any provisions in their deed of partnership varying therefrom, and the Supreme Court, in which the Company shall be registered, shall have authority, on the petition of any shareholder, to enforce the same, and from time to time, to make any order or orders in respect of any breach or neglect thereof as to such Court shall seem meet.

Second.—Every registered Company shall, from time to time, hold an extraordinary general meeting whenever seven shareholders or any greater number may require it, by notice in writing under their hands, to be delivered to the registered officer of the Company, or if he cannot be found to any other servant of the Company, at their usual place of business.

Third.—No registered Company shall purchase its own shares or make any loan of money or securities for money to any person or persons, on the security of a share or shares in the partnership business; and every such purchase or loan shall be a breach of trust within the meaning of all laws now in force, or hereafter to be in force relating to breaches of trust by agents or trustees misappropriating money or property.

Fourth.—No registered Company shall make any loan of money or securities for money to any Director or registered officer of such Company, except only in the case of Banking Companies, to such limited amount and on such securities as shall be sanctioned by the deed, or, from time to time, by a general meeting of the shareholders of such Company; and every such transaction, except as aforesaid, shall be a like breach of trust: And the particulars of every loan made to any Director or registered officer of such Company shall be reported to the next general meeting of shareholders, with a statement and specification of the several securities on which such loans were advanced.

Fifth.—No Director shall become a security or guarantee for any person in any loan or other transaction with the Company, nor shall he, in any way, incur liability to the Company uncovered by such security as is sanctioned by the deed of partnership, except so far as may be consequent on his name appearing on any negotiable security in the common course of business.

Sixth.—The accounts of every registered Company shall be audited half yearly or oftener, by two or more auditors, chosen at a general meeting of the shareholders, none of the auditors being a Director or registered officer at the time.

Seventh.—A copy of the auditor's report (if any) and balance sheet and a separate profit and loss account, and a capital account shewing the amount of the capital, and how invested, and the estimated value thereof, verified by affidavit, as often as the accounts are audited, shall be filed in the Court, in which the Company is registered, and a written or printed copy of the said report, balance sheet, and accounts, shall be delivered to every shareholder who shall demand it, or sent by the General Post Office to the place where he may, from time to time, require delivery thereof.

IX. The Court in which the Company is registered may, on the petition of any shareholder, enforce the performance by the Directors of any of their duties under this Act, or of the deed of partnership, which it may appear just to enforce in a summary manner, after due notice given to such Directors; and disobedience to any order of the Court in this behalf shall be deemed a contempt of Court, and shall be punishable accordingly.

X. Within one week before or after the first day of January and first day of July in every year, after the registry of the said Company, a memorial shall be filed in the Court, in which such Company is registered, setting forth in alphabetical order, the names of all the partners, with their several additions, places of abode, and the number of shares belonging to each, and the names of the Directors of the Company, and also the name of the servant of the Company to be deemed the registered officer, within the Presidency in which such Court is situated; and as often as a change in the direction or of any registered officer shall take place by death, resignation, disqualification, or otherwise, a memorial of such change shall be forthwith filed in the Supreme Court.

XI. When several persons are jointly interested in any share, the name, addition, and place of abode of every such person shall be separately entered in every such memorial, and each of such persons shall be considered as jointly and separately liable for the engagements of the Company on account of such share; unless when such share belongs to any other registered Company, in which case the name of such Company shall be entered in the memorial instead of the names of the partners thereof.

XII. The several memorials shall be signed by two or more of the Directors of the Company, and verified by affidavit of one of them before the Master of the Supreme Court or a Commissioner by the said Court appointed.

XIII. An office copy of any such registered deed or copy thereof filed as aforesaid, or memorial or of any part thereof, issued under the seal of the Court, shall be received in evidence before all Courts, as proof of the contents thereof, and no proof shall be required that the persons by whom any such memorial purports to be verified were Directors of the Company.

XIV. The Keeper of the Records of the Supreme Court shall allow all persons, at reasonable times, to inspect any such deed, copy, or memorial, and shall furnish office copies of any such deed, copy, or memorial, or any part thereof, under the seal of the Court, to all persons applying for the same.

XV. Such fees shall be paid for registering every such deed and memorial, and for allowing inspection and furnishing copies thereof, or of any part thereof, as the Judges of the Supreme Court, with the approval of the Governor or Governor in Council, from time to time, shall establish.

XVI. Subject to the provisions of the deed of partnership, every shareholder in any such registered Company may sell and transfer all or any of his shares therein by a deed according to the form in the Schedule annexed to this Act, or to the like effect, and the same, when duly executed, shall be delivered to the registered officer, who shall make an entry thereof in a book to be called the Register of Transfers, and shall endorse such entry on the deed of transfer, and deliver an acknowledgment of the receipt thereof to the purchaser, for which entry and endorsement the Company shall be entitled to have a fee not exceeding one rupee; and until such transfer is so entered and endorsed the purchaser of the share shall not be entitled to receive any share of the profits of the business, or to vote in respect of such share.

XVII. No shareholder shall be entitled to transfer any share until he has paid all calls at that time due on every share held by him.

XIX. No transfer shall be deemed complete, nor shall any shareholder be discharged from any liability by the transfer of any share, until the memorial of such transfer shall have been filed as aforesaid, and no person shall be liable as a shareholder by reason merely of having accepted such transfer, until such memorial of the transfer shall be filed, and every such memorial of transfer shall be taken thenceforth as part of the last general memorial.

XX. The Supreme Court in which any Company is registered may on petition and on notice being given to the Directors, and to every other person to whom it shall appear to the Court that notice ought to be given, order any memorial filed under this Act, to be corrected in case of any material error of omission or otherwise, either in the lists of shareholders or any other respect whatever.

XXI. The Directors may close the Register of Transfers for a time not exceeding fourteen days before each ordinary general meeting, and may fix a day for closing the same, of which seven days' notice shall be given in the *Government Gazette*.

XXII. The Company shall not be bound to see to the execution of any trust, whether express, implied, or constructive, to which any share is subject; and the receipt of the person in whose name any share stands in the books of the Company, or in the case of a minor, idiot, or lunatic, the receipt of the guardian or committee, or where the share stands in more than one name, the receipt of the person, whose name stands first, shall be a sufficient discharge to the Company for any dividend or other sum of money payable on account of such share, whether or not the Company had notice of any such trust; and the Company shall not be bound to see to the application of any money paid on such receipt.

XXIII. Every such registered Company shall sue and be sued by the registered name of the Company, as if it were an incorporated Company, and in no other manner; and service of any writ, order, or other process or notice on the registered officer of the said Company, at their usual place of business, or if he cannot be found in such manner as the Supreme Court, in which such Company is registered, shall order and direct, shall be good service on such Company.

XXIV. In any indictment or information for any theft or embezzlement of the monies or goods of any such registered Company, or for any other offence committed against them or their property, or with intent to defraud or injure them, they may be described by the registered name of the Company.

XXV. In any suit brought in the name of any such registered Company, the plaintiffs shall be liable to be nonsuited unless it is proved on their part that the suit is brought by direction of one or more of the partners appointed at a general meeting to be Directors of the Company, or by the direction of some person or persons having authority from the Directors to bring suits on behalf of the Company.

XXVI. No such suit, indictment, information, or other proceeding shall abate or be prejudiced by any change of the persons constituting the partnership, or of the Directors, or of the person having such authority.

XXVII. No suit by or against the Company shall be in any wise affected by the defendant or plaintiff therein being or having been a shareholder of the Company: but any such shareholder, either alone or jointly with any other person or persons as against the Company, or the Company as against any such shareholder, either alone or jointly with any other person or persons, shall have the same right of action, remedy, and execution, in respect of any claim whatever, as the shareholder or Company would have had, if such claim had been against a stranger.

XXVIII. All unpaid capital, or money due on account of the capital stock of the Company, shall be deemed a debt due to the Company, and shall be recoverable as such by the description of money due by the defendant, on account of a share in the business of the Company.

XXIX. A registered Company which shall commit any act which is hereby deemed an act of forfeiture shall be liable to the jurisdiction of the Court for Relief of Insolvent Debtors, and a petition to the said Court in the case of such Company shall be prosecuted in the same manner as petitions in the case of insolvent debtors: and in case of an adjudication of forfeiture the law and practice of the said Court with such alterations of the practice as from time to time shall seem to the Court necessary shall be extended to the care of such Company, as in the case of an adjudication of insolvency in the case of an insolvent debtor.

XXX. An adjudication of forfeiture against any such Company shall not be deemed an act of insolvency of the individual members of such Company.

XXXI. An adjudication of forfeiture against such Company shall convey to the Assignee or Assignees appointed the whole of the real and personal property of the said Company, and all debts, causes of suit, and possibilities of interest, with the like power to sue either at Law or in Equity, as fully and effectually as an adjudication of insolvency against any individual could convey the same by any of the laws now in force or hereafter to be in force affecting insolvents.

XXXII. Whenever an adjudication of forfeiture shall have issued against any such Company, the Assignee or Assignees from time to time may compromise any debts or claims belonging to the said Company, and may grant discharges to the parties to such compromises.

XXXIII. Whenever the Directors of any registered Company shall be unable to meet the engagements of the Company, they shall at a special meeting of the Directors convened for that purpose, and by such a number and majority of them as would be sufficient for any ordinary business of the Company, declare such inability by a resolution, which being signed by the Directors by whose votes it has been carried, shall be forthwith published in the *Government Gazette* of the Presidency, and for two months after the publication of such resolution, but not later, such resolution shall be deemed an act of forfeiture of their privileges for the sole purpose, nevertheless, of supporting a petition to the Court for Relief of Involvent Debtors in case a petition shall be filed within two months after the date of the publication thereof as aforesaid, but not afterwards.

XXXIV. Any registered Company which shall not, within two months after judgment and the issue of a writ of execution thereof, satisfy such judgment, shall be deemed to have committed an act of forfeiture, and thereupon the execution creditor, or any creditor to whom such Company shall be indebted to the amount of Company's Rupees five hundred, or any two creditors to whom such Company shall be indebted to the amount of Company's Rupees seven hundred, or any three or more creditors to whom such Company shall be indebted to the amount of Company's Rupees one thousand, may present a petition to the Court for the Relief of Insolvent Debtors at the Presidency, within which such Company is registered, stating the amount due to such creditor or creditors, and the registry and act of forfeiture of such Company, and praying such Court would proceed as if such Company or the Shareholders thereof had petitioned such Court for relief under the laws in force for Relief of Insolvent Debtors, whereupon the Court shall enquire into the truth of such petition, and if such Court shall be satisfied thereof, such Court shall adjudge the same to be true, and that such Company has committed an act of forfeiture and proceed thereon pursuant to the provisions of the Act for the Relief of Insolvent Debtors in India, and of this Act.

XXXV. Upon the filing of any petition to the Court for Relief of Insolvent Debtors in the case of any registered Company, whether by a shareholder or by a creditor, the Court shall make the like vesting order for the purpose of vesting all the real and personal estate of the Company in the Official Assignee, and such other orders ancillary thereto as the Court might make in case of an individual insolvent debtor, and all the powers and authorities of the said Court, and all the law relating to insolvent debtors shall, so far as the circumstances of the case admit, be extended to all such registered Companies.

XXXVI. Whenever there shall be an adjudication of forfeiture against any registered Company, the Directors of such Company, at the time of filing the petition, shall be subject to the orders of the said Court for the Relief of Insolvent Debtors, and it shall be their duty individually or collectively to prepare such balance sheet and other accounts as the Court may deem necessary, and to assist the Official Assignee in the examination of and closing all the affairs of the Company, and every Director and person who shall at any time have been a Director of the Company, shall be liable to be examined upon oath, and to make full and true discovery of the estate and effects, past and present, and business, affairs, and interests of the Company, either orally or upon written interrogatories, as the Court may order.

XXXVII. Upon the adjudication of forfeiture against any registered Company, the claims of any creditor of the Company against the shareholders shall not be enforced otherwise than under this Act, except in respect of any special contract, or any debt or liability contracted by any shareholder in his individual capacity, otherwise than by taking a share in the business of the Company.

XXXVIII. As soon after an adjudication of forfeiture against any Company as the Official Assignee can make an approximate estimate of the amount of the debts and other claims against the Company, or of any certain portion thereof, the said Court, on the application of the Official Assignee, shall order such sum to be raised by contribution of the shareholders as may appear to the said Court necessary for the satisfaction of such debts and claims; and may from time to time order such further sum to be raised in like manner as may appear necessary: and upon obtaining such order the Official Assignee shall assess the said sum ratably amongst the shareholders and immediately proceed to collect the same; and monthly or oftener shall report defaulters to the said Court, together with the amounts at which they were assessed respectively, and thereupon the said Court, if satisfied that the said assessment is just, shall order the payment of such assessment within such time and upon such notice or demand by advertisements or otherwise, as the Court may see fit; and non-payment thereof within the time ordered by this Court shall be an act of insolvency of the defaulting shareholders, and the said Assignee, or any person being a creditor of the said Company, to the amount of Company's Rupees five hundred, or any two creditors to whom such Company shall be indebted to the amount of Company's Rupees seven hundred, or any three or more creditors to whom such Company shall be indebted to the amount of Company's Rupees one thousand, may present a petition to the Court for the Relief of Insolvent Debtors of the Presidency, within which the said Company is registered,

stating such act of insolvency and praying that such defaulting shareholder may be adjudged to have committed an act of insolvency, and upon such petition being duly verified, the Court shall be empowered to adjudge that such defaulting shareholder has committed an act of insolvency, and to proceed thereon according to the provisions of the Act for the Relief of Insolvent Debtors in India.

XXXIX. The shareholders of untransferred shares whose names are in the last general memorial, including those (if any) who have been subsequently returned as shareholders of the Company, shall be liable and be called upon in the first instance to satisfy the debts of the Company; and in case it shall appear to the said Court that full satisfaction cannot, within such time as may appear reasonable to the Court be otherwise obtained, such other persons as at any time within three years next before the adjudication of forfeiture shall have been returned in any memorial as shareholders of the Company shall be liable to contribute to such amount collectively as the Court may order; and upon every order for contribution from former shareholders, the Official Assignee shall proceed as hereinbefore prescribed in the case of present shareholders.

XL. In fixing the sum to be raised from time to time by assessment of the shareholders it shall be in the discretion of the Court to make such allowance for unrealized assets of the said Company, as the Court may deem just.

XLI. No such assessment shall be deemed erroneous or set aside merely by reason of its being in excess of other assessments ratably considered, if the same be needed for satisfaction of any creditor of the said Company.

XLII. If on realizing the assets of the Company a balance shall remain after payment of the debts and other claims against the Company, the said Court may order the repayment out of such balance, first, of such sums or ratable parts thereof as have been paid by any shareholders not liable in the first instance to satisfy the debts of the Company; and secondly, of such sums or ratable parts thereof as have been paid by any other shareholders in excess of their ratable liability, according to the number of their shares, regard being had to the number of other assessed shareholders; and lastly, if such a balance shall not thereby be exhausted, the said Court may order the distribution of the remainder thereof among the shareholders by the Official Assignee upon a scheme or plan to be submitted to and approved by the said Court, or may order the same to be paid to the Accountant General of the said Court to the credit of the said Company, to abide such proceedings as any parties interested therein may take at Law or in Equity: and any order of the said Court for the disbursement of money shall be a sufficient authority to the said Official Assignee to protect him against all claims in respect of such disbursement by any shareholder or creditor.

XLIII. If any registered Company which carried on its business before registration shall incur an adjudication of forfeiture before it has been registered for three years, such persons as are not registered shareholders but were copartners or shareholders thereof at any time before the registration of the Company, but within three years before the filing of the petition for relief, shall be liable to contribute to the debts of the Company in like manner as if they were on the first memorial of the shareholders of the Company.

XLIV. Whenever it shall appear to the Court for Relief of Insolvent Debtors that the aid of a Court of Equity will be necessary for closing the affairs of any registered Company, against which an adjudication of forfeiture has been made the said Court may order the Official or other Assignees to take proceedings in the Supreme Court in Equity, by bill, or by petition for the like relief as might be had by bill, and the said Supreme Court shall have power on such petition to make such original and subsequent orders as upon a bill filed, and such orders shall have the same effect and be executed in the same manner as decretal orders.

XLV. The said Supreme Court may likewise on petition of any shareholder having any claim against any other shareholder, in respect of the affairs of the Company, make such order as it may deem just for settling such claim between such shareholders.

XLVI. Whenever any shareholder, in a registered Company, either on his own petition or under the provisions aforesaid or otherwise shall be adjudged an insolvent, the Assignee or Assignees of such registered Company, which shall have been adjudged to have incurred forfeiture shall be entitled, from time to time, to rank as a creditor on the estate of such insolvent, for such ratable contributions, as the Court for the Relief of Insolvent Debtors shall, from time to time, appoint to be paid by such insolvent shareholder.

XLVII. After the affairs of any such registered Company against which there has been an adjudication of forfeiture are closed under this Act, the Company shall forfeit all its privileges under this Act, and the partnership shall be dissolved.

Civil Service Annuity Fund.

At a Special General Meeting of Subscribers to the Civil Service Annuity Fund, held on Monday the 1st April 1850, at the Town Hall—

PRESENT—

Messrs. J. J. Harvey, E. Currie, H. F. James, H. T. Raikes, Sir H. M. Elliot, G. F. Harvey, B. J. Colvin, J. S. Torrens, W. H. Elliott, H. V. Bayley, C. Beadon, W. Grey, J. W. Dalrymple, W. Maples, and H. C. Raikes.

Sir H. M. Elliot, K. C. B., in the Chair.

Proposed by Mr. J. J. Harvey, seconded by Mr. Grey—

That the practice of requiring from Retiring Annuitants, who have paid up by their subscriptions the prescribed full half value of their Annuities, and the full value of premiums for quarterly and to date of decease payments (as entered in the last column of the Table in page 21 of the printed Rules,) an additional cash payment, equal to the value of premium for quarterly and to date of decease payments, to secure to such Subscribers these advantages, is not in accordance with Rule 34 or any Rule of the Fund.

On this proposition the votes appeared					
For,	present	11	proxies	25	Total 36
Against,	„	4	„	2	6
					Majority for = 30

Mr. Harvey then brought forward the motion he gave notice of at the General Meeting of 4th February last, viz.

"That it appears to this Meeting on reference "to the 57th para. of the Despatch of the "Hon'ble the Court of Directors, dated 8th "December 1824, which contemplates that all "Civil Servants upon becoming Annuitants will "pay half the value of their respective Annuities and no more, and on reference to the 74th "para. of the said Despatch, wherein the principle so laid down is again recognized and affirmed that the calculations on which the Annuity "Fund is based, do not require from any Subscriber a larger payment than half of the value of "his Annuity: That this Meeting therefore consider the continued deduction of 4 per cent. from "the salary of a Subscriber after he has paid up "from his contributions with interest thereon, the "highest full half value of an Annuity as entered "in the last column of the Table in page 21 of "the printed Rules to be contrary to the principles of the Fund; and not borne out by any "positive rule of the Fund: That this practice "in its operation retards promotion and thus impedes one of the main objects of the Fund: "That it appears from the rules of the similarly "constituted Fund of the Bombay Service, that "the Hon'ble the Court of Directors allow to "retiring Annuitants of that Service a refund of "all excess subscriptions paid by each Subscriber, "above the full half value of the Annuity taken by "each: That this rule accelerates retirement and "consequent promotion in that Service: That "this Meeting therefore resolve to memorialize "the Hon'ble the Court of Directors to sanction "a modification of the rules of this Fund in this "respect: That for this purpose a Committee "be appointed to prepare a Memorial for circulation to the Service, and eventual submission "to the Hon'ble the Court of Directors, praying "in revision of the existing practice of the Fund, "that on retirement a refund of all excess subscriptions paid by a Subscriber be allowed to "Annuitants of the Bengal Civil Service as has "been sanctioned by the Hon'ble Court to their "Bombay Civil Servants."

Whereupon it was proposed as a general amendment by Mr. Bayley and seconded by Mr. W. Elliott—

That a Committee be appointed to consider the general affairs and rules of the Bengal Civil Service Annuity Fund as fully as has been done by the Civil Fund Committee, including the question of excess payments beyond ½ value and the quarterly and to date of decease payments.

Carried unanimously, and

Resolved that a Committee, composed of the following Members, viz. J. J. Harvey, Esq., E. Currie, Esq., J. P. Grant, Esq., C. Beadon, Esq., and W. Grey, Esq., with power to add to their number, be appointed to revise the rules of the Civil Annuity Fund generally and with reference to the two propositions discussed at this Meeting, and to prepare a Memorial to the Hon'ble Court of Directors on the subject.

Thanks were voted to the Chairman.

H. M. ELLIOT,
Chairman.

ACT No. XIX. OF 1850.

Concerning the binding of Apprentices.

For better enabling children, and especially orphans and poor children brought up by public charity, to learn trades, crafts and employments, by which, when they come to full age, they may gain a livelihood, It is enacted as follows:

I. Any child, above the age of ten, and under the age of eighteen years, may be bound apprentice by his or her father or guardian to learn any fit trade, craft or employment, for such term as is set forth in the contract of apprenticeship, not exceeding seven years, so that it be not prolonged beyond the time when such child shall be of the full age of twenty-one years, or in the case of a female, beyond the time of her marriage.

II. The age set forth in the contract shall be evidence of the age of the child, in all questions which arise as to the right of the master to the continuance of the service.

III. Any Magistrate or Justice of the Peace may act with all the powers of a guardian under this Act, on behalf of any orphan, or poor child abandoned by its parents, or of any child convicted before him, or any other Magistrate, of vagrancy, or the commission of any petty offence.

IV. An orphan or poor child, brought up by any public charity, may be bound apprentice by the Governors, Directors or Managers thereof, as his or her guardians for this purpose.

V. Any such boy may be bound as an apprentice in the sea service to any of Her Majesty's subjects, being the owner of any registered ship belonging to and trading from any port in the territories under the government of the East India Company, which has been declared to be a registering port under Act X. 1841, to be employed in any such ship the property of such person, commanded by a British subject, and, while so employed, to be taught the craft and duty of a seaman.

VI. Any such boy may be bound in like manner for sea service in any ship of the East India Company belonging to any such port, commanded by a British subject, in which case the contract shall be made with the Master Attendant at such port, or any officer appointed to represent the East India Company in this behalf, who shall appoint the ship in which such apprentice is to serve from time to time.

VII. The Master or Commander of any ship in which an apprentice bound to the sea service shall be appointed to serve by the party to whom he is bound, shall be deemed the agent of such party for the purpose of this Act.

VIII. Every contract of apprenticeship shall be in writing, according to the form given in the Schedule (A.) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the apprentice, the term for which he is bound, and what he is to be taught.

IX. Every such contract shall be signed by the person to whom the apprentice is bound, and by the person by whom he is bound, and by the apprentice, when he is of the age of fourteen years or more at the time of binding; but, when the apprentice is bound by the Governors, Directors or Managers of a Public Charity, the signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the apprentice.

X. No such contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the office of the Chief Magistrate of the place or district where it has been executed, or if the apprentice is bound to the sea service, in the office of the person appointed under Act X. 1841, to make registry of ships at the port where the apprentice is to begin his service; and the person in whose office any such contract is deposited shall give to each of the parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the contract, without formal proof of the handwriting of the Magistrate or Registering Officer.

XI. The terms of service may be changed at any time during the apprenticeship, or the contract may be determined, with the consent of both parties to the contract or their personal representatives, and with the consent of the apprentice, if he is above the age of fourteen years; provided, that the changes agreed to or the termination of the contract shall be expressed in writing on the original contract, with the signature of the proper parties according to Section VIII. of this Act; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XII. The master of any apprentice bound under this Act may, with the consent of the person by whom he was bound, and with the consent of the apprentice, if he is above the age of fourteen years, assign such apprentice to any other person, who is willing to take him for the residue of his apprenticeship, and subject to the conditions thereof; provided that such person shall, by endorsement under his own hand on the contract, declare his acceptance of such apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and signed by them respectively: And every such assignment shall be certified on the office copies of the contract under the hand of the Magistrate or Registering Officer according to the form given in Schedule (B.) annexed to this Act.

XIII. Upon complaint made to any Magistrate in the said territories by or on behalf of any apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the contract of apprenticeship, or of cruelty, or other ill-treatment by his master, or by the agent under whom he shall have been placed by his master, the Magistrate may summon the master or his agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint; and at such time, whether the master or his agent be present or not, (service of the summons being proved), may examine into the matter of the complaint; and, upon proof thereof, may cancel the contract of apprenticeship, and assess upon the offender, whether he shall be the master or his agent, a reasonable sum for behoof of the apprentice, not exceeding four times the amount of

the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was paid, not exceeding Two Hundred Rupees; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his goods and chattels, and if the offender shall not be the master but his agent, by distress and sale of the goods and chattels of the master also.

XIV. No contract of apprenticeship shall be cancelled, nor shall any master or his agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given to any apprentice by his master or the agent of his master, as may lawfully be given by a father to his child; and the provision for enabling the contract of apprenticeship to be cancelled shall not bar any criminal proceeding against any master or his agent for an assault or other offence committed against his apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the contract of apprenticeship.

XV. Upon complaint made to any Magistrate, by or on behalf of the master of any apprentice bound to him under this Act, of any ill behaviour of such apprentice, or if such apprentice shall have absconded, the Magistrate may issue his warrant for apprehending such apprentice, and may hear and determine the complaint, and punish the offender by an order for keeping the offender if a boy in confinement in any debtor's prison or other suitable place, not being a criminal gaol, for any time not exceeding one month, of which one week may be in solitary confinement, during which time such allowance shall be made for his subsistence by the master or his agent as the Magistrate shall order; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped: or, if the offender be a girl, or in the case of any boy, the Magistrate deem any such punishment unfit, he may pass an order empowering the master of the apprentice or his agent to keep the offender in close confinement in his own house, or on board the vessel to which he belongs, upon bread and water, or such other plain food as may be given without injury to the health of the apprentice, for a period not exceeding one month.

XVI. Upon complaint of wilful and repeated ill behaviour on the part of the apprentice, and on the demand of the master, the Magistrate may order the contract of apprenticeship to be cancelled, whether or not the charge is proved; but only with the consent of the apprentice and of his father or guardian, if the charge is not proved: and such cancelling shall be with or without refund of the whole or part of any premium that may have been paid to the master on binding such apprentice, as to the Magistrate seems fit on consideration of the case; and all sums so refunded shall be applied under the direction of the Magistrate for behoof of the apprentice.

XVII. The Magistrate may order any sum recovered for behoof of the apprentice on cancelling the contract to be either laid out in binding him to another master, or otherwise for his benefit, or to be paid to the person by whom any premium was paid when he was bound apprentice.

XVIII. No Magistrate shall entertain a complaint on the part of a master against an apprentice under this Act, unless it be brought within one month after the cause of complaint arose; or, if the cause of complaint arose on board ship during a voyage, within one month after the arrival thereof at a port or place in the said territories: and no Magistrate shall entertain a complaint on the part of an apprentice against his master or the agent of his master under this Act, unless it be brought within three months after the cause of complaint arose; or if the cause of complaint arose on board ship during a voyage within three months after the arrival thereof at a port or place in the said territories.

XIX. If the master of any apprentice shall die before the end of the apprenticeship, the contract of apprenticeship shall be thereby determined; and a proportionate part, corresponding to the unexpired portion of the term, of any premium, which shall have been paid to such master on the binding of the apprentice to him, shall be returned by the executors or administrators out of the estate of the deceased to the person or persons who shall have paid the same; unless the executors or administrators of the deceased master shall continue the business in which such apprentice shall have been employed, and shall, within three months from the death of the late master, make offer in writing to keep the apprentice on the terms of the original contract; in which case the estate of the deceased shall be discharged from all liabilities on account of such premium.

XX. If such offer to keep the apprentice shall be made as aforesaid, the same shall be fully expressed and certified by the executors and administrators on the original contract of apprenticeship; and also on the office copies thereof, by the Magistrate or Registering Officer; and the apprentice shall be bound to the executors or administrators so keeping him for the remaining term of his apprenticeship.

XXI. Any apprentice bound under this Act, whose master shall die during the apprenticeship, shall be entitled to maintenance for three months from and after the death of his master, out of the assets left by him; provided that during such three months such apprentice shall continue to live with, and serve as an apprentice, the executors or administrators of such master, or such person as they shall appoint.

XXII. The apprentice of any person against whom a Commission of Bankruptcy shall be issued, or who shall be adjudged to have committed an act of insolvency, during the apprenticeship, shall be discharged from all obligation under the contract of apprenticeship; and, if any premium was paid on binding him as an apprentice, he or the person by whom he was bound shall be entitled to claim the amount thereof, as a debt against the estate of the Bankrupt or Insolvent.

XXIII. For the purposes of this Act all British subjects, wherever or of whatever parents born, as well as other persons in the territories under the government of the East India Company, without the Towns of Calcutta and Madras, and the Town and Island of Bombay, shall be amenable to the jurisdiction of the Courts and Magistrates of the East India Company.

XXIV. An appeal shall lie from any order passed by any Magistrate without the said Towns and Island to the Court of Session to which such Magistrate is subordinate; provided the appeal is made within one month from the date of the order.

XXV. In this Act the words "master," "owner," "person" and the pronoun, "he" shall be understood to include several persons as well as one person, and females as well as males, and bodies

The following Act passed by the Governor General of India in Council on the 11th April 1850 is hereby promulgated for general information:

ACT No. XIX. OF 1850.

Concerning the binding of Apprentices.

For better enabling children, and especially orphans and poor children brought up by public charity, to learn trades, crafts and employments, by which, when they come to full age, they may gain a livelihood, It is enacted as follows:

I. Any child, above the age of ten, and under the age of eighteen years, may be bound apprentice by his or her father or guardian to learn any fit trade, craft or employment, for such term as is set forth in the contract of apprenticeship, not exceeding seven years, so that it be not prolonged beyond the time when such child shall be of the full age of twenty-one years, or in the case of a female, beyond the time of her marriage.

II. The age set forth in the contract shall be evidence of the age of the child, in all questions which arise as to the right of the master to the continuance of the service.

III. Any Magistrate or Justice of the Peace may act with all the powers of a guardian under this Act, on behalf of any orphan, or poor child abandoned by its parents, or of any child convicted before him, or any other Magistrate, of vagrancy, or the commission of any petty offence.

IV. An orphan or poor child, brought up by any public charity, may be bound apprentice by the Governors, Directors or Managers thereof, as his or her guardians for this purpose.

V. Any such boy may be bound as an apprentice in the sea service to any of Her Majesty's subjects, being the owner of any registered ship belonging to and trading from any port in the territories under the government of the East India Company, which has been declared to be a registering port under Act X. 1841, to be employed in any such ship the property of such person, commanded by a British subject, and, while so employed, to be taught the craft and duty of a seaman.

VI. Any such boy may be bound in like manner for sea service in any ship of the East India Company belonging to any such port, commanded by a British subject, in which case the contract shall be made with the Master Attendant at such port, or any officer appointed to represent the East India Company in this behalf, who shall appoint the ship in which such apprentice is to serve from time to time.

VII. The Master or Commander of any ship in which an apprentice bound to the sea service shall be appointed to serve by the party to whom he is bound, shall be deemed the agent of such party for the purpose of this Act.

VIII. Every contract of apprenticeship shall be in writing, according to the form given in the Schedule (A.) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the apprentice, the term for which he is bound, and what he is to be taught.

IX. Every such contract shall be signed by the person to whom the apprentice is bound, and by the person by whom he is bound, and by the apprentice, when he is of the age of fourteen years or more at the time of binding; but, when the apprentice is bound by the Governors, Directors or Managers of a Public Charity, the signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the apprentice.

X. No such contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the office of the Chief Magistrate of the place or district where it has been executed, or if the apprentice is bound to the sea service, in the office of the person appointed under Act X. 1841, to make registry of ships at the port where the apprentice is to begin his service; and the person in whose office any such contract is deposited shall give to each of the parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the contract, without formal proof of the handwriting of the Magistrate or Registering Officer.

XI. The terms of service may be changed at any time during the apprenticeship, or the contract may be determined, with the consent of both parties to the contract or their personal representatives, and with the consent of the apprentice, if he is above the age of fourteen years; provided, that the changes agreed to or the termination of the contract shall be expressed in writing on the original contract, with the signature of the proper parties according to Section VIII. of this Act; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XII. The master of any apprentice bound under this Act may, with the consent of the person by whom he was bound, and with the consent of the apprentice, if he is above the age of fourteen years, assign such apprentice to any other person, who is willing to take him for the residue of his apprenticeship, and subject to the conditions thereof; provided that such person shall, by endorsement under his own hand on the contract, declare his acceptance of such apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and signed by them respectively: And every such assignment shall be certified on the office copies of the contract under the hand of the Magistrate or Registering Officer according to the form given in Schedule (B.) annexed to this Act.

XIII. Upon complaint made to any Magistrate in the said territories by or on behalf of any apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the contract of apprenticeship, or of cruelty, or other ill-treatment by his master, or by the agent under whom he shall have been placed by his master, the Magistrate may summon the master or his agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint; and at such time, whether the master or his agent be present or not, (service of the summons being proved), may examine into the matter of the complaint; and, upon proof thereof, may cancel the contract of apprenticeship, and assess upon the offender, whether he shall be the master or his agent, a reasonable sum for behoof of the apprentice, not exceeding four times the amount of the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was paid, not exceeding Two Hundred Rupees; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his goods and chattels, and if the offender shall not be the master but his agent, by distress and sale of the goods and chattels of the master also.

XIV. No contract of apprenticeship shall be cancelled, nor shall any master or his agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given, to any apprentice by his master or the agent of his master, as may lawfully be given by a father to his child; and the provision for enabling the contract of apprenticeship to be cancelled shall not bar any criminal proceeding against any master or his agent for an assault or other offence committed against his apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the contract of apprenticeship.

XV. Upon complaint made to any Magistrate, by or on behalf of the master of any apprentice bound to him under this Act, of any ill behaviour of such apprentice, or if such apprentice shall have absconded, the Magistrate may issue his warrant for apprehending such apprentice, and may hear and determine the complaint, and punish the offender by an order for keeping the offender if a boy in confinement in any debtor's prison or other suitable place, not being a criminal gaol, for any time not exceeding one month, of which one week may be in solitary confinement, during which time such allowance shall be made for his subsistence by the master or his agent as the Magistrate shall order; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped: or, if the offender be a girl, or in the case of any boy, the Magistrate deem any such punishment unfit, he may pass an order empowering the master of the apprentice or his agent to keep the offender in close confinement in his own house, or on board the vessel to which he belongs, upon bread and water, or such other plain food as may be given without injury to the health of the apprentice, for a period not exceeding one month.

XVI. Upon complaint of wilful and repeated ill behaviour on the part of the apprentice, and on the demand of the master, the Magistrate may order the contract of apprenticeship to be cancelled, whether or not the charge is proved; but only with the consent of the apprentice and of his father or guardian, if the charge is not proved: and such cancelling shall be with or without refund of the whole or part of any premium that may have been paid to the master on binding such apprentice, as to the Magistrate seems fit on consideration of the case; and all sums so refunded shall be applied under the direction of the Magistrate for behoof of the apprentice.

XVII. The Magistrate may order any sum recovered for behoof of the apprentice on cancelling the contract to be either laid out in binding him to another master, or otherwise for his benefit, or to be paid to the person by whom any premium was paid when he was bound apprentice.

XVIII. No Magistrate shall entertain a complaint on the part of a master against an apprentice under this Act, unless it be brought within one month after the cause of complaint arose; or, if the cause of complaint arose on board ship during a voyage, within one month after the arrival thereof at a port or place in the said territories: and no Magistrate shall entertain a complaint on the part of an apprentice against his master or the agent of his master under this Act, unless it be brought within three months after the cause of complaint arose; or if the cause of complaint arose on board ship during a voyage within three months after the arrival thereof at a port or place in the said territories.

XIX. If the master of any apprentice shall die before the end of the apprenticeship, the contract of apprenticeship shall be thereby determined; and a proportionate part, corresponding to the unexpired portion of the term, of any premium, which shall have been paid to such master on the binding of the apprentice to him, shall be returned by the executors or administrators out of the estate of the deceased to the person or persons who shall have paid the same; unless the executors or administrators of the deceased master shall continue the business in which such apprentice shall have been employed, and shall, within three months from the death of the late master, make offer in writing to keep the apprentice on the terms of the original contract; in which case the estate of the deceased shall be discharged from all liabilities on account of such premium.

XX. If such offer to keep the apprentice shall be made as aforesaid, the same shall be fully expressed and certified by the executors and administrators on the original contract of apprenticeship; and also on the office copies thereof, by the Magistrate or Registering Officer; and the apprentice shall be bound to the executors or administrators so keeping him for the remaining term of his apprenticeship.

XXI. Any apprentice bound under this Act, whose master shall die during the apprenticeship, shall be entitled to maintenance for three months from and after the death of his master, out of the assets left by him; provided that during such three months such apprentice shall continue to live with, and serve as an apprentice, the executors or administrators of such master, or such person as they shall appoint.

XXII. The apprentice of any person against whom a Commission of Bankruptcy shall be issued, or who shall be adjudged to have committed an act of insolvency, during the apprenticeship, shall be discharged from all obligation under the contract of apprenticeship; and, if any premium was paid on binding him as an apprentice, he or the person by whom he was bound shall be entitled to claim the amount thereof, as a debt against the estate of the Bankrupt or Insolvent.

XXIII. For the purposes of this Act all British subjects, wherever or of whatever parents born, as well as other persons in the territories under the government of the East India Company, without the Towns of Calcutta and Madras, and the Town and Island of Bombay, shall be amenable to the jurisdiction of the Courts and Magistrates of the East India Company.

XXIV. An appeal shall lie from any order passed by any Magistrate without the said Towns and Island to the Court of Session to which such Magistrate is subordinate, provided the appeal is made within one month from the date of the order.

XXV. In this Act the words "master," "owner," "person" and the pronoun, "he" shall be understood to include several persons as well as one person, and females as well as males, and bodies corporate as well as individuals, unless there is something in the context repugnant to such construction.

ACT No. XIX. OF 1850.

Concerning the binding of Apprentices.

For better enabling children, and especially orphans and poor children brought up by public charity, to learn trades, crafts and employments, by which, when they come to full age, they may gain a livelihood, It is enacted as follows:

I. Any child, above the age of ten, and under the age of eighteen years, may be bound apprentice by his or her father or guardian to learn any fit trade, craft or employment, for such term as is set forth in the contract of apprenticeship, not exceeding seven years, so that it be not prolonged beyond the time when such child shall be of the full age of twenty-one years, or in the case of a female, beyond the time of her marriage.

II. The age set forth in the contract shall be evidence of the age of the child, in all questions which arise as to the right of the master to the continuance of the service.

III. Any Magistrate or Justice of the Peace may act with all the powers of a guardian under this Act, on behalf of any orphan, or poor child abandoned by its parents, or of any child convicted before him, or any other Magistrate, of vagrancy, or the commission of any petty offence.

IV. An orphan or poor child, brought up by any public charity, may be bound apprentice by the Governors, Directors or Managers thereof, as his or her guardians for this purpose.

V. Any such boy may be bound as an apprentice in the sea service to any of Her Majesty's subjects, being the owner of any registered ship belonging to and trading from any port in the territories under the government of the East India Company, which has been declared to be a registering port under Act X. 1841, to be employed in any such ship the property of such person, commanded by a British subject, and, while so employed, to be taught the craft and duty of a seaman.

VI. Any such boy may be bound in like manner for sea service in any ship, of the East India Company belonging to any such port, commanded by a British subject, in which case the contract shall be made with the Master Attendant at such port, or any officer appointed to represent the East India Company in this behalf, who shall appoint the ship in which such apprentice is to serve from time to time.

VII. The Master or Commander of any ship in which an apprentice bound to the sea service shall be appointed to serve by the party to whom he is bound, shall be deemed the agent of such party for the purpose of this Act.

VIII. Every contract of apprenticeship shall be in writing, according to the form given in the Schedule (A.) annexed to this Act, or to the like effect, which shall set forth the conditions agreed upon, particularly specifying the age of the apprentice, the term for which he is bound, and what he is to be taught.

IX. Every such contract shall be signed by the person to whom the apprentice is bound, and by the person by whom he is bound, and by the apprentice, when he is of the age of fourteen years or more at the time of binding; but, when the apprentice is bound by the Governors, Directors or Managers of a Public Charity, the signature of two of them, or of their Secretary or Officer, shall be sufficient on behalf of the persons binding the apprentice.

X. No such contract shall be valid unless it be executed in the manner aforesaid, nor until it has been deposited in the office of the Chief Magistrate of the place or district where it has been executed, or if the apprentice is bound to the sea service, in the office of the person appointed under Act X. 1841, to make registry of ships at the port where the apprentice is to begin his service; and the person in whose office any such contract is deposited shall give to each of the parties a copy thereof, certified under his hand, which certified copies shall be received as evidence of the contract, without formal proof of the handwriting of the Magistrate or Registering Officer.

XI. The terms of service may be changed at any time during the apprenticeship, or the contract may be determined, with the consent of both parties to the contract or their personal representatives, and with the consent of the apprentice, if he is above the age of fourteen years; provided, that the changes agreed to or the termination of the contract shall be expressed in writing on the original contract, with the signature of the proper parties according to Section VIII. of this Act; and the Magistrate or Registering Officer shall thereupon make under his hand corresponding endorsements on the office copies, which shall be brought to him at the same time for that purpose.

XII. The master of any apprentice bound under this Act may, with the consent of the person by whom he was bound, and with the consent of the apprentice, if he is above the age of fourteen years, assign such apprentice to any other person, who is willing to take him for the residue of his apprenticeship, and subject to the conditions thereof; provided that such person shall, by endorsement under his own hand on the contract, declare his acceptance of such apprentice, and acknowledge himself bound by the agreements and covenants therein mentioned, to be performed on the part of the master, and that the consent of the other parties aforesaid shall be expressed in writing on the same, and signed by them respectively: And every such assignment shall be certified on the office copies of the contract under the hand of the Magistrate or Registering Officer according to the form given in Schedule (B.) annexed to this Act.

XIII. Upon complaint made to any Magistrate in the said territories by or on behalf of any apprentice bound under this Act, of refusal or neglect to provide for him, or to teach him according to the contract of apprenticeship, or of cruelty, or other ill-treatment by his master, or by the agent under whom he shall have been placed by his master, the Magistrate may summon the master or his agent, as the case may be, if he shall be within his jurisdiction, to appear before him at a reasonable time, to be stated in the summons, to answer the complaint; and at such time, whether the master or his agent be present or not, (service of the summons being proved), may examine into the matter of the complaint; and, upon proof thereof, may cancel the contract of apprenticeship, and assess upon the offender, whether he shall be the master or his agent, a reasonable sum for behoof of the apprentice, not exceeding four times the amount of the premium paid upon the binding, or if no premium, or a less premium than Fifty Rupees was paid, not exceeding Two Hundred Rupees; and, if the offender shall not pay the sum so assessed, may levy the same by distress and sale of his goods and chattels, and if the offender shall not be the master but his agent, by distress and sale of the goods and chattels of the master also.

XIV. No contract of apprenticeship shall be cancelled, nor shall any master or his agent be liable to any criminal proceeding, on account of such moderate chastisement for misbehaviour, given to any apprentice by his master or the agent of his master, as may lawfully be given by a father to his child; and the provision for enabling the contract of apprenticeship to be cancelled shall not bar any criminal proceeding against any master or his agent for an assault or other offence committed against his apprentice, for which he would be liable to be punished, had it been against his child; whether or not any proceedings be taken for cancelling the contract of apprenticeship.

XV. Upon complaint made to any Magistrate, by or on behalf of the master of any apprentice bound to him under this Act, of any ill behaviour of such apprentice, or if such apprentice shall have absconded, the Magistrate may issue his warrant for apprehending such apprentice, and may hear and determine the complaint, and punish the offender by an order for keeping the offender if a boy in confinement in any debtor's prison or other suitable place, not being a criminal gaol, for any time not exceeding one month, of which one week may be in solitary confinement, during which time such allowance shall be made for his subsistence by the master or his agent as the Magistrate shall order; and, if the offender be a boy of not more than fourteen years of age, may order him to be privately whipped: or, if the offender be a girl, or in the case of any boy, the Magistrate deem any such punishment unfit, he may pass an order empowering the master of the apprentice or his agent to keep the offender in close confinement in his own house, or on board the vessel to which he belongs, upon bread and water, or such other plain food as may be given without injury to the health of the apprentice, for a period not exceeding one month.

XVI. Upon complaint of wilful and repeated ill behaviour on the part of the apprentice, and on the demand of the master, the Magistrate may order the contract of apprenticeship to be cancelled, whether or not the charge is proved; but only with the consent of the apprentice and of his father or guardian, if the charge is not proved: and such cancelling shall be with or without refund of the whole or part of any premium that may have been paid to the master on binding such apprentice, as to the Magistrate seems fit on consideration of the case; and all sums so refunded shall be applied under the direction of the Magistrate for behoof of the apprentice.

XVII. The Magistrate may order any sum recovered for behoof of the apprentice on cancelling the contract to be either laid out in binding him to another master, or otherwise for his benefit, or to be paid to the person by whom any premium was paid when he was bound apprentice.

XVIII. No Magistrate shall entertain a complaint on the part of a master against an apprentice under this Act, unless it be brought within one month after the cause of complaint arose; or, if the cause of complaint arose on board ship during a voyage, within one month after the arrival thereof at a port or place in the said territories: and no Magistrate shall entertain a complaint on the part of an apprentice against his master or the agent of his master under this Act, unless it be brought within three months after the cause of complaint arose; or if the cause of complaint arose on board ship during a voyage within three months after the arrival thereof at a port or place in the said territories.

XIX. If the master of any apprentice shall die before the end of the apprenticeship, the contract of apprenticeship shall be thereby determined; and a proportionate part, corresponding to the unexpired portion of the term, of any premium, which shall have been paid to such master on the binding of the apprentice to him, shall be returned by the executors or administrators out of the estate of the deceased to the person or persons who shall have paid the same; unless the executors or administrators of the deceased master shall continue the business in which such apprentice shall have been employed, and shall, within three months from the death of the late master, make offer in writing to keep the apprentice on the terms of the original contract; in which case the estate of the deceased shall be discharged from all liabilities on account of such premium.

XX. If such offer to keep the apprentice shall be made as aforesaid, the same shall be fully expressed and certified by the executors and administrators on the original contract of apprenticeship; and also on the office copies thereof, by the Magistrate or Registering Officer; and the apprentice shall be bound to the executors or administrators so keeping him for the remaining term of his apprenticeship.

XXI. Any apprentice bound under this Act, whose master shall die during the apprenticeship, shall be entitled to maintenance for three months from and after the death of his master, out of the assets left by him; provided that during such three months such apprentice shall continue to live with, and serve as an apprentice, the executors or administrators of such master, or such person as they shall appoint.

XXII. The apprentice of any person against whom a Commission of Bankruptcy shall be issued, or who shall be adjudged to have committed an act of insolvency, during the apprenticeship, shall be discharged from all obligation under the contract of apprenticeship; and, if any premium was paid on binding him as an apprentice, he or the person by whom he was bound shall be entitled to claim the amount thereof, as a debt against the estate of the Bankrupt or Insolvent.

XXIII. For the purposes of this Act all British subjects, wherever or of whatever parents born, as well as other persons in the territories under the government of the East India Company, without the Towns of Calcutta and Madras, and the Town and Island of Bombay, shall be amenable to the jurisdiction of the Courts and Magistrates of the East India Company.

XXIV. An appeal shall lie from any order passed by any Magistrate without the said Towns and Island to the Court of Session to which such Magistrate is subordinate, provided the appeal is made within one month from the date of the order.

XXV. In this Act the words "master," "owner," "person" and the pronoun, "he" shall be understood to include several persons as well as one person, and females as well as males, and bodies corporate as well as individuals, unless there is something in the context repugnant to such construction.

FORT WILLIAM, HOME DEPARTMENT,

THE 22ND APRIL, 1850.

NOTIFICATION.—The following announcement by Her Majesty's Commissioners for the promotion of the Exhibition of the Works of Industry of all Nations to be held in London in 1851, is published for general information.

By order of the President in Council,

FRED. JAS. HALLIDAY,

Secy. to the Govt. of India.

EXHIBITION OF INDUSTRY OF ALL NATIONS.

TO BE HELD IN LONDON IN 1851.

HER MAJESTY'S COMMISSIONERS for the promotion of the EXHIBITION OF THE WORKS OF INDUSTRY OF ALL NATIONS, to be holden in 1851, having had the various subjects of their enquiry under their anxious consideration, are now prepared to state, for the information of the public, the progress they have made in determining on the different points referred to in their announcement of the 11th January last.

The decisions they have been able to come to have been necessarily limited by their present want of knowledge as to what pecuniary means will be placed at their disposal; and the shortness of the time during which this vast organization will have to be completed renders it imperative upon the Commissioners to make an earnest appeal to the Country, to enable them as soon as possible to know upon what amount of subscriptions they may ultimately rely.

The scale upon which this important Undertaking will be conducted, must depend entirely on the amount of pecuniary support which it shall receive from the public. Her Majesty's Commissioners appeal with confidence to all classes of the community, to enable them to make such liberal arrangements as will ensure the success of this Undertaking, in a manner worthy of the character and position of this country, and of the invitation which has been given to the other Nations of the world to compete with us in a spirit of generous and friendly emulation.

The Commissioners have fixed upon the 1st day of May, 1851, for opening the Exhibition.

The Commissioners will be prepared to receive and take care of, at the expense of the Commissioners, all articles which may be sent to them, and delivered at a place to be named by the Commissioners in London, on or after the 1st of January, 1851, and will continue so to receive goods until the 1st of March inclusive; after which day no further goods will be received.

Her Majesty has been graciously pleased to grant a site for this purpose, on the south side of Hyde Park, lying between the Kensington Drive and the Ride commonly called Rotten Row.

From the approximate estimate which the Commissioners have been able to make, they believe that the Building ought to cover a space of from 16 to 20 Acres, or about One Million of Square Feet.

The Productions of all Nations will be exhibited together, under one General Classification.

The Articles exhibited will be divided into Four Sections, as before announced; and a Classified List, together with General Instructions affecting each Department, are appended. Her Majesty's Commissioners wish to express their grateful sense of the valuable assistance which they have received in drawing up that List from the Members of the Sectional Committees.

The Building will be provided to the Exhibitors free from rent, and will be fire-proof.

Exhibitors will be required to deliver their objects, at their own charge and risk, at the Building in the Park; but no charges of any kind will be made whilst they remain there.

Colonial and Foreign productions will be admitted without paying duty, for the purposes of Exhibition, but not for internal consumption. Her Majesty's Commissioners of Customs will consider all such Articles as Bonded Goods; and Her Majesty's Commissioners for the Exhibition of 1851 will make suitable arrangements for their reception.

Her Majesty's Commissioners are desirous that there should be complete local organization, and that the Local Committees, wherever formed, should themselves collect the Subscriptions within their own districts. The Local Committee should advertise all Subscriptions they receive, and defray all local expenses, paying such commission for collection as they may think necessary.

Her Majesty's Commissioners think that the same complete system of organization should be extended as much as possible to the British Colonies.

Subscriptions should be paid to the Treasurers of Local Committees, and by them transferred to the General Fund at the Bank of England, in the names of A. K. Barclay, Esq., W. Cotton, Esq., Sir J. W. Lubbock, Bart., S. M. Peto, Esq., M. P., and Baron Lionel de Rothschild, M. P.

Her Majesty's Commissioners having undertaken the absolute control over the expenditure of all money that may come into the hands of their Treasurers, have made arrangements for auditing accounts, and ensuring the strictest economy.

Her Majesty's Commissioners hope that the funds to be placed at their disposal by voluntary contributions may be such as to enable them so to regulate the amount to be paid for entrance that all classes may be enabled to visit the Exhibition.

Should any surplus remain, after giving every facility to the Exhibitors, and increasing the privileges of the Public as spectators, Her Majesty's Commissioners intend to apply the same to purposes strictly in connection with the ends of the Exhibition, or for the establishment of similar Exhibitions for the future.

However large the Building may be,—the quantity of articles sent for Exhibition may exceed any amount of space that can be provided;—Her Majesty's Commissioners consequently reserve to themselves ample powers of rejection and selection. Upon the amount subscribed must necessarily depend the space which they may be enabled to allot; but under all circumstances they will have to exercise a certain discretion.

Her Majesty's Commissioners also desire that the Local Committees will, as early as possible, procure an inventory or general specification of articles proposed to be exhibited from their Districts, and of the space which will be required for their Exhibition, in order to enable the Commissioners to determine as soon as possible the extent and the proportions of the Building.

Her Majesty's Commissioners are in communication with the Foreign Office concerning the means of informing Foreign Governments of the arrangements making for the Exhibition.

Her Majesty's Commissioners are considering the principles upon which the Prize Fund of £20,000, shall be appropriated, and the best mode of adjudication.

If there be any points upon which Local Committees may require information, and will address themselves to the Secretaries of the Commission, Her Majesty's Commissioners will be happy to afford it to them, so far as it may be in their power.

SECTION II.—MACHINERY.

DIVISION (A.)—MACHINES FOR DIRECT USE.

Machines will be exhibited in motion, whenever it may be desirable to do so, and it may be found practicable to provide the necessary arrangements for that purpose.

DIVISION (B.)—MANUFACTURING MACHINES.

Although in arranging this class for Exhibition, it will generally be found advisable to separate the Products from the Producing Mechanism; yet the latter should always be accompanied with sufficient specimens of the Raw Material, in its several stages of manufacture, and of the finished product, to make the operation of the Machinery intelligible.

The complete series of tools and machinery that belongs to the manufacture of any object of common use, such as a watch, a button, or a needle, accompanied by specimens of the object and its parts, in their various stages of progress, is so instructive and interesting, that it is very desirable to obtain several such series for the proposed Exhibition.

SECTION III.—MANUFACTURES.

Manufactures to be exhibited in this Section must be in their *Finished* state, as fit for use.

All Articles to be admitted in this Section must exhibit one or more of the following qualifications:—

7. Cheapness, relatively to excellence of Production.

SECTION IV.—SCULPTURE, MODELS, AND THE PLASTIC ART.

The Specimens exhibited shall be works of Living Artists.

ARRANGEMENTS MADE BY THE BOARD OF CUSTOMS

To admit Foreign and Colonial Productions, for the purposes of the Exhibition of 1851, *without payment of duty.*

1st. That all Works intended for the Exhibition should, in the first instance, be admitted into this Country without payment of duty; that the Goods should not be subject to examination at the Waterside, but conveyed to the place of Exhibition, at the expense of the Importer, under charge of proper Officers of the Customs, to be there opened by the Importer or his Agent, and examined in the presence of the proper Officer of the Customs, in order to assess the amount of duty which would become payable thereon if sold in this Country, and such marks attached thereto as may be considered necessary to maintain the identity of the Goods.

2nd. That the Goods brought for Exhibition should be considered as warehoused, under the Warehousing Regulations, in the premises appointed for the Exhibition; and that security be given in each case for the due re-exportation of the Goods, or payment of the duty at the close of the Exhibition;—and no Foreign Goods liable to duty to be on any account removed from the premises until the termination of the Exhibition; and then only on payment of the duty, or for re-exportation.

CALCUTTA COURT OF SMALL CAUSES.

Whereas by Act No. IX. of 1850, entitled an Act, for the more easy recovery of Debts and Demands in Calcutta, Madras and Bombay, It is, amongst other things, enacted that—

"The Judges of each Court holden under this Act, subject to the approval of the Judges of the "Supreme Court, shall have power to make and issue all the general rules for regulating the practice and "proceedings of the Court, and also to frame forms for every proceeding in the Court, for which they "shall think it necessary that a form be provided, and also for keeping all books, entries and accounts "to be kept by the Clerk of the Court, and from time to time to alter any such rule or form; and the "rules so made, and the forms so framed, shall be observed and used in the Court of that Presidency, "and shall be sent to the Supreme Court for approval, but shall be of force until disapproved."

In pursuance of such power, therefore, it is hereby ordered, that the following be the

RULES OF PRACTICE FOR THE CALCUTTA COURT OF SMALL CAUSES.

1st. All applications for the usual process of the Court shall be made to the Clerk in writing, setting out the names and designations in full, of Plaintiff and Defendant if known, if not known, describing them by such names and descriptions to the extent to which the same are known, with their last place of abode or business, the cause, or causes of action, and the amount claimed to be recovered.

2nd. The Summons to appear to suits, or actions, shall be issued according to the forms, in the Schedule, and shall be dated, as of the day when issued. Summonses shall be made generally returnable on the seventh day, but may be made returnable in a shorter or longer period at the discretion of the Judge.

3rd. Every such Summons to appear to a suit or action shall be served by one of the Bailiffs of the Court, *two* clear days before the holding of the Court, at which it shall be made returnable.

4th. The service of Summons, to appear to a suit or action, must be, either personal, or by delivering the same, to some person at the place of abode, or place of business of the Defendant, and in such cases as the Judge may deem it necessary, the Plaintiff, or his agent, must accompany the Bailiff to point out the Defendant, or his place of abode, or place of business.

5th. When a Defendant shall be living or serving on board of any Ship or Vessel, or be residing or quartered in any Barracks, and serving Her Majesty or the East India Company, as a Mariner or Soldier, it shall be sufficient service to deliver the Summons, to appear to a suit or action, to the Senior Officer on board, or to the person who may at the time have charge of such Ship, or Vessel; or to the Adjutant of the Corps, or any Officer or Sergeant of the Company to which such Mariner or Soldier shall belong or be attached.

6th. When any Defendant shall, by keeping his house, place of abode, or place of business closed, or by absconding, or by violence or threats, prevent any Bailiff from serving any Summons to appear to a suit or action, as hereinbefore directed, and such Summons shall have been conspicuously fixed on, or near to, such place of abode or place of business, or otherwise served, as nearly as may be according to the mode hereinbefore directed, such service may be deemed good service.

7th. Provided that in all cases where Summons, to appear to a suit or action, shall not have been served personally, and the Defendant shall not appear on the return day, or day for his appearance, it must be proved to the satisfaction of the Judge, that the service of such Summons was regularly made.

8th. When any such Summons, to appear to a suit or action, has not been served as hereinbefore directed, it shall be lawful for the Court to issue another Summons, in continuation of, and founded on, the first Summons, which shall be returned not served; the first Summons shall be deemed the commencement of the suit.

9th. The Bailiff who serves a Summons to appear to a suit or action, shall endorse on a copy of such Summons, the time and manner of the service thereof, and shall produce such copy so endorsed at the Court, on the day in which the Summons shall be returnable, and such copy shall be filed by the Clerk of the Court.

10th. The rules as to the mode of service of Summons, to appear to a suit or action, shall apply to the service of all Summonses, Judgments, Orders, Notices and Processes whatsoever, issuing under the authority of Act IX. of 1850, except as to Summonses to witnesses, service of which must be personal, and to cases in which it shall be otherwise directed by the said Act, or any rule made under the authority thereof.

11th. The Clerk shall keep the several books, and in the form in the Schedule, and every entry in such books shall have a number prefixed, corresponding with the number of the Summons to which it refers.

12th. The Clerk shall also keep a separate book (for the purpose of being submitted to the Judges of the Supreme Court) in which shall be transferred and entered the causes, which may be removed, or the cases which may be sent to the Supreme Court.

13th. The Attachment against Defendant to compel his appearance in Court to answer to the suit or action, shall be made returnable on such a day as the Judge may order, and on the Defendant being arrested under the Writ of Attachment, immediate notice shall be given to the Plaintiff to appear, and on the appearance of the Plaintiff, the cause shall be called on before the Judge, and the appearance of the Defendant being duly noted, the Judge at his discretion, may either then proceed with the cause, or adjourn the hearing to the day, when the Writ of Attachment shall be returnable, or to such other day as he shall direct; and if the Plaintiff shall not appear when the Defendant is brought before the Court in custody, by virtue of the Writ of Attachment, the absence of the Plaintiff and the appearance of the Defendant shall be minuted and the Defendant be discharged from custody, and directed to attend on the day of the return of the Writ of Attachment, and on failure of the Defendant's attendance on the day mentioned, the hearing of the cause shall be proceeded with, notwithstanding the non-appearance of the Defendant; and the Judge may make such order as to costs of Attachment as he may think just.

14th. The Clerk shall grant a receipt or memorandum for every sum paid into Court by the Suitors as Fees or Commission, or on any account whatsoever, and no money shall be paid out of the Court, unless on production of said receipt, or memorandum, or by order of a Judge.

15th. When the Defendant pays money into Court, the sum shall be large enough to include all necessary costs in Court up to that time, incurred by the Plaintiff, together with the costs of notification to be given by the Plaintiff, of his acceptance of the money and the costs of taking the same out of Court; the amount so paid shall be duly registered. A receipt or memorandum shall also be granted by the Clerk to the party for the amount so paid in.

16th. If the Plaintiff elect to accept, in full satisfaction of the debt or damages claimed, and costs, the sum that has been so paid into Court, by the Defendant, and shall notify the same to the Clerk in writing, the action shall be discontinued, and the parties to the suit or action, shall not be liable to any further costs, after such payment and satisfaction to the Plaintiff as aforesaid. But if in default of Plaintiff notifying to the Clerk such acceptance as aforesaid, or otherwise, the suit or action proceed, and the Plaintiff fail to prove that he is entitled to more than has been paid into Court, and the Defendant is put to fresh costs, the Plaintiff shall be liable to pay to the Defendant such costs as the Defendant may incur after such payment.

17th. The causes settled by agreement of the parties must be reported to the Clerk by the Plaintiff, or his constituted agent, previous to the day of the return of Summons, or to the Judge at the time when the Cause is first called in Court, on the return day of the Summons.

18th. When a Defendant is desirous to set-off any debt, or demand alleged to be due to him by the Plaintiff, he must state the particulars of such set-off to the Clerk one clear day before the return of Summons, unless the Court shall fix some other day for stating the same.

19th. When a Defendant intends to rely on the Special Defence of Infancy, Coverture, the Statute of Limitations, or his discharge under the Statute relating to Insolvent Debtors, he must be personally present in Court on the day of appearance to the Summons, and orally plead such defence before the Judge, or if unable to attend, by reason of illness or other allowable cause of absence, he must state in writing such special defence to the Clerk at the time of his appearance.

20th. No new trial shall be granted unless application be made within four days after judgment, and without leave of the Court having been first obtained, and before such application for leave shall be made, the party making such application, shall deposit in Court the whole amount of the debt or damages decreed against him, with costs thereon, and shall give notice, in writing, of such application to the Clerk at his office, at the time of making such deposit. The Clerk, on such application being granted, shall cause a Summons for such new trial, in the usual form to be served on the other party.

21st. No. 280 *of* 1850.—Several instances of inattention, on the part of Commanding Officers, to the General Orders of the 17th January 1829 and 30th September 1847, on the subject of Orders creative of expense, having recently been brought to the notice of Government, the Hon'ble the President in Council is pleased to republish those Orders, and to intimate to Officers in Command, that they will henceforth be held responsible for a strict observance of the rules therein laid down for their guidance.

"*General Orders by the Right Hon'ble the Governor General in Council, No.* 14, *dated Fort William,* 17*th January* 1829.

"In continuation of General Orders, No. 105, of the 16th May 1828, prohibiting the construction or alteration of Public Buildings, till the sanction of Government shall have been obtained, except in cases where the public interests would obviously suffer by the delay of a reference, the Governor General in Council is pleased to direct, that, when such exigencies as are above adverted to do occur, the Officer under whose authority Buildings, Repairs, or Works of any description, productive of expense, may be commenced upon, shall, on the day on which the execution of the Work is ordered, make a detailed report to the Military Board of the circumstances which constitute the emergency; which report will be forwarded by the Board, with their observations, for the consideration of Government."

"*General Orders by the Right Hon'ble the Governor General of India, dated Simla,* 30*th September* 1847.

"The Right Hon'ble the Governor General having had under consideration the several Rules now in force on the subject of Orders creative of expence, issued by Officers Commanding Divisions, Districts, Stations, Forces, Corps, Detachments or Posts, His Lordship is pleased, for the purpose of ensuring uniformity of practice in future, to direct as follows:

"2. Whenever an Officer Commanding a Division, District, Station, Force, Corps, Detachment or Post, shall deem it necessary to issue an order, directing the entertainment of any extra Establishment, or any other arrangement creative of extra expense to the State, the Commissariat or other Departmental Officer on whom compliance with such Order devolves, shall, if the order would not cause any excess to what is authorized in like cases by the usages or regulations of the Service, immediately carry it into effect.

"3. If such order should involve expense beyond what the usage or regulation allows, the Departmental Officer shall at once represent the excess to the Officer issuing the order, and if, on such representation, the Commanding Officer considers the excess unavoidable from the nature of the exigency, the Departmental Officer will comply with the order, so that the interests of the Service may not be prejudiced, nor the movements of Troops retarded.

"4. The Officer issuing such order will, in all cases, submit a copy of it, in duplicate, to the Adjutant General of the Army, with full explanation of the circumstances under which it may have been issued, more particularly in cases where the regulations may have been exceeded; and should the Commander-in-Chief see no objection, His Excellency will be pleased to forward the order for the consideration of Government, with such observations as may be deemed necessary.

"5. The confirmation of such order by the Commander-in-Chief, under the sanction of Government, will be sufficient authority for passing the charges, should the rates be unobjectionable."

MARINE COURT.

At a Court assembled on Tuesday, the Ninth day of April One Thousand Eight Hundred and Fifty, under Act No. 24 of 1845, Mr. Master Pilot Thomas Warden was tried on the following Charge:

CHARGE.—Mr. Master Pilot Thomas Warden, placed under arrest by order of the Superintendent of Marine, on the following Charge:—

For having on Saturday the Twenty-third of March last, whilst in pilotage charge of the Hon'ble Company's Steam Frigate *Feroze*, wilfully, ignorantly, or negligently, grounded that vessel on the James and Mary's Sand and thereby placed her in imminent danger.

By order of the Superintendent of Marine,

(Sd.) JAMES SUTHERLAND,
Secretary.

Fort William,
The 5th April, 1850.

FINDING.—The Court having maturely weighed and considered the evidence brought forward in support of the prosecution, together with that adduced on the defence, is of opinion that the defendant Mr. Master Pilot Thomas Warden is Guilty of the Charge preferred against him, with the exception of the word "Wilfulness," of which the Court acquits him.

SENTENCE.—The Court having found the Defendant Guilty, to the extent specified, do adjudge him the said Mr. Master Pilot Thomas Warden, to lose three steps, and his name to be placed on the list of Pilots below that of Mr. Mate Pilot Cornelius Rogers, and above that of Mr. Mate Pilot Henry Shearman Ransom.

President.

Judge Advocate.

Fort William,
Master Attendt.'s Office,
The 3rd May, 1850.

2. The Proceedings having been submitted to Government, His Honor the Deputy Governor of Bengal has been pleased to communicate his decision on the case as follows:

Para. 1st. "I am directed by the Deputy Governor of Bengal to acknowledge the receipt of your letter No. 1640, dated the 7th instant, submitting the Minutes of Proceedings held on the trial of Mr. Master Pilot Thomas Warden, charged with having, on the 23rd of March last, whilst in pilotage charge of the Hon'ble Company's Steam Frigate *Feroze*, grounded that vessel, through wilfulness, ignorance, or negligence, on the James and Mary's Sand.

2nd. The Court of Enquiry have found Mr. Warden Guilty of having grounded the *Feroze* through ignorance or negligence, and they have sentenced him for that offence to a loss of three steps.

3rd. His Honor approves and confirms this finding, which he considers completely supported by the evidence adduced on the trial; but he concurs with you in your opinion that the loss of three steps is an inadequate punishment for the very heavy offence of which Mr. Warden has been found Guilty.

4th. As you have stated in your Report upon the trial "either through negligence or culpable "ignorance, Mr. Warden did not keep the "*Feroze* in the channel where the deepest water "was known to be, and he allowed the vessel to "ground where the whole force of the flood-tide, "as it rose, tended to drive her further on "the bank."

5th. The Deputy Governor must observe that if such culpable ignorance, or such negligence when it involves the imminent risk of the total loss of the vessel in pilotage charge, should come to be treated as no very grave offence in a Pilot, the risk of navigating this river would be very much increased.

6th. His Honor however will carry the sentence into effect. He observes that it reduces Mr. Warden from the grade of Master Pilots to that of Mate Pilots.

7th. Mr. Warden's name will be placed in the list of Pilots next below that of Mr. Mate Pilot Cornelius Rogers, and next above that of Mr. Mate Pilot Henry Shearman Ransom.

3. In conformity with the above decision, the Master Attendant has been desired to place Mr. Thomas Warden's name, in the list of Pilots below that of Mr. Mate Pilot Cornelius Rogers, and next above that of Mr. Mate Pilot Henry Shearman Ransom, and to release him from arrest and allow him to return to his duty.

By order of the Superintendent of Marine,

(Sd.) JAMES SUTHERLAND.
Secretary.

No. 302 of 1850.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

FORT WILLIAM, THE 23RD MAY, 1850.

The following Rules to amalgamate Regimental Savings' Banks with the Government Savings' Bank, at each of the Presidencies of Bengal, Fort St. George and Bombay, having been sanctioned by the Hon'ble the Court of Directors, in their Military Letter to the Government of India, No. 6, of the 19th March 1850, are promulgated for general information, and are to have immediate effect at the Three Presidencies:

1. Regimental Savings' Banks having been established in every Regiment and Depôt of H. M.'s Troops, whether serving in Great Britain or abroad, under Royal Warrant, dated 11th October 1843, a copy of which is subjoined, and certain Rules connected therewith having been promulgated by His Excellency the Commander-in-Chief in India, in General Order to H. M.'s Troops, dated 27th March 1846, it is expedient that the Regimental Savings' Banks attached to H. M.'s Regiments in the Indian Presidencies, shall hereafter work as Branch Banks of the Government Savings' Banks established at Calcutta, Madras and Bombay, according as the Regiments may be serving in each of the Three Presidencies.

2. Captains or Officers Commanding Troops or Companies, therefore, are authorized to receive sums that Non-Commissioned Officers and Soldiers under their Command may from time to time desire to deposit.

3. On Soldiers' deposits reaching Company's Rupees 500, (five hundred) the amount is to be invested in 4 per Cent. Treasury Notes, in the manner laid down in Government General Orders, dated 10th October 1848, No. 389.

4. The Receiving Officers are to transfer all monies received in deposit to the Regimental Pay Masters who will account for the same to the Pay Master Queen's Troops at the Presidency, by furnishing him with a Statement exhibiting the Name, Rank, Regimental Number and Amount of each Depositor; and the Pay Master to the Queen's Troops will deduct all such receipts in Regimental Pay Masters' Treasuries, from their monthly requirement for Regimental Disbursements. The Pay Master to the Queen's Troops will transmit a consolidated detailed Statement of the deposit of each Regiment as per Form A. to the Government Savings' Bank. From this Statement credit will be passed in the Government Savings' Bank account to the several parties depositing. The Government Savings' Bank will keep a separate Ledger for the deposits of each Regiment.

5. Interest at 4 per cent. per annum on Soldiers' deposits, referred to in the preceding rule, will be allowed from the 1st of the month in which the deposits are actually made in the Regimental Savings' Bank and up to the last day of the month preceding that in which they shall be withdrawn. No Interest is allowed on fractional parts of a Rupee.

NOTE.—Tables of Interest will be furnished to Regimental Pay Masters through the Pay Master Queen's Troops at the Presidency.

6. In the event of withdrawal from Regimental Savings' Banks, the refund is to be made under the Provisions of the Royal Warrant, referred to, from the Treasury of the Regimental Pay Master. Every Regimental Pay Master will be held responsible for any error of calculation of Interest; and, with a view to his security, he is required to send intimation by the same day's post in which he refunds a deposit with Interest, to the Secretary to the Government Savings' Bank, accompanied by a Statement of the name of the withdrawer, his Regimental Rank and Number, the Amount Principal and Interest paid, all distinctly shewn in separate columns. The Secretary on receipt of this intimation, will, by the same day's post, acknowledge the receipt of the advice, pointing out error for recovery, should any occur.

7. Regimental Pay Masters are required to furnish the Pay Master Queen's Troops at the Presidency with a monthly consolidated Statement of withdrawals during the month, immediately after the close of each month; and the Pay Master Queen's Troops will add at foot of the Monthly Statement he is required by Rule IV. to furnish to the Government Savings' Bank in detail the month's withdrawals, and he will allow Regimental Pay Masters in Account Current with him credit for the aggregate of the amount withdrawn.

8. The year of Account opens on the 1st May and closes 30th April. The Government Savings' Bank closes its Accounts on the 30th April of every year, and the interest due at that period will be either paid to the Depositor or carried to account thenceforward to accumulate at compound yearly Interest.

9. Commanding Officers of Her Majesty's Regiments will send to the Secretary to the Government Savings' Bank an Account Current of each Depositor from their Regimental Ledgers closing yearly on the 30th April, as soon after the balance shall have been carried forward into the Ledger of the succeeding year as practicable; the Government Savings' Bank will then apply the necessary check, and return the Account Current with a certificate of accuracy.

10. In order that a Soldier on quitting India may not be deprived of the advantage of continuous Interest upon his accumulations, after the payment by the East India Company of Interest on his deposits has ceased by his removal from the Indian Presidencies, all deposits in the Savings' Bank belonging to Men of Her Majesty's Service, who may be returning home with their Regiment, will be paid over to the Pay Master to the Queen's Troops, to be included by him in Separate Remittance Rolls, in the manner laid down in Government General Orders, dated 16th October 1848, No. 389. so that the Soldier may receive Interest on his accumulations from his Regimental Savings' Bank from the date following that on which payment has ceased in India, or any other date that the Secretary at War may determine, as contemplated in War Office letter, extract

para. 7 annexed, dated 18th November 1843 to the Secretary to the Board of Control, copy whereof was received in the Hon'ble the Court of Directors' Military Letter No. 10, of 1844, to the Governor General of India in Council.

11. The Deposits and Effects of Soldiers dying in India and leaving Orphans who are minors, are to be invested in the names of the Officer Commanding the Regiment, the Officer second in Command and the Adjutant of the Regiment, each for the time being as Trustees for the Orphans. Upon the return of a Regiment to England the balances due to Orphan Minors who proceed home with the Regiment are to be transferred in the same manner as Soldiers' deposits, and the balances due to Orphan Minors who remain in India are to be transferred from the Regimental to the Government Savings' Bank to be dealt with according to the rules of the Bank applicable to minors.

12. With exception to the modification necessary to the incorporating of the Rules of Regimental Savings' Bank with those of the Government Savings' Bank, the provisions of the Royal Warrant dated 11th October 1843 for establishing and regulating Regimental Savings' Banks are to have full force and effect in all respects.

13. The spirit of the preceding Rules is alike applicable to the Company's Troops.

Offg. Secy. to the Govt. of India, Mily. Dept.

WARRANT FOR ESTABLISHING AND REGULATING REGIMENTAL SAVINGS' BANKS,

VICTORIA R. *Dated 11th October,* 1843.

WHEREAS it has been represented to Us that it is expedient to afford to the non-commissioned officers and soldiers of Our army facilities for depositing their savings: Our will and pleasure is, that there be established in every Regiment and Depôt of Our regular Cavalry and Infantry a Regimental Savings' Bank for the safe custody and increase of such savings, and that the following regulations shall be observed and obeyed wherever Our Troops may be serving (the territorial possessions of the East India Company alone excepted), as Our sole authority for the establishment thereof, viz.:—

I. That officers commanding troops and companies shall receive as public money, to be applied to the payment of those public services which it is their duty to defray, such sums as the non-commissioned officers and soldiers under their command may from time to time desire, and be entitled, to deposit in the Savings' Bank of the regiment.

II. That the maximum of each soldier's deposit shall be limited to 30*l.* in any one year, and to 200*l.* in the whole.

III. That the rate of interest upon deposits shall be 3*l.* 15*s.* per cent. per annum, but that no interest shall be allowed upon any other parts of a pound sterling than 6*s.* 8*d* and 13*s.* 4*d.*, nor upon any sums that have not remained in deposit for at least one month, to be reckoned from the last monthly muster-day, and that interest shall only be allowed upon sums withdrawn up to the muster-day preceding the day the deposit is withdrawn, unless such day shall be the muster-day.

Interest upon all sums in deposit shall be added to the principal quarterly, and shall thenceforward bear interest.

IV. That when a soldier shall be desirous of withdrawing the whole, or any part of his deposit, he shall give at least seven days' notice to the captain or officer commanding the troop or company to which he belongs, in order that the necessary arrangements may be made for repayment of the amount at the next day of monthly muster; but if such captain or officer commanding shall be satisfied of the urgency of the case, and that the immediate withdrawal of the deposit would be for the advantage of the soldier, he may direct payment to be forthwith made.

Whenever the officer commanding the troop or company shall have grounds for believing that the soldier intends to make an improper use of his money, he will be permitted to withhold the privilege of withdrawing the deposit until the Commanding Officer of the regiment shall determine whether it should be then issued or not; and should the officer commanding deem it essential to the discipline of the regiment to withhold from a soldier the privilege of withdrawing his deposits, he shall report specially to the Commander-in-Chief and to the Secretary-at-War the circumstances under which he has felt himself compelled to exercise this power.

V. That all monies deposited by the soldier in the Regimental Savings' Bank shall be held strictly in trust for his own use and benefit, and shall on no account be transferable to any third party, either by endorsement, conveyance, or otherwise, and shall not be affected by any debts contracted by him, nor be made available for any purpose whatever,

except under his own order, signified to the officer commanding his troop or company: and such monies shall, if possible, be paid to the soldier personally, and in all cases his receipt shall be obtained, and shall be attached to the Troop or Company Savings' Bank Ledger.

VI. That upon the discharge of a soldier, his deposits may remain at interest in the Regimental Savings' Bank for a period not exceeding six months, after which time interest shall cease; but, if required by the soldier, the principal may be retained without interest for a longer period for security.

VII. That at the death of a soldier interest on his deposits shall cease from the muster-day next after his death, and the amount of his deposits, with the interest accumulated thereon, shall be added to his other effects, and be reported to Our Secretary-at-War, to be disposed of in the usual manner to the legal representative of the deceased, as prescribed in Our Articles of War.

VIII. That a soldier convicted by a Court Martial of desertion, or recorded by a Board of Officers in the usual manner as a deserter, shall forfeit to the public all monies he may have in the Regimental Savings' Bank, and such forfeiture shall only be remitted by Our authority, signified by Our Secretary-at-War.

IX. That to prevent parties not in military employ from availing themselves of the advantages afforded by these Banks, as well as to prevent larger sums from being accumulated at interest for any one soldier than is permitted by this Warrant, no non-commissioned officer or soldier is, on any pretence whatever, to deposit in his own name the money of another person, whether a soldier or not; and in case any soldier shall so deposit the money of another person, we hereby direct that, in addition to any punishment which a Court Martial may award for the fraud thus committed, all sums so deposited shall be forfeited to the public, and one-half of the amount, not exceeding 5*l.*, shall be allowed to the informer.

X. That a non-commissioned officer shall be selected by the officer commanding to act as clerk to the Regimental Savings' Bank, and that such clerk shall be allowed for keeping the accounts of the depositors such compensation as Our Secretary-at-War shall direct.

XI. That instructions as to the mode of accounting for the deposits made under this warrant be issued, from time to time, by Our Secretary-at-War.

XII. That during active operations in the field, or whenever circumstances may render it impracticable to attend to the details of the Savings' Banks, the General Officer in command may direct the temporary suspension of this warrant; but all sums then actually in deposit under the provisions of this warrant shall bear interest in the same manner as if the warrant had not been suspended.

XIII. Such special deviations from the foregoing rules and regulations as may appear advisable to Us, will be directed by Our Secretary-at-War, with whom alone it rests to interpret the true intent and meaning of any passage in this warrant upon which a doubt may arise.

Given at Our Court at Windsor, this 11th day of October, 1843, in the Seventh year of Our Reign.

By Her Majesty's Command,

H. HARDINGE.

Instructions referred to in the Warrant for establishing and regulating Regimental Savings' Banks.

I. In the Orderly Room of every regiment or depôt of cavalry and infantry, there shall be kept under lock and key, under the inspection of the Commanding Officer, the Officer second in command, and the Adjutant, a Regimental Savings' Bank Ledger, in which shall be entered the Savings' Bank account of every soldier.

II. The entries shall be made in the Regimental Ledger by troops or companies, so that the amount of each troop or company shall be kept separate, and upon the transfer of a soldier from one troop or company to another, a transfer of his account shall be made in the Regimental Savings' Bank Ledger.

III. The Clerk selected and appointed by the Commanding Officer shall make all the entries in the Regimental Savings' Bank Ledger.

IV. Each Captain or Officer commanding a troop or company shall keep a Savings' Bank Ledger for the accounts of the non-commissioned officers and men of his troop or company.

V. The Regimental Ledger and the Troop or Company Ledger are to be prepared upon the accompanying Form No. 1.

VI. Deposits of Savings (not under one shilling), can only be made, and entered in the Troop or Company Ledgers, and in the Regimental Ledger, once in each month, viz. on the day of monthly settlement, when all sums withdrawn will be also entered. The Captain or officer commanding the troop or company, will, by his signature in the Troop or Company Ledger, acknowledge the receipt of all deposits made, and the soldier will in like manner acknowledge the receipt of all sums withdrawn.

VII. The Captain or officer commanding the troop or company will appropriate to the payment of his men the balance in his hands, and will draw upon the Pay Master for any sums he may require to repay deposits withdrawn, and the credit or debit of the Savings' Bank account will appear in the monthly abstract for each troop or company. Immediately after the monthly muster, the Captain or officer commanding the troop or company will send a statement of his receipts and payments in the Form No. 2, hereunto annexed, to the Orderly Room, that the account of every soldier may be entered in the Regimental Savings' Bank Ledger. From these several statements an account will be prepared of the balance of the total receipts and repayments in each troop or company in the preceding month, and being signed by the officer commanding, the Officer second in command, and the Adjutant, will be transmitted by the Commanding Officer to the Regimental Pay Master, or Acting Pay Master, to enable him to compare the same with the receipts and payments stated in the several troop or company abstracts, and as an authority to him to charge or credit the Captains with such sums as they may have received or paid.

VIII. At the end of every quarter the Troop or Company Ledgers are to be compared with the Regimental Ledger by the Officer commanding, the Officer second in command, and the Adjutant, and the Officer commanding will transmit to the Secretary-at-War each quarter a Certificate, in the Form annexed No. 4, that this comparison has been made. Should a Troop or Company be absent from head-quarters, the comparison of the Ledger of that Troop or Company may be deferred until it return to head-quarters; but such delay must be reported upon the Quarterly Certificate, and a Certificate, duly signed, that the comparison has been made, must be transmitted to the Secretary-at-War upon the return of the said Troop or Company to head-quarters.

IX. The Regimental Savings' Bank Ledger, certified by the Commanding Officer, the Officer second in command, and the Adjutant, to have been compared with the several Troop or Company Ledgers, and the monthly statements of each Troop or Company are to be transmitted to the War Office at the end of each year so soon as the balances of each depositor shall have been carried forward into the Regimental Ledger of the succeeding year, but within the time prescribed for the transmission of the Quarterly Pay List to the 31st of March.

X. The Secretary-at-War, after auditing the Savings' Bank Ledger, and satisfying himself that the money has been duly brought to account by the Pay Master, will furnish the officer commanding the regiment with a declaration that the account of the Regimental Savings' Bank, to that date, has been audited and found correct, and will become responsible to the depositors that the amount due to each, with interest, shall be paid out of public money.

The declaration of the Secretary-at-War will be preserved in the Orderly Room; and the Commanding Officer will notify to the officers commanding troops or companies that the account of the Regimental Savings' Bank has been audited to that date, and admitted by the Secretary-at-War to be correct.

The following extract of a Military Letter from the Hon'ble the Court of Directors, No. 31, dated the 19th March 1850, is published for the information of the Army:

"Para. 5. We have perused with satisfaction these proceedings, as exhibiting the spirit of gallantry and excellent service of a Wing of the 11th Light Cavalry, while in Action with the Enemy at Mooltan, on the 7th November 1848, on which occasion some Guns, and a Standard were captured, the Standard having been taken by Lieutenant (now Captain) Edward Vibart, Commanding the 2nd Troop, by cutting down the Standard Bearer. We entirely approve of this Trophy having been presented to the Regiment as an Honorary Standard.

"Para. 6. We would call your attention to the present, as an opportunity which, with advantage to the Service may be taken for the restoration to the Army of No. Two, of the Ten Cavalry Regiments of your Establishment, a No. which was lost by the misconduct of a part of the 2nd Regiment of Light Cavalry in the year 1840. If, in consideration of the gallantry displayed by the 11th, raised instead of the 2nd Regiment, you shall, after reference to His Excellency the Commander in Chief, see no objection to this act of grace, we authorize you to carry it into effect."

In accordance with the above expressed wish of the Hon'ble the Court of Directors, the Most Noble the Governor General, with the concurrence of His Excellency the Commander in Chief, has much satisfaction in restoring the 2nd Regiment of Cavalry to the Rolls of the Bengal Army, by directing the present 11th Regiment to be called from this date, the 2nd Regiment of Light Cavalry.

NOTIFICATION. — The following Statement which has been promulgated by Her Majesty's Commissioners for the promotion of the Exhibition of the Works of Industry of all Nations to be held in London in 1851, together with an Extract of a letter from the Secretaries to the Commissioners to the address of the Secretary at the India House, is published for general information.

By order of the Hon'ble the President of the Council of India in Council,

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Exhibition of Industry of all Nations, to be holden in London in 1851.

PALACE OF WESTMINSTER, *14th March,* 1850.—Her Majesty's Commissioners for the promotion of the Exhibition of the Works of Industry of all Nations to be holden in London in the year 1851, after careful consideration of the arrangements to be made for the admission of the productions of foreign countries to the Exhibition, have directed the publication of the following statement for the information and guidance of Foreign Exhibitors.

The Commissioners have already given notice that, however large may be the building that is to be erected, it is necessary that they should reserve to themselves ample powers of selection and rejection in respect of the articles which may be forwarded for exhibition. The necessity for making some provision for limiting the extent, and defining the character, of the Exhibition, is too obvious to need any comment: but the mode in which the powers thus reserved should be exercised, particularly with reference to the productions of foreign countries, is a matter requiring very serious deliberation.

The Commissioners have felt that it would be desirable, as far as possible, to prevent any persons from sending hither articles which cannot be admitted, rather than to reject the articles after their arrival in London. They feel also that the delicate and responsible task of deciding on the admission or rejection of articles destined for exhibition by foreign contributors ought not to be imposed upon any English tribunal, but should be referred to one having the confidence of the Exhibitors themselves, and standing entirely free from possible imputations of national partiality. They accordingly propose to admit to exhibition such foreign articles only as may be forwarded to them by the Central Authority (whatever may be its nature) in each country. They will communicate to such Central Authority the amount of space which can be allowed to the productions of the country for which it acts, and will also state the conditions and limitations which may, from time to time, be decided on with respect to the admission of articles. All articles forwarded by such Central Authority will then be admitted, provided they do not require a greater aggregate amount of space than that assigned to the productions of the country from which they come; and, provided also, that they do not violate the conditions and limitations of which due notice shall have been given. It will rest with the Central Authority in each country to decide upon the merits of the several articles presented for exhibition, and to take care that those which are sent are such as fairly represent the industry of their fellow countrymen.

Her Majesty's Commissioners will consider that to be the Central Authority in each case, which is stated to be so by the Government of its country. Having once been put in communication with a Central Authority in any country, they must decline, absolutely and entirely, any communication with private and unauthorized individuals; and should any such be addressed to them, they can only refer it to the central body. This decision is essentially necessary, in order to prevent confusion.

No articles of foreign manufacture, to whomsoever they may belong, or wheresoever they may be, can be admitted for exhibition, unless they come with the sanction of the Central Authority of the country of which they are the produce. The Commissioners do not insist upon such articles being in all cases actually forwarded by the Central Authority, though they consider that this would generally be the most satisfactory arrangement; but it is indispensable that the sanction of such Authority should in all cases be expressly given, and that it be held responsible for the fitness of such articles for exhibition, and for not authorizing the exhibition of a greater quantity than can be accommodated in the space assigned to the productions of the country in question.

With regard to the amount of space that can be given, the Commissioners propose at once to communicate with each foreign country. It must be obvious that the difficulty of fixing the amount in each case is extreme, as the Commissioners have to consider, not only the extent and population of each country, but the nature of the articles it produces, the quantities it is likely to send; which of course involves, among other considerations, the question of proximity and of the facilities for transmission to England. The productions sent will, in some cases, be bulky, and will require a larger amount of space than the produce likely to come from other countries, though the latter may be much the more valuable. It thus becomes impossible, in the absence of information from each country, to lay down rules which shall not be open to objection. At the same time, the Commissioners feel that it is better at once to give a definite and tangible shape to their proceedings by laying down something in the nature of a rule, however arbitrary, than to postpone the attempt till they are in possession of information which cannot be collected for a very long time. They have therefore resolved that they will allot one-half of the total amount of space at their command to the productions of Great Britain and her colonies, and will divide the remaining half among the other nations of the world; communicating to each country the space they propose to set aside for its productions, and requesting information as to the mode in which it is proposed that such space should be filled. In case the Central Authority in any country should be of opinion that the space allotted to the productions of that country is greater than it will require, the Commissioners have to request that this opinion may be communicated to them, as it is obvious that it would not appear well if a large vacant space should be left in the department assigned to any country. If, on the other hand, any country require more than the space proposed, this also should be stated, as it may be in the power of the Commissioners to give additional room, in the event of having received notifications from other countries that a portion of the space assigned to them will not be occupied.

The Commissioners have had under their serious consideration the question whether it would be desirable to mark off particular spaces, and assign them to particular countries, allowing each to arrange the whole of its productions within those limits; but they adhere to the conclusion which they have already announced, that this course will not be desirable, and that it will be necessary that the productions of all nations should be exhibited together, according to the classification of objects which the Commissioners have made, with a subordinate classification as to nations in each section. They consider that the effect which the Exhibition is intended to produce—of showing, at one view, the points which human industry and ingenuity have reached in the arts of civilized life—would be materially diminished if the results of the industry of different nations in each department were scattered over a large space instead of being conveniently brought together. The Visitor would receive a very inadequate notion of the perfection to which particular manufactures can be carried from an inspection of those of one nation only; and in a building of such extent it would be out of his power to go from a particular section in one Exhibition to the corresponding sections in all the other national Exhibitions, and to compare them all. Again, unless the productions of all nations are exhibited together, it will be difficult, if not impossible, to award the palm of superiority. Different parts of the Exhibition will be visited on different days, and the impressions made on one day by the manufactures of one country, will be effaced the next day by the corresponding manufactures of another. In the adjudication of Prizes also such arrangements would cause much difficulty. Another objection may also be mentioned, namely, the danger there would be of imputed unfairness and favouritism in the places assigned to different nations. The several articles which will be exhibited will require great diversity of accommodation, as respects space, light, and other particulars; and were the space set apart for one nation inferior in any of these respects to the space set apart for any other nation, there would be ground for complaint; whereas if all articles of the same nature are exhibited together, all will share these advantages alike, and each article will be placed in that part of the building which is best adapted for the reception of goods of that description. The Commissioners must therefore reserve to themselves the unfettered right of arranging all goods that may be sent in such manner as they may think proper. They will endeavour, in the case of articles the nature of which admits of their so doing, to arrange each section with some reference to the nationality of the productions exhibited in it, and will not intermix the productions of one country with those of another, in cases where the objects of the Exhibition can be attained without their doing so. Whatever may be their arrangements, however, they undertake to find places for all articles sent by each country which could, if placed together, be exhibited in the aggregate space allotted to that country, provided only that they be informed in sufficient time what proportion of that space will be required for Raw Materials, what proportion for Machinery, what proportion for Manufactured Articles, and what proportion for objects of Fine Art. This information should be sent on or before the days which will be communicated to each country.

The Commissioners annex a Memorandum by the Commissioners of Customs, on the subject of Custom House arrangements.

A Statement will shortly be published on the subject of the Adjudication and Distribution of Prizes. It may, however, be desirable at once to state that, in all cases in which the competition is between Exhibitors of different nations, the Prizes will be adjudged by mixed Juries of English and Foreigners.

And a statement will also be published of the arrangements to be made for the protection of articles which may be exhibited, from piracy.

J. SCOTT RUSSELL,
STAFFORD H. NORTHCOTE, } *Secretaries.*

Arrangements made by the Board of Customs for the Admission of Foreign and Colonial Productions, for the purposes of the Exhibition of 1851, *without duty.*

It is proposed that all works from Foreign Countries intended for exhibition, shall be imported into some one or other of the following Ports;—

LONDON.	NEWCASTLE.
LIVERPOOL.	DOVER.
BRISTOL.	FOLKESTONE.
HULL.	SOUTHAMPTON.

That the packages, when unaccompanied by the proprietors, shall be addressed to Agents, who will be appointed at each Port by the Royal Commissioners to receive and take charge of all such packages, and whose names will be communicated to the Central Authorities in each country, and from among whom the several parties intending to send over articles for exhibition, may select the Agent he proposes to employ.

The Agents will take all the needful steps for forwarding, under the directions of the Commissioners of the Customs, the packages unopened to London (where they are not imported direct into the Port of London), and for their delivery unopened at the building in which they are to be exhibited.

In the case of packages imported into the Port of London, the Agent to whom they will be addressed will take charge of them on their arrival, and forward them unopened to the building for exhibition.

To secure the arrival of all the packages unopened and unexamined at the place of Exhibition, they will be sealed at the Port of landing, with the official seal of the Board of Customs, which will afford a guarantee at the same time to the party and to the Revenue.

The whole of the goods will be admitted, in the first instance, without payment of any duty; and if they are not disposed of in England they will be delivered up for re-exportation, free of all charge for duty. If, however, they shall be disposed of in England, the duty chargeable thereon must in that case be paid before they are removed from the place of Exhibition, but they cannot be removed until the Exhibition is finally closed.

When the packages have been duly deposited in the building in which they are to be exhibited, they will be opened and examined in the presence of the Proprietor or of the Agent in his behalf, and will then be in custody of the Commission, without whose authority they cannot be removed from the Exhibition.

All goods which are forwarded to England will remain deposited in charge of the Customs, until claimed by an agent of the party sending them, who will have to establish his right to remove them to the building, by producing the Bill of Lading, and the Certificate given to the Exhibitor by the Central Authorities in each country, that such goods are intended for exposition.

Extract from a letter from the Secretaries to the Commissioners to the Secretary at the India House, dated 9th April, 1850.

2. The Commissioners, having taken into their consideration the question of the amount of space which may be allotted in the Building to be erected in Hyde Park to the Articles sent for Exhibition from each Country, have decided on reserving 60,000 square feet for the productions of the Territories under the authority of the East India Company, but they deem it necessary to observe that of the *gross* square thus set apart, about one-half will require to be reserved for passages and other purposes.

NOTIFICATION.

London Exhibition of the Works of Industry and Art of all Nations.

BY a notification dated the 8th March last, the Central Committee, charged with the duty of promoting the objects of this Exhibition in Bengal, invited all persons, intending to send articles to the Exhibition, to communicate their intentions either to the Central Committee, or to one of the Local Committees in the provinces, and to furnish an accurate description of the articles intended to be sent.

In the same notification it was requested that in all such communications it might be stated whether the party contributing the articles desired that they should be included in the Central Committee's list, and despatched to England with the Government collection, or whether it was intended that they should be despatched, separately and independently, on private account.

It was further intimated, that all articles which private individuals might be desirous of sending to England at the public charge, would have to be submitted to the inspection of either the Central Committee or one of the Local Committees, in order that it might be determined, whether the articles were such as the Government could properly undertake to transport. And it was added, that although the Government would not guarantee their safe return, yet that every care would be taken of them, and that after the Exhibition they would either be returned to Calcutta free of charge, or disposed of in England, as the owners might desire.

In a subsequent notification of the 1st ultimo the public were informed, that arrangements would be made for securing to the manufacturer or producer of any article sent to the Exhibition either by Government or through its Agency, the payment of any prize or premium that might be awarded to such article.

The Central Committee have now the satisfaction to announce, that the Supreme Government have consented to remit the Indian Export duty on all commodities sent by private individuals to the Exhibition, whether through the Agency of Government, or separately and independently on private account; provided, in the latter case, that the goods be covered by a certificate from the Central Committee to the effect, that they are intended *bonâ fide* for the Exhibition, and not for the ordinary purposes of trade.

Parties desirous of obtaining from the Central Committee a certificate of this kind must furnish an accurate specification of the articles intended to be sent, and satisfy the Committee in each case, that the articles are *bonâ fide* intended for the Exhibition, and that all reasonable diligence will be used in sending them.

No certificates will be granted for a larger quantity of any article than may be thought a fair sample, sufficient to enable H. M. Commissioners and the public to judge of its general quality. No goods can be shipped to go round the Cape duty free under a certificate from the Central Committee after the 15th October next, or by one of the Peninsular and Oriental Company's Steam Vessels, to go overland after the 8th January 1851.

The Committee have also to announce, that the Government of India have determined to bear the expense of insurance against sea risks, as well as other transport charges, on all articles sent to England by private individuals with the Government collection.

Ordered, that the Act be promulgated for general information.

ACT No. XXIII. OF 1850.

An Act for securing the Land Revenue of Calcutta.

Whereas it is expedient that the Land Revenue, accruing due to the East India Company within Calcutta, be ascertained and collected in as summary a manner as in other parts of the Territories under the Government of the East India Company, It is declared and enacted as follows:

I.—All Assessable Lands, not the property of the East India Company, within the Town of Calcutta, of which the rate of Assessment is not

known, or which have not heretofore been assessed, shall be assessed at the rate of three annas for each Cottah.

II. Lakhiraj tenures of Land in Calcutta, of which uninterrupted possession has been held, exempt from Assessment for sixty years, shall be valid: no other Lakhiraj tenures of Land in Calcutta shall be deemed valid, unless the same are or shall be held under an unexpired grant from the British Government.

III. If any owner of Land within Calcutta, or any person holding Land within Calcutta on lease from the East India Company shall, upon the written demand of the Collector, refuse or neglect to pay any sum at which the Land is assessed, or for which he is liable under his lease, the Collector may levy the same, by distress and sale of the Goods and Chattels, wherever found, of such owner or lessee, or, after written demand upon the tenant or occupier, and his refusal or neglect to pay the sum lawfully demanded, by distress and sale of any Goods and Chattels found upon the Land, in the manner appointed for regulating distresses for small rents in Calcutta by Act VII. 1847: and, for the purpose of any such distress and sale, the Collector shall have all the powers of a Commissioner of the Court for Recovery of Small Debts referred to in the said Act, and the Collector shall have power to appoint any of his Officers to perform the duties of Bailiffs and Appraisers, and of the Chief Clerk of the said Court, as provided by the said Act, and all the provisions of the said Act relating to the said Commissioners and their Court shall be deemed to apply to the said Collector and his Office in the execution of this Act.

IV. In the case of payment by any tenant or occupier, not holding immediately under the East India Company, or the seizure and sale of his property, he may deduct the amount of the payment or levy from the next payment of rent to his landlord.

V. The claim of the East India Company for Land Revenue or rent has priority over all other claims upon the land or to which property distrained upon the land may be liable.

VI. If the Collector's claim for arrears of rent is disputed, the process of distraint and sale shall not be stayed, unless the amount claimed be lodged with the Collector.

VII. Arrears of rent or revenue which shall become due to the East India Company within the Town of Calcutta, after the passing of this Act, shall be recoverable at any time within six years next after the same are due, or next after an acknowledgment of the same in writing has been given by the person by whom the same is payable or his Agent, and not afterwards.

VIII. When a claim to hold land Lakhiraj, or free of Assessment, shall be set up under this Act, the Collector shall inquire into the claim, taking such evidence as the claimant may offer, or the public Records supply, and shall report his proceedings and decision in the case for the consideration of the Revenue Commissioner. If the Commissioner is satisfied of the validity of the claim, he shall make an order accordingly, and such order shall be final. If he is not satisfied of the validity of the claim, he shall direct the Collector to assess the land, leaving the claimant to contest the Collector's demand in the Civil Courts as herein provided.

IX. Any person obstructing or molesting the Collector, or any of his Subordinate Officers in the execution of their duty, shall, on conviction before a Magistrate of the Town of Calcutta, be liable to a fine not exceeding Five Hundred Rupees, and in default of payment to imprisonment in the Common Jail for a term not exceeding six months, or until the fine is sooner paid.

X. The Collector may punish any contempt committed in his presence, in open Cutcherry or Office, by fine, not exceeding Two Hundred Rupees, and in default of payment by imprisonment in the Common Jail for a term not exceeding one month: from every such order of fine or imprisonment an appeal shall lie to the Commissioner, whose decision shall be final.

XI. The Collector shall act in the execution of this Act under the usual controul of the Superior Revenue Authorities.

XII. The Ground Rents payable to the East India Company from Lands in Calcutta are Revenue, within the meaning of the Act of Parliament 21 Geo. III. C. 70, and the Supreme Court of Judicature established by Royal Charter at Fort William in Bengal has not any civil jurisdiction concerning the said Ground Rents, or concerning any thing ordered or done in the Assessment or collection thereof.

XIII. All actions concerning any trespass or injury committed by any Revenue Officer acting under colour of this Act, or concerning any claim in respect of any goods taken by or any monies paid to any Revenue Officer under this Act, or concerning any claim of rent or revenue on the part of the East India Company under this Act, shall be tried and determined in the Civil Courts established by the East India Company at the Sudder Station of the Twenty-four Pergunnahs; notwithstanding that the cause of action, in respect of which such action is brought, arose, or the defendant therein reside, within the limits of the Town of Calcutta: and every such action shall be brought within six months after the cause of action arose, and not afterwards.

XIV. The words 'Collector' and 'Commissioner' used in this Act shall be taken to mean any person lawfully appointed to exercise the powers of Collector and Commissioner respectively.

Ordered, that the Act be promulgated for general information.

ACT No. XXIV. OF 1850.

An Act for better defining the special duty levied on Tobacco in Bombay.

Whereas the laws in force respecting the special duty payable on Tobacco imported into Bombay are obscure, and require to be explained and amended, It is declared and enacted as follows:

I. Regulations XXXIII. 1827 and XV. 1828, of the Bombay Code, and so much of Act

I. 1838, as relates to the customary, or special duty levied on the import of Tobacco into the Island of Bombay, are rescinded and repealed.

IV. This Act shall not be taken to affect the provisions and penalties of any Act or Regulation for enforcing payment of the special duty, which shall continue in force for compelling payment of the duty as declared payable by this Act, and for punishing any evasion of such payment.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative, the 7th June, 1850.

The following extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 7th June 1850, is published for general information.

Read a second time the Draft of a proposed Act, dated the 21st December 1849, and published in the Calcutta Gazette of the 26th December 1849, to allow Counsel to all persons on trial for offences.

RESOLUTION.—The President in Council resolves that the following amended Draft on the subject be published for general information :

ACT No. —— OF 1850.

An Act to allow Counsel to all persons on the trial of offences.

Whereas an Act of Parliament was passed in the seventh year of the reign of His late Majesty for enabling persons indicted of felony to make their defence by Counsel or Attorney, the provisions of which Act were enlarged and extended to Her Majesty's Courts of Justice in the territories under the Government of the East India Company by Act XXII. 1839, and whereas it is just and reasonable that the like privilege be given to all persons on the trial of offences against the law, It is enacted as follows :

I. In all Courts and before all Magistrates, or persons exercising any of the powers of a Magistrate, under the authority of the East India Company, every person on trial for the commission of any offence shall be admitted to defend himself either personally or by his authorized agent, and, after the close of the case for the prosecution, to make full answer and defence thereto either personally or by his authorized agent.

II. The said Courts, Magistrates and persons, subject to such rules as shall be from time to time made for their guidance by the Nizamut or Fouzdaree Adawlut, may allow any prosecution to be conducted by an authorized agent.

III. In those Courts in which any person now has by law the right of employing whomsoever he can employ as Counsel or Pleader, nothing in this Act shall be deemed to restrict that right : in all other cases those persons only shall be deemed authorized agents within the meaning of this Act who are either Advocates of one of the Supreme Courts of Justice established by Royal Charter, or authorized Pleaders of the Civil Courts of the East India Company, or by leave of the Court, Magistrate or other person before whom the prisoner is on trial, any other person who is employed by the prosecutor or prisoner as his agent.

IV. This Act shall not be deemed to dispense with the presence of any prosecutor or person on trial for the commission of any offence when the presence of such prosecutor or culprit is now by law required.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 7th day of August next.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative, the 31st May, 1850.

The following Draft of a proposed Act was read in Council for the first time on the 31st May, 1850.

ACT No. —— of 1850.

An Act to amend the 113th Article of War for the Native Army.

Whereas it is expedient that Native Soldiers, when imprisoned, should be treated as European Soldiers are in the like case, as respects subsistence and clothing, It is enacted as follows :

I. From and after the day of 1850, so much of the 113th Article of War for the Government of the Native Officers and Soldiers in the Military Service of the East India Company as provides for the forfeiture of allowances, and the subsistence of such Officers and Soldiers, when in imprisonment under the sentence of any Court Martial or of any Court of Criminal Judicature, is repealed.

II. From and after the said day of 1850, no Native Officer, or Soldier, or Public Follower in the Military Service of the East India Company shall be entitled to pay or allowances, when imprisoned under the sentence of a Court Martial, or a commuted sentence, or under the sentence of a Court of Criminal Judicature ; but shall be clothed and subsisted at such rates, or in such manner, as the Governor General of India in Council may from time to time order.

NOTIFICATION.

London Exhibition of the Works of Industry and Art of all Nations.

BY a notification dated the 8th March last, the Central Committee, charged with the duty of promoting the objects of this Exhibition in Bengal, invited all persons, intending to send articles to the Exhibition, to communicate their intentions either to the Central Committee, or to one of the Local Committees in the provinces, and to furnish an accurate description of the articles intended to be sent.

In the same notification it was requested that in all such communications it might be stated whether the party contributing the articles desired that they should be included in the Central Committee's list, and despatched to England with the Government collection, or whether it was intended that they should be despatched, separately and independently, on private account.

It was further intimated, that all articles which private individuals might be desirous of sending to England at the public charge, would have to be submitted to the inspection of either the Central Committee or one of the Local Committees, in order that it might be determined, whether the articles were such as the Government could properly undertake to transport. And it was added, that although the Government would not guarantee their safe return, yet that every care would be taken of them, and that after the Exhibition they would either be returned to Calcutta free of charge, or disposed of in England, as the owners might desire.

In a subsequent notification of the 1st ultimo the public were informed, that arrangements would be made for securing to the manufacturer or producer of any article sent to the Exhibition either by Government or through its Agency, the payment of any prize or premium that might be awarded to such article.

The Central Committee have now the satisfaction to announce, that the Supreme Government have consented to remit the Indian Export duty on all commodities sent by private individuals to the Exhibition, whether through the Agency of Government, or separately and independently on private account; provided, in the latter case, that the goods be covered by a certificate from the Central Committee to the effect, that they are intended *bonâ fide* for the Exhibition, and not for the ordinary purposes of trade.

Parties desirous of obtaining from the Central Committee a certificate of this kind must furnish an accurate specification of the articles intended to be sent, and satisfy the Committee in each case, that the articles are *bonâ fide* intended for the Exhibition, and that all reasonable diligence will be used in sending them.

No certificates will be granted for a larger quantity of any article than may be thought a fair sample, sufficient to enable H. M. Commissioners and the public to judge of its general quality. No goods can be shipped to go round the Cape duty free under a certificate from the Central Committee after the 15th October next, or by one of the Peninsular and Oriental Company's Steam Vessels, to go overland after the 8th January 1851.

The Committee have also to announce, that the Government of India have determined to bear the expense of insurance against sea risks, as well as other transport charges, on all articles sent to England by private individuals with the Government collection.

Secretary.

Ordered, that the Act be promulgated for general information.

ACT No. XXIII. OF 1850.

An Act for securing the Land Revenue of Calcutta.

Whereas it is expedient that the Land Revenue, accruing due to the East India Company within Calcutta, be ascertained and collected in as summary a manner as in other parts of the Territories under the Government of the East India Company, It is declared and enacted as follows:

I.—All Assessable Lands, not the property of the East India Company, within the Town of Calcutta, of which the rate of Assessment is not known, or which have not heretofore been assessed, shall be assessed at the rate of three annas for each Cottah.

II. Lakhiraj tenures of Land in Calcutta, of which uninterrupted possession has been held, exempt from Assessment for sixty years, shall be valid: no other Lakhiraj tenures of Land in Calcutta shall be deemed valid, unless the same are or shall be held under an unexpired grant from the British Government.

III. If any owner of Land within Calcutta, or any person holding Land within Calcutta on lease from the East India Company shall, upon the written demand of the Collector, refuse or neglect to pay any sum at which the Land is assessed, or for which he is liable under his lease, the Collector may levy the same, by distress and sale of the Goods and Chattels, wherever found, of such owner or lessee, or, after written demand upon the tenant or occupier, and his refusal or neglect to pay the sum lawfully demanded, by distress and sale of any Goods and Chattels found upon the Land, in the manner appointed for regulating distresses for small rents in Calcutta by Act VII. 1847: and, for the purpose of any such distress and sale, the Collector shall have all the powers of a Commissioner of the Court for Recovery of Small Debts referred to in the said Act, and the Collector shall have power to appoint any of his Officers to perform the duties of Bailiffs and Appraisers, and of the Chief Clerk of the said Court, as provided by the said Act, and all the provisions of the said Act relating to the said Commissioners and their Court shall be deemed to apply to the said Collector and his Office in the execution of this Act.

IV. In the case of payment by any tenant or occupier, not holding immediately under the East India Company, or the seizure and sale of his property, he may deduct the amount of the payment or levy from the next payment of rent to his landlord.

V. The claim of the East India Company for Land Revenue or rent has priority over all other claims upon the land or to which property distrained upon the land may be liable.

VI. If the Collector's claim for arrears of rent is disputed, the process of distraint and sale shall not be stayed, unless the amount claimed be lodged with the Collector.

VII. Arrears of rent or revenue which shall become due to the East India Company within the Town of Calcutta, after the passing of this Act, shall be recoverable at any time within six years next after the same are due, or next after an acknowledgment of the same in writing has been given by the person by whom the same is payable or his Agent, and not afterwards.

VIII. When a claim to hold land Lakhiraj, or free of Assessment, shall be set up under this Act, the Collector shall inquire into the claim, taking such evidence as the claimant may offer, or the public Records supply, and shall report his proceedings and decision in the case for the consideration of the Revenue Commissioner. If the Commissioner is satisfied of the validity of the claim, he shall make an order accordingly, and such order shall be final. If he is not satisfied of the validity of the claim, he shall direct the Collector to assess the land, leaving the claimant to contest the Collector's demand in the Civil Courts as herein provided.

IX. Any person obstructing or molesting the Collector, or any of his Subordinate Officers in the execution of their duty, shall, on conviction before a Magistrate of the Town of Calcutta, be liable to a fine not exceeding Five Hundred Rupees, and in default of payment to imprisonment in the Common Jail for a term not exceeding six months, or until the fine is sooner paid.

X. The Collector may punish any contempt committed in his presence, in open Cutcherry or Office, by fine, not exceeding Two Hundred Rupees, and in default of payment by imprisonment in the Common Jail for a term not exceeding one month: from every such order of fine or imprisonment an appeal shall lie to the Commissioner, whose decision shall be final.

XI. The Collector shall act in the execution of this Act under the usual control of the Superior Revenue Authorities.

XII. The Ground Rents payable to the East India Company from Lands in Calcutta are Revenue, within the meaning of the Act of Parliament 21 Geo. III. C. 70, and the Supreme Court of Judicature established by Royal Charter at Fort William in Bengal has not any civil jurisdiction concerning the said Ground Rents, or concerning any thing ordered or done in the Assessment or collection thereof.

XIII. All actions concerning any trespass or injury committed by any Revenue Officer acting under colour of this Act, or concerning any claim in respect of any goods taken by or any monies paid to any Revenue Officer under this Act, or concerning any claim of rent or revenue on the part of the East India Company under this Act, shall be tried and determined in the Civil Courts established by the East India Company at the Sudder Station of the Twenty-four Pergunnahs; notwithstanding that the cause of action, in respect of which such action is brought, arose, or the defendant therein reside, within the limits of the Town of Calcutta: and every such action shall be brought within six months after the cause of action arose, and not afterwards.

XIV. The words 'Collector' and 'Commissioner' used in this Act shall be taken to mean any person lawfully appointed to exercise the powers of Collector and Commissioner respectively.

Fort William, Home Department, Legislative, the 7th June, 1850.

The following extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 7th June 1850, is published for general information.

Read a second time the Draft of a proposed Act, dated the 21st December 1849, and published in the Calcutta Gazette of the 26th December 1849, to allow Counsel to all persons on trial for offences.

RESOLUTION.—The President in Council resolves that the following amended Draft on the subject be published for general information:

ACT No. —— OF 1850.

An Act to allow Counsel to all persons on the trial of offences.

Whereas an Act of Parliament was passed in the seventh year of the reign of His late Majesty for enabling persons indicted of felony to make their defence by Counsel or Attorney, the provisions of which Act were enlarged and extended to Her Majesty's Courts of Justice in the territories under the Government of the East India Company by Act XXII. 1839, and whereas it is just and reasonable that the like privilege be given to all persons on the trial of offences against the law, It is enacted as follows:

I. In all Courts and before all Magistrates, or persons exercising any of the powers of a Magistrate, under the authority of the East India Company, every person on trial for the commission of any offence shall be admitted to defend himself either personally or by his authorized agent, and, after the close of the case for the prosecution, to make full answer and defence thereto either personally or by his authorized agent.

II. The said Courts, Magistrates and persons, subject to such rules as shall be from time to time made for their guidance by the Nizamut or Fouzdaree Adawlut, may allow any prosecution to be conducted by an authorized agent.

III. In those Courts in which any person now has by law the right of employing whomsoever he can employ as Counsel or Pleader, nothing in this Act shall be deemed to restrict that right: in all other cases those persons only shall be deemed authorized agents within the meaning of this Act who are either Advocates of one of the Supreme Courts of Justice established by Royal Charter, or authorized Pleaders of the Civil Courts of the East India Company or by leave

of the Court, Magistrate or other person before whom the prisoner is on trial, any other person who is employed by the prosecutor or prisoner as his agent.

IV. This Act shall not be deemed to dispense with the presence of any prosecutor or person on trial for the commission of any offence when the presence of such prosecutor or culprit is now by law required.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 7th day of August next.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative, the 31st May, 1850.

ACT No. —— of 1850.

An Act to amend the 113th Article of War for the Native Army.

Whereas it is expedient that Native Soldiers, when imprisoned, should be treated as European Soldiers are in the like case, as respects subsistence and clothing, It is enacted as follows:

I. From and after the day of 1850, so much of the 113th Article of War for the Government of the Native Officers and Soldiers in the Military Service of the East India Company as provides for the forfeiture of allowances, and the subsistence of such Officers and Soldiers, when in imprisonment under the sentence of any Court Martial or of any Court of Criminal Judicature, is repealed.

II. From and after the said day of 1850, no Native Officer, or Soldier, or Public Follower in the Military Service of the East India Company shall be entitled to pay or allowances, when imprisoned under the sentence of a Court Martial, or a commuted sentence, or under the sentence of a Court of Criminal Judicature; but shall be clothed and subsisted at such rates, or in such manner, as the Governor General of India in Council may from time to time order.

Ordered, that the Draft now read be published for general information.

NOTIFICATION.

London Exhibition of the Works of Industry and Art of all Nations.

BY a notification dated the 8th March last, the Central Committee, charged with the duty of promoting the objects of this Exhibition in Bengal, invited all persons, intending to send articles to the Exhibition, to communicate their intentions either to the Central Committee, or to one of the Local Committees in the provinces, and to furnish an accurate description of the articles intended to be sent.

In the same notification it was requested that in all such communications it might be stated whether the party contributing the articles desired that they should be included in the Central Committee's list, and despatched to England with the Government collection, or whether it was intended that they should be despatched, separately and independently, on private account.

It was further intimated, that all articles which private individuals might be desirous of sending to England at the public charge, would have to be submitted to the inspection of either the Central Committee or one of the Local Committees, in order that it might be determined, whether the articles were such as the Government could properly undertake to transport. And it was added, that although the Government would not guarantee their safe return, yet that every care would be taken of them, and that after the Exhibition they would either be returned to Calcutta free of charge, or disposed of in England, as the owners might desire.

In a subsequent notification of the 1st ultimo the public were informed, that arrangements would be made for securing to the manufacturer or producer of any article sent to the Exhibition either by Government or through its Agency, the payment of any prize or premium that might be awarded to such article.

The Central Committee have now the satisfaction to announce, that the Supreme Government have consented to remit the Indian Export duty on all commodities sent by private individuals to the Exhibition, whether through the Agency of Government, or separately and independently on private account; provided, in the latter case, that the goods be covered by a certificate from the Central Committee to the effect, that they are intended *bonâ fide* for the Exhibition, and not for the ordinary purposes of trade.

Parties desirous of obtaining from the Central Committee a certificate of this kind must furnish an accurate specification of the articles intended to be sent, and satisfy the Committee in each case, that the articles are *bonâ fide* intended for the Exhibition, and that all reasonable diligence will be used in sending them.

No certificates will be granted for a larger quantity of any article than may be thought a fair sample, sufficient to enable H. M. Commissioners and the public to judge of its general quality. No goods can be shipped to go round the Cape duty free under a certificate from the Central Committee after the 15th October next, or by one of the Peninsular and Oriental Company's Steam Vessels, to go overland after the 8th January 1851.

The Committee have also to announce, that the Government of India have determined to bear the expense of insurance against sea risks, as well as other transport charges, on all articles sent to England by private individuals with the Government collection.

By order of the Central Committee,

CECIL BEADON,
Secretary.

The Most Noble the Governor General, at the recommendation of His Excellency the Commander-in-Chief, and with the sanction of the Hon'ble the Court of Directors, is pleased to resolve, that the system of daily payments in force in Her Majesty's Service, shall be extended from the 1st proximo, to the European Troops in the Service of the East India Company, on the Bengal Establishment.

2. From the 1st proximo, European Soldiers are to be settled with daily, for the residue of their pay, after deducting the regulated stoppages for Mess, Washing, Necessaries, &c.

3. When a daily settlement has been necessarily interrupted by the absence of the Soldier on leave, in Hospital, on Guard, on Escort duty, or otherwise, it will be the duty of the Captain of the Troop or Company to take care that the daily payments are resumed as early as possible.

4. The arrears of daily pay due to the Soldier shall be paid to him immediately on rejoining, or shall be distributed in daily payments, together with the pay of the succeeding period, as may be directed by the Officer Commanding the Regiment.

5. To enable Officers Commanding Troops and Companies to settle with their Men daily, the following Rules, relative to advances on this account, are to be observed.

6. Officers Commanding Corps and Detachments are to furnish Pay Masters monthly, with Statements of the sums that will be required *weekly in advance*. Pay Masters are to grant Drafts for the sums so required, payable to Officers Commanding Troops and Companies. These Drafts are to be forwarded in sufficient time to enable the advance to be procured on each Monday.

7. The usual Pay Abstracts of Troops and Companies, are to be prepared monthly, as at present; the number of the Drafts and the amount of each advance received during the month being entered at the foot. On presentation of these Abstracts, Pay Masters are to deduct from them the amount of the weekly advances.

8. In the event of any delay in the receipt of the Weekly Drafts, Commanding Officers of Stations will, on the application of Officers Commanding Corps and Detachments of Europeans, authorize advances to be made from the nearest Treasury, to be adjusted on receipt of the Pay Master's Drafts.

9. When the Corps or Detachment is at the same Station as a Pay Master, the advances will be received direct from the Pay Office.

10. The above Rules are applicable to Detachments of European Drafts, or Recruits.

11. His Excellency the Commander-in-Chief is requested to issue any subsidiary Orders that may be necessary on this subject.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 8th June 1850, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XXIII. OF 1850.

An Act for securing the Land Revenue of Calcutta.

Whereas it is expedient that the Land Revenue, accruing due to the East India Company within Calcutta, be ascertained and collected in as summary a manner as in other parts of the Territories under the Government of the East India Company, It is declared and enacted as follows:

I.—All Assessable Lands, not the property of the East India Company, within the Town of Calcutta, of which the rate of Assessment is not known, or which have not heretofore been assessed, shall be assessed at the rate of three annas for each Cottah.

II. Lakhiraj tenures of Land in Calcutta, of which uninterrupted possession has been held, exempt from Assessment for sixty years, shall be valid: no other Lakhiraj tenures of Land in Calcutta shall be deemed valid, unless the same are or shall be held under an unexpired grant from the British Government.

III. If any owner of Land within Calcutta, or any person holding Land within Calcutta on lease from the East India Company shall, upon the written demand of the Collector, refuse or neglect to pay any sum at which the Land is assessed, or for which he is liable under his lease, the Collector may levy the same, by distress and sale of the Goods and Chattels, wherever found, of such owner or lessee, or, after written demand upon the tenant or occupier, and his refusal or neglect to pay the sum lawfully demanded, by distress and sale of any Goods and Chattels found upon the Land, in the manner appointed for regulating distresses for small rents in Calcutta by Act VII. 1847: and, for the purpose of any such distress and sale, the Collector shall have all the powers of a Commissioner of the Court for Recovery of Small Debts referred to in the said Act, and the Collector shall have power to appoint any of his Officers to perform the duties of Bailiffs and Appraisers, and of the Chief Clerk of the said Court, as provided by the said Act, and all the provisions of the said Act relating to the said Commissioners and their Court shall be deemed to apply to the said Collector and his Office in the execution of this Act.

IV. In the case of payment by any tenant or occupier, not holding immediately under the East India Company, or the seizure and sale of his property, he may deduct the amount of the payment or levy from the next payment of rent to his landlord.

V. The claim of the East India Company for Land Revenue or rent has priority over all other claims upon the land or to which property distrained upon the land may be liable.

VI. If the Collector's claim for arrears of rent is disputed, the process of distraint and sale shall not be stayed, unless the amount claimed be lodged with the Collector.

VII. Arrears of rent or revenue which shall become due to the East India Company within the Town of Calcutta, after the passing of this Act, shall be recoverable at any time within six years next after the same are due, or next after an acknowledgment of the same in writing has been given by the person by whom the same is payable or his Agent, and not afterwards.

VIII. When a claim to hold land Lakhiraj, or free of Assessment, shall be set up under this Act, the Collector shall inquire into the claim, taking such evidence as the claimant may offer, or the public Records supply, and shall report his proceedings and decision in the case for the consideration of the Revenue Commissioner. If the Commissioner is satisfied of the validity of the claim, he shall make an order accordingly, and such order shall be final. If he is not satisfied of the validity of the claim, he shall direct the Collector to assess the land, leaving the claimant to contest the Collector's demand in the Civil Courts as herein provided.

IX. Any person obstructing or molesting the Collector, or any of his Subordinate Officers in the execution of their duty, shall, on conviction before a Magistrate of the Town of Calcutta, be liable to a fine not exceeding Five

Hundred Rupees, and in default of payment to imprisonment in the Common Jail for a term not exceeding six months, or until the fine is sooner paid.

X. The Collector may punish any contempt committed in his presence, in open Cutcherry or Office, by fine, not exceeding Two Hundred Rupees, and in default of payment by imprisonment in the Common Jail for a term not exceeding one month: from every such order of fine or imprisonment an appeal shall lie to the Commissioner, whose decision shall be final.

XI. The Collector shall act in the execution of this Act under the usual controul of the Superior Revenue Authorities.

XII. The Ground Rents payable to the East India Company from Lands in Calcutta are Revenue, within the meaning of the Act of Parliament 21 Geo. III. C. 70, and the Supreme Court of Judicature established by Royal Charter at Fort William in Bengal has not any civil jurisdiction concerning the said Ground Rents, or concerning any thing ordered or done in the Assessment or collection thereof.

XIII. All actions concerning any trespass or injury committed by any Revenue Officer acting under colour of this Act, or concerning any claim in respect of any goods taken by or any monies paid to any Revenue Officer under this Act, or concerning any claim of rent or revenue on the part of the East India Company under this Act, shall be tried and determined in the Civil Courts established by the East India Company at the Sudder Station of the Twenty-four Pergunnahs; notwithstanding that the cause of action, in respect of which such action is brought, arose, or the defendant therein reside, within the limits of the Town of Calcutta: and every such action shall be brought within six months after the cause of action arose, and not afterwards.

XIV. The words 'Collector' and 'Commissioner' used in this Act shall be taken to mean any person lawfully appointed to exercise the powers of Collector and Commissioner respectively.

Ordered, that the Act be promulgated for general information.

ACT No. XXIV. OF 1850.

An Act for better defining the special duty levied on Tobacco in Bombay.

Whereas the laws in force respecting the special duty payable on Tobacco imported into Bombay are obscure, and require to be explained and amended, It is declared and enacted as follows:

I. Regulations XXXIII. 1827 and XV. 1828, of the Bombay Code, and so much of Act I. 1838, as relates to the customary, or special duty levied on the import of Tobacco into the Island of Bombay, are rescinded and repealed.

II. All Tobacco imported into the Island of Bombay, either by Sea, or across any of the Causeways, from whatever port or place it is brought, is and shall continue to be liable to the payment of a special duty levied at the rate of Seven Rupees and Eight Annas for the Indian maund, which duty shall be paid over and above the customary duty of One Rupee and Eight Annas, at the option of the importer, either on importation, or, after being warehoused in the Custom House Warehouse, on being delivered out for internal consumption.

III. No drawback of the said duty shall be allowed on exportation, unless the Tobacco has been warehoused in and is exported direct from the Custom House Warehouse; in which case a drawback of the whole of the special duty shall be allowed, if claimed at the time of re-exportation.

IV. This Act shall not be taken to affect the provisions and penalties of any Act or Regulation for enforcing payment of the special duty, which shall continue in force for compelling payment of the duty as declared payable by this Act, and for punishing any evasion of such payment.

ACT No. XXV. OF 1850.

An Act for the forfeiture to Government of Deposits made on incomplete Sales of Land under Regulation VIII. 1819, and Act IV. 1846.

Whereas Putneedars and Judgment Debtors fraudulently avail themselves of the provision in Section IX., Regulation VIII. 1819, of the Bengal Code, and in Section V. Act IV. 1846, that forfeited deposits at Sales of Land in execution of decrees or for arrears of rent shall be applied as if they were purchase money, It is enacted as follows:

I. So much of Section IX., Regulation VIII 1819, of the Bengal Code, and of Sections V. and IX. Act IV. 1846, as provides that the deposit at any sale of Land, or any interest in Land, under the said Regulation or Act, if forfeited, shall be regarded as part of the proceeds of the sale, or applied as if it were purchase money, is repealed.

II. Any such forfeited deposit shall be applied to defray the expences of the sale, and the surplus shall be forfeited to Government.

Fort William, Home Department, Legislative, the 7th June, 1850.

The following extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 7th June 1850, is published for general information.

Read a second time the Draft of a proposed Act, dated the 21st December 1849, and published in the Calcutta Gazette of the 26th December 1849, to allow Counsel to all persons on trial for offences.

RESOLUTION.—The President in Council resolves that the following amended Draft on the subject be published for general information:

ACT No. —— OF 1850.

An Act to allow Counsel to all persons on the trial of offences.

Whereas an Act of Parliament was passed in the seventh year of the reign of His late Majesty for enabling persons indicted of felony to make their defence by Counsel or Attorney, the provisions of which Act were enlarged and extended to Her Majesty's Courts of Justice in the territories under the Government of the East India Company by Act XXII. 1839, and whereas it is just and reasonable that the like privilege be given to all persons on the trial of offences against the law, It is enacted as follows:

I. In all Courts and before all Magistrates, or persons exercising any of the powers of a Magistrate, under the authority of the East India Company, every person on trial for the commission of any offence shall be admitted to defend himself either personally or by his authorized agent, and, after the close of the case for the prosecution, to make full answer and defence thereto either personally or by his authorized agent.

II. The said Courts, Magistrates and persons, subject to such rules as shall be from time to time made for their guidance by the Nizamut or Fouzdaree Adawlut, may allow any prosecution to be conducted by an authorized agent.

III. In those Courts in which any person now has by law the right of employing whomsoever he can employ as Counsel or Pleader, nothing in this Act shall be deemed to restrict that right: in all other cases those persons only shall be deemed authorized agents within the meaning of this Act who are either Advocates of one of the Supreme Courts of Justice established by Royal Charter, or authorized Pleaders of the Civil Courts of the East India Company, or by leave of the Court, Magistrate or other person before whom the prisoner is on trial, any other person who is employed by the prosecutor or prisoner as his agent.

IV. This Act shall not be deemed to dispense with the presence of any prosecutor or person on trial for the commission of any offence when the presence of such prosecutor or culprit is now by law required.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 7th day of August next.

FORT WILLIAM, HOME DEPARTMENT,

THE 14TH JUNE, 1850.

NOTIFICATION.—The following notice, promulgated by Her Majesty's Commissioners for the promotion of the Exhibition of the Works of Industry of all Nations to be held in London in 1851, is published for general information.

By order of the Hon'ble the President of the Council of India in Council,

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

GENERAL CONDITIONS.

1. The Commissioners have fixed upon the 1st day of May, 1851, for opening the Exhibition.

2. Her Majesty has been graciously pleased to grant a site for the Exhibition on the south side of Hyde Park, lying between the Kensington Drive and the Ride commonly called Rotten Row.

3. The Commissioners will be prepared to receive all articles which may be sent to them, and delivered at a place to be named by the Commissioners in London, on or after the 1st of January, 1851, and will continue so to receive goods until the 1st of March inclusive, after which day no further goods will be received.

4. Exhibitors will be required to deliver their objects, at their own charge and risk, at the Building in the Park; but no charges of any kind will be made whilst they remain there.

5. The Building will be provided to the Exhibitors free from rent.

6. The Building generally will be of one story only, and it may be assumed that the light will be obtained principally from the roof.

7. The productions of all Nations will be admitted.

8. Arrangements will be made for the protection of articles which may be exhibited, from piracy of the design.

9. Any Manufacturer exhibiting articles which can properly be placed together according to the classification already announced, will be at liberty to arrange such articles in his own way; and his arrangements, if compatible with the convenience of other Exhibitors and of the public, will not be disturbed. In like manner, if it is wished to exhibit together the productions of a particular town or district, all such productions, if they can fairly be said to be of the same sort, will be admitted together. The decision, whether they are so admissible or not, must of course rest, in each case, with the discretion of the Commissioners.

10. Where it is desired to exhibit processes of manufacture, a sufficient number of articles, however dissimilar, will be admitted for the purpose of illustrating the process; but they must not exceed what may be actually required.

11. In all cases where the productions of an individual are exhibited together, his wishes, with regard to the treatment of them, will be complied with as far as possible; but should they be of a nature to involve additional expense, the Commissioners cannot undertake to meet that expense out of their funds, but must call upon the Exhibitor to defray it himself. Glass cases, frames and stands of peculiar construction, and similar contrivances for the display or protection of the goods exhibited must, in like manner, be provided by the person requiring them at his own cost.

12. Exhibitors must be at the charge of insuring their own goods, should they desire this security. The Commissioners take this opportunity of stating that, however careful they may be in the construction of the Building, it will be quite impossible to erect one of the required dimensions, which shall be absolutely fire-proof; and although every precaution will be taken to prevent fire, and to extinguish it, should it unfortunately occur, the Commissioners cannot be responsible for losses which may be occasioned by this, or any other accident over which they have no control.

13. The Commissioners will provide for the general security and police of the Exhibition.

14. Should any Exhibitor desire to employ a servant of his own to preserve or keep in order the articles he exhibits, or to explain them to visitors, he may do so after obtaining permission from the Commissioners. Such persons, however, will, in all cases, be forbidden to invite visitors to purchase the goods of their employers; and any violation of this rule must lead to their exclusion from the Building, the Exhibition being intended for the purposes of display only, and not for those of sale.

15. Prices are not to be affixed to the articles exhibited. But as the cost at which articles can be produced will, in some cases, enter into the question of the distribution of rewards, the Commissioners, or the persons intrusted with the adjudication of the rewards, may have to make inquiries, and possibly to take evidence, upon the subject; still they do not consider it expedient to affix a note of the price to the articles displayed. When the Exhibitor considers the merit of his article to consist in its cheapness, he should state the price in the invoice sent to the Commissioners.

17. A Classified List, together with general instructions affecting each Department, is published, and may be had, by application to M. D. Wyatt, Esq., in packets of 50 each, free, for general distribution.

18. Nothing is suitable for the Exhibition, except such results of Human Industry as are capable of being preserved without injury during many months.

19. No space will be provided for cattle, or for shrubs or flowers.

20. All Spirits, Wines, and Fermented Liquors, unless derived from unusual sources, are inadmissible, except in special cases, and under special restrictions; and when Oils, Spirits, &c., are exhibited, to prevent accidents, they must be shown in well-secured glass vessels.

21. All highly-inflammable articles, such as Gunpowder, Detonating Powders, Lucifer Matches, &c., and all Live Stock, and articles perishable within the duration of the Exhibition, are inadmissible, unless especially excepted.

22, 23, 24, 25, 26, 27, 28, 29, 30.

THE SUBSCRIPTIONS—MANAGEMENT OF THE FUNDS.

31. Her Majesty's Commissioners, having undertaken the *absolute* control over the expenditure of all money that may come into the hands of their Treasurers, have made arrangements for auditing accounts, and insuring the strictest economy.

32. The scale upon which this important undertaking will be conducted, must depend entirely on the amount of pecuniary support which it shall receive from the Public. Her Majesty's Commissioners appeal with confidence to all classes of the community, to enable them to make such liberal arrangements as will insure the success of this undertaking, in a manner worthy of the character and position of this country, and of the invitation which has been given to the other Nations of the world, to compete with us in a spirit of generous and friendly emulation.

33. The amount of the funds, which the public may place at the disposal of the Commissioners, must determine the extent of accommodation which can be provided for the Exhibition.

34. Her Majesty's Commissioners hope that the funds to be placed at their disposal, by voluntary contributions, may be such as to enable them so to regulate the amount to be paid for entrance, that all classes may be enabled to visit the Exhibition.

35. Should any surplus remain, after giving every facility to the Exhibitors and increasing the privileges of the Public as spectators, Her Majesty's Commissioners intend to apply the same to purposes strictly in connexion with the ends of the Exhibition, or for the establishment of similar Exhibitions for the future.

36. Her Majesty's Commissioners are desirous that there should be complete local organization, and that the Local Committees, wherever formed, should themselves collect the Subscriptions within their own districts.

37. The Local Committees should advertise all Subscriptions they receive, and defray all local expenses, paying such commission for collection as they may think necessary.

38. All Subscriptions must be absolute and definite.

39. Her Majesty's Commissioners think that the same complete system of organization should be extended, as much as possible, to the British Colonies.

40. Subscriptions should (without delay) be paid to the Treasurers of Local Committees, and by them transferred to the General Fund at the Bank of England, in the names of A. K. Barclay, Esq., W. Cotton, Esq., Sir J. W. Lubbock, Bart, S. M. Peto, Esq., M. P., and Baron Lionel de Rothschild, M.P.

41, 42, 43, 44, 45.

LOCAL COMMITTEES—THEIR FUNCTIONS, &c.

46. The functions of the Local Committees chiefly consist in the recommendation of Local Commissioners to represent the interests of their localities—in encouraging the production of suitable objects for Exhibition—in affording information in the locality relative to the Exhibition—in the organization and collection of Subscriptions—and in facilitating the means of visiting the Exhibition.

47. However large the Building may be,—the quantity of articles sent for Exhibition may exceed any amount of space that can be provided:—Her Majesty's Commissioners consequently reserve to themselves ample

powers of rejection and selection. But it is the wish of the Commissioners to limit, as far as possible, the necessity for the exercise of the powers of rejection and selection of objects intended for Exhibition thus reserved to them, and for that purpose, to call to their assistance the local knowledge and discretion of the several Local Committees. They consider that it would be desirable that the Local Committees should, without delay, enter into personal communication with those persons resident within their district, who are likely to be Exhibitors; and that they should ascertain the character and number of the objects which it would be their wish to send to the Exhibition. They are desirous of receiving, at as early a period as possible, on or before the 10th May, the general result of the inquiries instituted by the Committees, and a general estimate of the articles likely to be supplied, which, in the opinion of the Committee, may be fitly exhibited, supposing there were ample space.

48. Before a final determination be adopted in respect to the selection of objects to be transmitted, the Commissioners hope to be enabled to depute one or two well-qualified persons to visit the several districts from which articles of the same general character are likely to be supplied; and enter into personal communication with each of the Local Committees, for the purpose of giving them information on any point on which they may be enabled to afford it; and for the purpose also of enabling the Commissioners to judge from the collective reports of the persons employed by them, in what manner the power of selection and rejection, reserved to the Commissioners, can be ultimately exercised most consistently with justice to all parties, and with the advantageous application of the space for the purpose of Exhibition, which they will have at their command.

49. The first object, however, of the Commissioners, is to receive from the Local Committees such general information as to the character of the objects to be supplied, and such general estimate of their number, and the room they would occupy, as may enable the Commissioners to form some judgment as to the probable demands upon the space applicable to the purposes of the Exhibition.

50. The subjoined printed Form has been prepared, which might, it is suggested, be conveniently employed by the Committees in preparing their return, and it would be of considerable importance if the Committee could make such a return to the Commissioners at the time specified.

51. Form of Return to be made by Local Committees to Her Majesty's Commissioners, addressed to M. Digby Wyatt, Esq.

All persons, desirous of contributing Articles for the Exhibition of 1851, are requested to give timely notice of such intention, and to transmit a general description, in the form annexed, of the nature of each Article, and the space which will be required for the Exhibition of it, to the Secretary of the ——— *(nearest)* Local Committee.

56. A register of the names, and the particulars thus sent, will be made by the Local Committees.

57. It will not be necessary, in the first instance, to exhibit to the Local Committee either specimens of the Articles to be sent, or to give a minute specification of them.

58. The first point to be ascertained is the probable number of Exhibitors, and the space that will be probably required for the articles they may send. The Local Committee will hereafter determine on the principle on which the selection of articles for transmission to London shall be made; giving to the Contributors full public notice of that principle, and of the mode in which it is to be carried into execution.

59. It is difficult to decide on this important matter, without having some general notion of the space which it is proposed by Her Majesty's Commissioners to allot to each particular District. It will be the earnest desire of the Local Committee to make those arrangements in respect to the principle and details of selection which shall be most consistent with strict justice to the Contributors, and which shall, as far as possible, prevent any party from being prejudiced by the premature disclosure of any particulars connected with the preparation or manufacture of the Articles which he may propose to exhibit.

ARRANGEMENTS WITH FOREIGN POWERS.

70. No articles of foreign manufacture, to whomsoever they may belong, or wheresoever they may be, can be admitted for Exhibition, unless they come with the sanction of the Central Authority of the country of which they are the produce. Her Majesty's Commissioners will communicate to such Central Authority the amount of space which can be allowed to the productions of the country for which it acts, and will also state the conditions and limitations which may, from time to time, be decided on with respect to the admission of articles. All articles forwarded by such Central Authority will then be admitted, provided they do not require a greater aggregate amount of space than that assigned to the productions of the country from which they come; and, provided also, that they do not violate the general conditions and limitations. It will rest with the Central Authority, in each country, to decide upon the merits of the several articles presented for Exhibition, and to take care that those which are sent are such as fairly represent the Industry of their fellow countrymen.

71. Her Majesty's Commissioners will consider that to be the Central Authority in each case which is stated to be so by the Government of its country. Having once been put in communication with a Central Authority in any country, they must decline, absolutely and entirely, any communication with private and unauthorized individuals; and should any such be addressed to them, they can only refer it to the central body. This decision is essentially necessary, in order to prevent confusion.

72. The Commissioners do not insist upon articles being, in all cases, actually forwarded by the Central Authority, though they consider that this would generally be the most satisfactory arrangement; but it is indispensable that the sanction of such Authority should, in all cases, be expressly given, and that it be held responsible for the fitness of such articles for Exhibition, and for not authorizing the Exhibition of a greater quantity than can be accommodated in the space assigned to the productions of the country in question.

73. In case the Central Authority, in any country, should be of opinion that the space allotted to the productions of that country is greater than it will require, the Commissioners have to request that this opinion may be communicated to them, as it is obvious that it would not appear well if a large vacant space should be left in the department assigned to any country. If, on the other hand, any country require more than the space proposed, this also should be stated, as it may be in the power of the Commissioners to give additional room, in the event of having received notifications from other countries, that a portion of the space assigned to them will not be occupied.

74. The Commissioners reserve to themselves the unfettered right of arranging all goods that may be sent in such a manner as they may think proper. They will endeavour, in the case of articles the nature of which admits of their so doing, to arrange each section with some reference to the nationality of the productions exhibited in it, and will not intermix the productions of one country with those of another, in cases where the objects of the Exhibition can be attained without their doing so. Whatever may be their arrangements, however, they undertake to find places for all articles sent by each country which could, if placed together, be exhibited in the aggregate space allotted to that country, provided only that they be informed in sufficient time what proportion of that space will be required for Raw Materials, what proportion for Machinery, what proportion for Manufactured Articles, and what proportion for objects of Fine Art. This information should be sent on or before the days which will be communicated to each country.

75, 76, 77, 78, 79, 80, 81, 82, 83, 84.

SPECIAL INSTRUCTIONS TO COLONIAL AND FOREIGN EXHIBITORS.

85. Colonial and Foreign productions will be admitted without paying duty, for the purposes of Exhibition, but not for internal consumption. Her Majesty's Commissioners of Customs will consider all such articles as Bonded Goods; and Her Majesty's Commissioners for the Exhibition of 1851 will make suitable arrangements for their reception.

Arrangements made by the Board of Customs to admit Foreign and Colonial Productions for the purposes of the Exhibition of 1851.

86. That all Works intended for the Exhibition should, in the first instance, be admitted into this country without payment of duty; that the goods should not be subject to examination at the waterside, but conveyed to the place of Exhibition, at the expense of the Importer, under charge of proper officers of the Customs, to be there opened by the Importer or his agent, and examined in the presence of the proper officer of the Customs, in order to assess the amount of duty which would become payable thereon if sold in this country, and such marks attached thereto as may be considered necessary to maintain the identity of the goods.

87. That the goods brought for Exhibition should be considered as warehoused, under the Warehousing Regulations, in the premises appointed for the Exhibition; and that security be given in each case for the due re-exportation of the goods, or payment of the duty at the close of the Exhibition.

88. No Goods liable to duty to be on any account removed from the premises until the termination of the Exhibition, and then only on payment of the duty, or for re-exportation.

89. That Goods intended for Exhibition should be imported into one of the following Ports, viz.—

LONDON,—LIVERPOOL,—BRISTOL,—HULL,—NEWCASTLE,—DOVER,—FOLKESTONE,—
and SOUTHAMPTON;

and the Board of Customs to make such regulations, and appoint such officers of the Department for taking charge of the goods at the place of Exhibition, in communication with the Commission for conducting the proceedings, as may be deemed essential for the security of the interests of the Revenue.

90. All goods which are forwarded to England will remain deposited in charge of the Customs, until claimed by an agent of the party sending them, *who will have to establish his right to remove them to the Building by producing the Bill of Lading*, and the Certificate given by the Central Authorities in each country that such goods are for the Exhibition.

91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

THE PRIZES AND JURIES.

101. "Her Majesty's Commissioners have had under their consideration the subject of the prizes to be awarded to Exhibitors, and have resolved to take immediate steps for having (three) medals struck of various sizes and different designs, it being their opinion that this is the Form in which it will, generally speaking, be most

desirable that the rewards should be distributed. They have decided to select bronze for the material in which the medals are to be executed, considering that metal to be better calculated than any other for the development of superior skill and ingenuity in the medallic art, and at the same time the most likely to constitute a lasting memorial of the Exhibition.

102. "With regard to the mode in which the prizes are to be awarded, the Commissioners think it inexpedient to establish, beforehand, rules so precise as to fetter the discretion of the juries upon which the task will ultimately devolve. It will be sufficient for the present to indicate the general principles to which it will probably be advisable to conform in the award of prizes for successful competition in the several departments of the Exhibition.

103. "In the department of RAW MATERIALS AND PRODUCE, for instance, prizes will be awarded upon a consideration of the value and importance of the article, and the superior excellence of the particular specimens exhibited; and in the case of prepared materials, coming under this head of the Exhibition, the juries will take into account the novelty and importance of the prepared product, and the superior skill and ingenuity manifested in the process of preparation.

104. "In the department of MACHINERY, the prizes will be given with reference to novelty in the invention, superiority in the execution, increased efficiency, or increased economy, in the use of the article exhibited. The importance, in a social or other point of view, of the purposes to which the article is to be applied, will also be taken into consideration, as will also the amount of the difficulties overcome in bringing the invention to perfection.

105. "In the department of MANUFACTURES, those articles will be rewarded which fulfil in the highest degree the conditions specified in the sectional list already published, viz.:—Increased usefulness, such as permanency in dyes, improved forms and arrangements in articles of utility, &c. Superior quality, or superior skill in workmanship. New use of known materials. Use of new materials. New combinations of materials, as in metals and pottery. Beauty of design in form, or colour, or both, with reference to utility. Cheapness, relatively to excellence of production.

106. "In the department of SCULPTURE, MODELS, AND THE PLASTIC ART, the rewards will have reference to the beauty and originality of the specimens exhibited, to improvements in the processes of production, to the application of art to manufactures, and, in the case of models, to the interest attaching to the subject they represent.

107. "These general indications are sufficient to show that it is the wish of the Commissioners, as far as possible, to reward all articles in any department of the Exhibition which may appear to competent judges to possess any decided superiority, of whatever nature that superiority may be, in their own kind.

108. "In selecting the juries who are ultimately to guide them in making their award, the Commissioners will take the greatest pains to secure the services of men of known ability to form a judgment, above the suspicion of either national or individual partiality (for which purpose they will be composed partly of English, and partly of foreigners); and who may be expected to recognise and appreciate merit wherever it may be found, and in whatever way it may show itself.

109. "No competitor, for a prize in any section, will be allowed to act upon a jury to award the prizes in that section.

110. "The names of persons selected to act on these juries will be published when decided upon.

111. "All persons, whether being the designers or inventors, the manufacturers or the proprietors, of any articles, will be allowed to exhibit, and that it will not be essential that they should state the character in which they do so. In awarding the prizes, however, it will be for the juries to consider, in each individual case, how far the various elements of merit should be recognised, and to decide whether the prize should be handed to the Exhibitor, without previous inquiry as to the character in which he exhibits.

112. "Lastly, the Commissioners, in announcing their intention of giving medal prizes, do not propose altogether to exclude pecuniary grants, either as prizes for successful competition, or as awards under special circumstances, accompanying, and in addition to the honorary distinction of the medal. There may be cases in which, on account of the condition of life of the successful competitor (as, for instance, in the case of workmen,) the grant of a sum of money may be the most appropriate reward of superior excellence; and there may be other cases of a special and exceptional nature, in which, from a consideration of the expense incurred in the preparation or transmission of a particular article entitled to a prize, combined with a due regard to the condition and pecuniary circumstances of the party exhibiting, a special grant may, with propriety, be added to the honorary distinction. The Commissioners are not prepared, for the present at least, to establish any regulations on these heads. They consider it probable that a wide discretion must be left to the juries to be hereafter appointed in respect to the award of money prizes, or the grant of money in aid of honorary distinctions; it being understood that such discretion is to be exercised under the superintendence and control of the Commission."

113, 114, 115, 116, 117, 118, 119, 120, 121, 122.

CLASSIFICATION.

123. The Articles exhibited will be divided into Four Sections,—

SECTION I. Raw Materials and Produce,—illustrative of the natural productions on which Human Industry is employed.

SECTION II. Machinery for Agricultural, Manufacturing, Engineering, and other purposes, and Mechanical Inventions,—illustrative of the agents which Human Ingenuity brings to bear upon the products of Nature.

SECTION III. Manufactures,—illustrative of the result produced by the operation of Human Industry upon natural produce.

Designs for Manufactures are to be admitted in the same section with the class of articles for which they are proposed.

SECTION IV. Sculpture, Models, and the Plastic Arts generally,—illustrative of the taste and skill displayed in such applications of Human Industry.

Articles belonging to one Section, may be admitted to another, where they may be considered necessary; but, in such cases for illustration only.

124, 125, 126, 127, 128, 129, 130, 131, 132, 133.

SPECIAL INSTRUCTIONS IN SECTIONS.

SECTION I.—RAW MATERIALS AND PRODUCE.

Division (A.)—Mineral Kingdom.

134. It is desirable that the Raw Materials should be shown in connexion with the produce of the Mineral Kingdom, so as to form a history and explanation of the processes employed to fit them for the useful and ornamental purposes of life. The Exhibition would thus comprehend,

135. Illustrations of the various modes of extracting and preparing the *Raw Materials* for Produce.

136. Illustrations of methods of reducing, working, or combining Raw Materials, so as to obtain *Products* which may afterwards receive applications to the useful or ornamental purposes of life.

137. The Specimens fitted for Exhibition should include only those remarkable for their *excellence*, for *novelty* in their occurrence or application, or *economy* of their extraction or preparation; or,

138. Those remarkable as *illustrations* of some further processes of Manufacture.

Division (B.)—Vegetable Kingdom.

139. The objects which the Commission is most desirous of receiving, among the products of the Vegetable Kingdom, are such as from their utility, novelty, or practical interest may appear especially deserving public attention. Peculiarly fine samples of substances in common use; authenticated samples of substances having similar properties, but derived from different sources—such as Arrow-root, Sago, &c. Dyeing Materials, accompanied by specimens exhibiting the effect of such Materials. Fancy Wood, both in the polished, rough, and manufactured state. All sorts of materials, which are applicable to the manufacture of linen, cordage, wicker-work, paper, and the like.

Division (C).—Animal Kingdom.

140. As Illustrations in this Division, the various Processes of Preparation may be exhibited in connexion with the Raw Materials; and a Finished Article may be introduced as the termination of a series of objects in preparatory stages.

SECTION II.—MACHINERY.

Division (A).—Machines for Direct Use.

141. Machines will be exhibited in motion, whenever it may be desirable to do so, and it may be found practicable to provide the necessary arrangements for that purpose.

Division (B).—Manufacturing Machines.

142. Although in arranging this class for Exhibition it will generally be found advisable to separate the Products from the Producing Mechanism, yet the latter should always be accompanied with sufficient specimens of the Raw Material, in its several stages of manufacture, and of the finished product, to make the operation of the Machinery intelligible.

143. The complete series of tools and machinery that belongs to the manufacture of any object of common use, such as a watch, a button, or a needle, accompanied by specimens of the object and its parts, in their various stages of progress, is so instructive and interesting, that it is very desirable to obtain several such series for the proposed Exhibition.

SECTION III.—MANUFACTURES.

144. Manufactures to be exhibited in this Section must be in their *Finished* state, as fit for use.

SECTION IV.—SCULPTURE, MODELS, AND THE PLASTIC ART.

145. Objects formed in any kind of material, if they exhibit such a degree of taste and still as to come under the denomination of *Fine Art*, may be admitted into this Section.

146. The Specimens exhibited shall be works of Living Artists, or works of Artists deceased within three years before the 1st of January, 1850.

147. Oil Paintings and Water Colour Paintings, Frescoes, Drawings, and Engravings, are not to be admitted, except as illustrations or examples of materials and processes; and Portrait Busts are not to be admitted.

148. No single Artist will be allowed to exhibit more than three works.

If there be any points upon which Local Committees may require information, and will address themselves to the Secretaries of the Commission, Her Majesty's Commissioners will be happy to afford it to them, so far as it may be in their power.

MARINE COURT.

At a Court assembled on Friday, the Tenth day of May, One Thousand Eight Hundred and Fifty, under Act No. 24 of 1845, Mr. Mate Pilot George Frederick Medley was tried on the following charge.

Charge.

For unseamanlike conduct, ignorance in the performance of his duty and want of judgment displayed whilst in pilotage charge of the Barque "Easurain," beating down through Saugor Roads, on Tuesday, the 30th day of April 1850, whereby the said vessel came into violent collision with the Barque "Couranto," then proceeding down under tow of a Steamer, doing serious damage to both vessels, greatly endangering them, and rendering it necessary for both to put back to Calcutta for repairs.

By Order of the Superintendent of Marine,

(Signed) James Sutherland,
Secretary.

Fort William,
The 6th May, 1850.

Finding.

The Court having maturely weighed and considered the evidence brought forward in support of the prosecution, together with that adduced on the defence, is of opinion that the defendant Mr. Mate Pilot George Frederick Medley is guilty of the charge preferred against him with the exception of the words "unseamanlike conduct" and "ignorance in the performance of his duty," of which the Court acquits him.

Sentence.

The Court having found the defendant Guilty to the extent specified, doth adjudge him the said Mr. Mate Pilot George Frederick Medley to be reprimanded.

(Signed) H. Piddington,
President.

(Signed) H. Howe,
Judge Advocate.

Fort William,
Master Attendant's Office,
The 18th of May 1850.

Remarks by 6 Members of the Court.

The Court is desirous, in explanation of its Finding and Sentence, to remark that although Mr. Medley has been found guilty of an error of judgment in handling the "Easurain," after the vessels approached so near, that a collision was almost certain, they beg respectfully to draw the attention of the Government *to that position* which they think was entirely attributable to Mr. Laing, and the Court trusts that when the reprimand which has been awarded, is administered, this circumstance will weigh in favor of Mr. Medley.

(Signed) H. Piddington,
President.

Fort William,
The 18th May, 1850.

2. The Proceedings having been submitted to Government, His Honor the Deputy Governor of Bengal has been pleased to communicate his decision on the case as follows:

No. 330.

From the Secretary to the Government of Bengal,
To the Superintendent of Marine,

Dated Fort William, 7th June, 1850.

Marine.

SIR,

I am directed by the Deputy Governor of Bengal to convey to you the following order by His Honor, on your letter, No. 1878, dated the 25th instant, submitting the Minutes of Proceedings in the trial of Mr. Mate Pilot G. F. Medley, charged with unseamanlike conduct, ignorance in the performance of his duty, and want of judgment displayed, whilst in pilotage charge of the Barque "Easurain" when beating down through Saugor Roads, whereby the said vessel came into violent collision with the Barque "Couranto" proceeding down under tow of a Steamer.

2. The Court acquit Mr. Medley of having shewn ignorance in the performance of his duty, and of unseamanlike conduct, on that occasion, but they find him guilty of want of judgment; and they sentence him to be reprimanded. Six Members of the Court explain that although Mr. Medley has been found guilty of an error of judgment in handling the "Easurain," after the vessels approached so near that a collision was almost certain, the bringing of the two vessels into that position was attributable to Mr. Laing, the Pilot of the "Couranto." Holding that opinion, they very properly draw the attention of Government to the circumstance.

3. You were of opinion that the evidence went to prove Mr. Medley guilty of some of the graver part of the charge whereof he was acquitted; and the Court were reassembled to reconsider their finding, with reference to your remarks; but after deliberating thereon the Court have adhered to their original Finding and Sentence.

4. The Deputy Governor observes that no blame is attributed by any one to Mr. Medley for the dangerous proximity into which the two vessels were brought, before he bore up. The Court pronounce him deserving of reprimand, for his management then, the result of which was his running at a high rate of speed, stem on, into the "Couranto," but they acquit him of such mismanagement as amounts to unseamanlike conduct, or evinces want of professional knowledge.

5. The point on which you differ with the Court being purely of a professional character, the Deputy Governor makes no remark upon it. He is pleased to confirm the sentence; and to direct that in accordance therewith a reprimand be administered by you to Mr. Medley.

6. The Deputy Governor concurs in that part of the remarks, appended by the Court to their Finding and Sentence, which attributes to Mr. Laing the bringing of the two vessels so near to each other as to risk collision. Mr. Laing himself admits that if Mr. Medley had kept on his course, and collision had happened, Mr. Medley would have had right on his side. Without entering into the question of whether, if the "Easurain", had kept her wind, collision must infallibly have occurred, or not, it is plain to His Honor, from all the professional evidence before him, that there would have been in that case such imminent risk of collision, as could not have been incurred without grave fault on the part of one, or other, or both of the Pilots in charge. Mr. Medley's vessel being close hauled, and on her starboard tack moreover, it has not been pretended that any vessel, and least of all, a vessel under tow of a Steamer, had a right to interrupt her course by threatening collision if she continued it.

7. Under all the circumstances of this case, the Deputy Governor will not now order another Court to be held on this affair for the trial of Mr. Laing. But taking into consideration some of the evidence adduced on the part of the Defendant in the present trial, His Honor is of opinion, that the remarks of this Court, attributing to Mr. Laing, the bringing of the two ships into a position in which the risk of collision was imminent, should be formally brought by you to that officer's notice, with a serious warning of the danger of not giving way, when rule and usage require him to do so.

8. As it appears, though there is no doubt what the general rule and usage are, and ought to be, as applicable to the present case, that there is no specific Regulation in the Pilot's printed instructions applicable expressly to Steamers and vessels in tow of Steamers, on the point of giving way to sailing vessels, whether generally, or under certain circumstances, the Deputy Governor thinks it probable that this is a deficiency which it would be well to amend. If you see no objection to so doing, a Rule on the subject can be promulgated.

I have the honor to be, &c.,

(Signed) J. P. GRANT,
Secy. to the Govt. of Bengal.

3. In conformity with the above decision the Master Attendant has been desired to reprimand Mr. Mate Pilot Geo. Fred. Medley, release him from arrest, and allow him to return to his duty.

JAMES SUTHERLAND,
Secretary.

NOTIFICATION.

London Exhibition of the Works of Industry and Art of all Nations.

BY a notification dated the 8th March last, the Central Committee, charged with the duty of promoting the objects of this Exhibition in Bengal, invited all persons, intending to send articles to the Exhibition, to communicate their intentions either to the Central Committee, or to one of the Local Committees in the provinces, and to furnish an accurate description of the articles intended to be sent.

In the same notification it was requested that in all such communications it might be stated whether the party contributing the articles desired that they should be included in the Central Committee's list, and despatched to England with the Government collection, or whether it was intended that they should be despatched, separately and independently, on private account.

It was further intimated, that all articles which private individuals might be desirous of sending to England at the public charge, would have to be submitted to the inspection of either the Central Committee or one of the Local Committees, in order that it might be determined, whether the articles were such as the Government could properly undertake to transport. And it was added, that although the Government would not guarantee their safe return, yet that every care would be taken of them, and that after the Exhibition they would either be returned to Calcutta free of charge, or disposed of in England, as the owners might desire.

In a subsequent notification of the 1st ultimo the public were informed, that arrangements would be made for securing to the manufacturer or producer of any article sent to the Exhibition either by Government or through its Agency, the payment of any prize or premium that might be awarded to such article.

The Central Committee have now the satisfaction to announce, that the Supreme Government have consented to remit the Indian Export duty on all commodities sent by private individuals to the Exhibition, whether through the Agency of Government, or separately and independently on private account; provided, in the latter case, that the goods be covered by a certificate from the Central Committee to the effect, that they are intended *bonâ fide* for the Exhibition, and not for the ordinary purposes of trade.

Parties desirous of obtaining from the Central Committee a certificate of this kind must furnish an accurate specification of the articles intended to be sent, and satisfy the Committee in each case, that the articles are *bonâ fide* intended for the Exhibition, and that all reasonable diligence will be used in sending them.

No certificates will be granted for a larger quantity of any article than may be thought a fair sample, sufficient to enable H. M. Commissioners and the public to judge of its general quality. No goods can be shipped to go round the Cape duty free under a certificate from the Central Committee after the 15th October next, or by one of the Peninsular and Oriental Company's Steam Vessels, to go overland after the 8th January 1851.

The Committee have also to announce, that the Government of India have determined to bear the expense of insurance against sea risks, as well as other transport charges, on all articles sent to England by private individuals with the Government collection.

By order of the Central Committee,

CECIL BEADON,
Secretary.

NOTIFICATION.

London Exhibition of the Works of Industry and Art of all Nations.

BY a notification dated the 8th March last, the Central Committee, charged with the duty of promoting the objects of this Exhibition in Bengal, invited all persons, intending to send articles to the Exhibition, to communicate their intentions either to the Central Committee, or to one of the Local Committees in the provinces, and to furnish an accurate description of the articles intended to be sent.

In the same notification it was requested that in all such communications it might be stated whether the party contributing the articles desired that they should be included in the Central Committee's list, and despatched to England with the Government collection, or whether it was intended that they should be despatched, separately and independently, on private account.

It was further intimated, that all articles which private individuals might be desirous of sending to England at the public charge, would have to be submitted to the inspection of either the Central Committee or one of the Local Committees, in order that it might be determined, whether the articles were such as the Government could properly undertake to transport. And it was added, that although the Government would not guarantee their safe return, yet that every care would be taken of them, and that after the Exhibition they would either be returned to Calcutta free of charge, or disposed of in England, as the owners might desire.

In a subsequent notification of the 1st ultimo the public were informed, that arrangements would be made for securing to the manufacturer or producer of any article sent to the Exhibition either by Government or through its Agency, the payment of any prize or premium that might be awarded to such article.

The Central Committee have now the satisfaction to announce, that the Supreme Government have consented to remit the Indian Export duty on all commodities sent by private individuals to the Exhibition, whether through the Agency of Government, or separately and independently on private account; provided, in the latter case, that the goods be covered by a certificate from the Central Committee to the effect, that they are intended *bonâ fide* for the Exhibition, and not for the ordinary purposes of trade.

Parties desirous of obtaining from the Central Committee a certificate of this kind must furnish an accurate specification of the articles intended to be sent; and satisfy the Committee in each case, that the articles are *bonâ fide* intended for the Exhibition, and that all reasonable diligence will be used in sending them.

No certificates will be granted for a larger quantity of any article than may be thought a fair sample, sufficient to enable H. M. Commissioners and the public to judge of its general quality. No goods can be shipped to go round the Cape duty free under a certificate from the Central Committee after the 15th October next, or by one of the Peninsular and Oriental Company's Steam Vessels, to go overland after the 8th January 1851.

The Committee have also to announce, that the Government of India have determined to bear the expense of insurance against sea risks, as well as other transport charges, on all articles sent to England by private individuals with the Government collection.

By order of the Central Committee,

CECIL BEADON,
Secretary.

Fort William, Home Department, Legislative, the 21st June, 1850.

The following Draft of a proposed Act was read in Council for the first time on the 21st June 1850:

ACT No. —— OF 1850.

An Act for amending the Laws for collecting a Revenue of Excise on Spirituous Liquors and Intoxicating Drugs in the Settlements of Prince of Wales' Island, Singapore and Malacca.

Whereas it is expedient to make better provision for the collection of a Revenue of Excise upon Opium, Chandoo, Toddy and Bang, Arrack, and Spirits, and the granting of Excise Licenses for the sale of the said articles by retail within the Settlements of Prince of Wales' Island, Singapore and Malacca, It is enacted as follows:

I. Regulations II. and V. 1830, passed by the Governor of Prince of Wales' Island, Singapore and Malacca in Council, Regulations IV. 1831 and X. 1833 of the Bengal Code and Act V. 1839, are repealed.

II. Every person who shall sell, by retail, any Spirituous or Fermented Liquors or Intoxicating Drugs, hereinafter specified, within the Settlements of Prince of Wales' Island, Singapore and Malacca, without a License for that purpose under the hand and seal of the Resident Councillor of the Settlement, shall be liable to a fine, not exceeding Two Hundred and Fifty Dollars for each sale, but this enactment shall not apply to wholesale dealers selling such small quantities of Beer, Wines or Spirits, as may appear to the Resident Councillor to be intended only as samples.

III. A sale of English or Foreign Beer, Wines or Spirits, in any quantity, not exceeding two gallons, or of Bengal Arrack or Rum, or other Country Spirit in any quantity, not exceeding one seer, or of Toddy in any quantity, not exceeding four seers, or of Ganjah or Bang, or any preparation or admixture of the same, in any quantity not exceeding one quarter of a seer, or of Opium, or Chandoo, or any preparation or admixture of the same, in any quantity, not exceeding the weight of five tolas, shall be deemed a retail sale within the meaning of this Act.

IV. The above provisions shall not apply to the sale of Opium for Medicinal purposes by recognized Medical Practitioners, Chemists and Druggists.

V. The Governor of the Straits Settlements shall have authority, at all times, to regulate the form of Licenses to be granted under this Act, and to alter and add to the conditions thereof.

VI. Every person taking out a License for the retail sale of Spirituous or Fermented Liquors, or Intoxicating Drugs under this Act, shall execute a counterpart engagement in exact conformity with the tenor of such License.

VII. Whenever a License shall be granted under this Act, the Resident Councillor shall be authorized to demand, in consideration of the privilege granted, such fee, tax or duty as may, from time to time, be fixed, with the sanction of the Governor of the Straits Settlements; and such fee, tax, or duty may be made payable daily, weekly or monthly, and either in advance, or at such period as may be settled by the Resident Councillor.

VIII. The Resident Councillor may withhold or recal a License, if any such fee, tax or duty be not duly paid, according to the conditions upon which the License is granted, or in case of a breach of any of the other conditions thereof; or for any other cause, giving one month's notice of such withdrawal; and any person selling, by retail, any Spirituous or Fermented Liquors, or Intoxicating Drugs above specified, within the Settlements of Prince of Wales' Island, Singapore and Malacca whilst such License is withheld, or after it is recalled, shall be subject to all the penalties provided by this Act for the unlicensed sale of Spirituous or Fermented Liquors, or Intoxicating Drugs.

IX. Any Licensed retail Dealer may surrender his License on giving fifteen days previous notice to the Resident Councillor, and paying a sum equal to the tax for that time over and above the sum payable under the License.

X. The Resident Councillor after demand made in writing may levy any arrear of tax or duty, due on account of any License granted under this Act, by distress and sale of the Goods and Chattels of the person from whom the same is due, provided that no such arrear shall be recoverable after the end of two years next after the same shall have become due, or next after an acknowledgment of the same in writing shall have

been given by the person by whom the same is payable.

XI. A breach of any of the conditions of a License granted under this Act shall, beside entailing forfeiture of the License, be punishable by a fine not exceeding Twenty-five Dollars, and such fine shall be recoverable from the Licensed Dealer notwithstanding that such breach may have been owing to the default or carelessness of the servant or other person in charge of the shop.

XII. The Resident Councillor may appoint Constables, Jemadars, Peons and other Officers for collection of the Excise Revenue and prevention of Smuggling, and the Officers so appointed, beside their ordinary respective designations, shall be styled "Excise Officers."

XIII. Any Excise Officer above the rank of a Peon or Chauprassy may enter and inspect at any time, by day or by night, and any Excise Officer may enter and inspect by day the house or shop in which any Licensed Dealer shall carry on the sale of Spirituous or Fermented Liquors, or Intoxicating Drugs.

XIV. Every person holding a License for the sale of Spirituous or Fermented Liquors, or Intoxicating Drugs, shall keep such License at the house or shop specified in the License, and shall shew the License on the demand of any Excise Officer, who shall desire to see the same, and any Licensed Dealer, who shall refuse or be unable to produce his License, on the demand of any Excise Officer, shall be liable to a fine not exceeding One Hundred Dollars.

XV. Any Officer employed in the Excise Department, who shall unlawfully connive at the sale of Spirituous or Fermented Liquors, or Intoxicating Drugs, without License, or by any Licensed Dealear contrary to the terms of such License, or act in a manner inconsistent with his duty for the purpose of enabling any person to do any thing whereby any of the Provisions of this Act may be evaded or broken, or the Excise Revenue defrauded, shall be liable to a fine not exceeding Two Hundred and Fifty Dollars.

XVI. Any Excise Officer, who shall ask or take any gratuity, not authorised by any Law or Order of Government, or of the Resident Councillor in consideration of doing, or of omitting to do any act in his official capacity, and any person who shall offer a bribe to any such Officer, in order to induce such Officer to act in a manner inconsistent with his duty, shall be liable, for every such offence, to a fine not exceeding Two Hundred and Fifty Dollars.

XVII. All fines leviable under this Act shall be adjudged by any Justice of the Peace for the Settlements of Prince of Wales' Island, Singapore and Malacca, and the said Justice upon information exhibited before him by order of the Resident Councillor, shall forthwith summon the parties accused, and upon their appearance or default, shall examine into the matter, and upon due proof made thereof, by the voluntary confession of the parties, or by the oath or solemn affirmation, in cases wherein a solemn affirmation is receivable by law instead of an oath, of one or more credible witnesses, shall give judgment accordingly, and in default of payment of any fine to which an offender is adjudged, he shall be liable, by order of the said Justice, to imprisonment in the Common Jail, for a period not exceeding six months, or until the fine is sooner paid; and no proceedings shall be taken under this Section by any Justice of the Peace after the expiration of three Calendar months from the date of the offence by which the fine was incurred.

XVIII. Whenever any person shall be convicted before any such Justice as aforesaid of an offence against this Act, after having been previously convicted of a like offence, he shall be liable, in addition to the penalty attached to such offence, to imprisonment in the Common Jail, for a period not exceeding six months; and a like punishment of imprisonment not exceeding six months, shall be incurred in addition to the punishment, which may be inflicted for a first offence, upon every subsequent conviction after the second.

XIX. All fines levied under this Act, the disposal of which is not specially provided for, shall belong to Government; but the Resident Councillor may grant any portion thereof, not exceeding one-half, as rewards to Informers, or as compensation to parties injured by any proceedings under this Act.

XX. No Writ of *Certiorari* shall be issued at the suit of any party out of the Court of Judicature of the Straits' Settlements, to supersede, stay, remove, or in any wise affect any information or judicial proceeding before any Justice of the Peace, in pursuance of this Act; and no judgment thereupon shall be quashed, except for error of law apparent on the face of the judgment.

XXI. All actions and prosecutions to be commenced against the Resident Councillor or any Excise Officer, or any person acting in aid of any such Officer, for any thing done in pursuance of this Act, shall be commenced within three Calendar months after the fact committed and not afterwards; and notice in writing of such action, and of the cause thereof shall be given to the defendant one Calendar month at least before the commencement of the action, and no plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action brought, or if after action brought, a sufficient sum of money shall have been paid into Court, with costs, by or on behalf of the defendant.

NOTIFICATION.

London Exhibition of the Works of Industry and Art of all Nations.

BY a notification dated the 8th March last, the Central Committee, charged with the duty of promoting the objects of this Exhibition in Bengal, invited all persons, intending to send articles to the Exhibition, to communicate their intentions either to the Central Committee, or to one of the Local Committees in the provinces, and to furnish an accurate description of the articles intended to be sent.

In the same notification it was requested that in all such communications it might be stated whether the party contributing the articles desired that they should be included in the Central Committee's list, and despatched to England with the Government collection, or whether it was intended that they should be despatched, separately and independently, on private account.

It was further intimated, that all articles which private individuals might be desirous of sending to England at the public charge, would have to be submitted to the inspection of either the Central Committee or one of the Local Committees, in order that it might be determined, whether the articles were such as the Government could properly undertake to transport. And it was added, that although the Government would not guarantee their safe return, yet that every care would be taken of them, and that after the Exhibition they would either be returned to Calcutta free of charge, or disposed of in England, as the owners might desire.

In a subsequent notification of the 1st ultimo the public were informed, that arrangements would be made for securing to the manufacturer or producer of any article sent to the Exhibition either by Government or through its Agency, the payment of any prize or premium that might be awarded to such article.

The Central Committee have now the satisfaction to announce, that the Supreme Government have consented to remit the Indian Export duty on all commodities sent by private individuals to the Exhibition, whether through the Agency of Government, or separately and independently on private account; provided, in the latter case, that the goods be covered by a certificate from the Central Committee to the effect, that they are intended *bonâ fide* for the Exhibition, and not for the ordinary purposes of trade.

Parties desirous of obtaining from the Central Committee a certificate of this kind must furnish an accurate specification of the articles intended to be sent, and satisfy the Committee in each case, that the articles are *bonâ fide* intended for the Exhibition, and that all reasonable diligence will be used in sending them.

No certificates will be granted for a larger quantity of any article than may be thought a fair sample, sufficient to enable H. M. Commissioners and the public to judge of its general quality. No goods can be shipped to go round the Cape duty free under a certificate from the Central Committee after the 15th October next, or by one of the Peninsular and Oriental Company's Steam Vessels, to go overland after the 8th January 1851.

The Committee have also to announce, that the Government of India have determined to bear the expense of insurance against sea risks, as well as other transport charges, on all articles sent to England by private individuals with the Government collection.

By order of the Central Committee,

CECIL BEADON,
Secretary.

An Act to enable improvements to be made in Towns.

Whereas Act X. 1842, was passed for enabling the inhabitants of any place of public resort or residence, under the Presidency of Fort William, not within the Town of Calcutta, to make better provision for purposes connected with public health and convenience, but the said Act has proved ineffectual for the purpose, and it is expedient to amend the provisions thereof, and to extend the like powers to the inhabitants of Towns in the other Presidencies under the Government of the East India Company, It is enacted as follows:

I. Act X. 1842, is repealed.

II. If it shall appear to the Governor or Governor in Council, or Lieutenant Governor, of any Presidency or Place within the Territories under the Government of the East India Company, that the inhabitants of any Town or Suburb, not within the Town of Calcutta, Madras, or Bombay, are desirous of making better provision for making, repairing, cleaning, lighting, or watching any public streets, roads, drains, or tanks, or for the

prevention of nuisances, or for improving the said Town or Suburb in any other manner, the said Governor or Governor in Council, or Lieutenant Governor, may order this Act to be put in force within such Town or Suburb.

III. Whenever any application shall be made to the Government for putting this Act in force in any Town or Suburb, notice thereof shall be given in the *Government Gazette* of the Presidency, or place, and also by proclamation within such Town or Suburb, setting forth the purposes of the application, and giving reasonable time for all inhabitants of such Town or Suburb, who are minded to declare themselves for or against the adoption of this Act therein, for such purposes or any of them.

IV. The Governor or Governor in Council, or Lieutenant Governor, shall take all such declarations into due consideration, and after the time allowed for receiving the same, shall make a final order, which shall be published in the *Government Gazette*, and also notified by proclamation within such Town or Suburb, to the effect that the application appears, or does not appear, to be according to the wishes of the inhabitants, either wholly, or in respect to one or more of the purposes in respect of which it is made; and if the whole or any part of it shall appear to be according to the wishes of the inhabitants, then that this Act shall be thenceforth in force in such Town or Suburb, for such purposes only as shall be mentioned in the order.

V. Whenever any such order shall be made and published as aforesaid, this Act shall come into force within the said Town or Suburb, for such purposes as are mentioned in the Order, and the making and publication of the said Order shall be conclusive evidence that the provisions of this Act have been complied with, and that it is thenceforth in force within the said Town or Suburb, for such purposes as are mentioned in the Order.

And the said Governor or Governor in Council, or Lieutenant Governor, may remove any of the Commissioners and appoint others, and may fill up vacancies occurring among the Commissioners in such manner as may seem to him fit.

4. The definition and prohibition of nuisances within the Town or Suburb.

5. The imposition of reasonable penalties for breach of any Rule made by the Commissioners, not exceeding Fifty Rupees, or in the case of continuing nuisance, not exceeding Five Rupees for every day that such nuisance is continued.

VIII. The Commissioners appointed from time to time shall have full power to make all necessary contracts, for the purposes of this Act, and apply the taxes raised as aforesaid in the necessary works, and in payment of their Officers and Servants, and in the other expenses incident to the execution of this Act within the said Town or Suburb.

IX. No Commissioner shall be personally liable for any contract made by the Commissioners on behalf of the inhabitants of such Town or Suburb; but every Commissioner shall be liable for any misapplication of the monies collected, to which he shall have been knowingly party or privy, or which shall have happened through gross neglect of his duty, and shall be liable to be sued for the same as for money due to, and at the suit of the East India Company.

Vessel, who shall wilfully offend against this enactment, shall be liable to a penalty, not exceeding One Hundred Rupees, for each Seaman so unlawfully engaged or employed.

XII. Every person, who shall wilfully alter, deface or destroy any Register Ticket, or counterfeit any such Register Ticket, or transfer or traffic in any such Ticket, issued or purporting to be issued under this Act, shall be liable to a penalty, not exceeding One Hundred Rupees.

XIII. Every person, who shall become possessed of any Register Ticket, other than that lawfully issued to him, (except Masters of Vessels and others directed to keep any such Tickets by this Act), either by the death of the Seaman to whom it belonged or otherwise, shall forthwith send it to the Registrar of the port whence it was issued, and in default of so doing, shall be liable to a penalty, not exceeding One Hundred Rupees.

XIV. Every Seaman, tendering to the Master or Owner of any Vessel a cancelled Register Ticket, or any Ticket not lawfully issued to him, shall forfeit to the Owner all wages accruing to him during the service for which he shall have agreed.

XV. All penalties directed by this Act may be imposed on summary conviction before a Magistrate or Justice of the Peace, and may be recovered with costs, as if they were imposed by a Magistrate under Act II. 1839.

XVI. The Fees received by the Registrar shall be applied toward defraying the expences of this Act; beside which, a yearly duty of One Anna per ton shall be levied for the same purpose on all Vessels of the burden of one hundred and fifty tons and upwards, navigated to or from the ports within the Territories under the Government of the East India Company; and the production of a certificate of payment at one port of Registry shall free the same Vessel at all others during the current year, to be reckoned from the First day of January to the last day of December.

Fort William, Home Department, Legislative, the 21st June, 1850.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 21st June 1850, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XXVIII. OF 1850.

An Act for the encouragement of Merchant Seamen.

For the encouragement and protection of Merchant Seamen, It is enacted as follows:

I. The Master of any Vessel, navigated from any port within the territories under the Government of the East India Company, where a Registrar of Seamen is or shall be appointed under Act XXVII. 1850, registered as a British Vessel under any Statute of Parliament, or Act of the Governor General of India in Council, in force for the time being, for the Registry of British Vessels, except Country Craft not exceeding the burden of 300 tons employed only in Coasting voyages, shall not put to sea on any day after the First day of August 1850, until an agreement, executed as hereinafter provided, shall have been made by him with such of his Crew as are shipped at any port within the said territories, specifying what wages each Seaman is to receive, and the quantity and quality of provisions he is to receive, the capacity in which each is to act, or serve, and the voyage in which the Vessel is to be employed, or the length of time that each is to serve.

II. Every such agreement shall be in the form set forth in Schedule (A) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, and shall be properly dated, and shall be signed by the Master and the greater number of Seamen shipped at any port in the said territories, of each kind of rating belonging to the Vessel, on behalf of the Crew, respectively, in the presence of the Registrar of Seamen, or by some one appointed by him for that purpose, who, after hearing the agreement read over and explained to each Seaman by whom it is to be signed, in a language understood by him, shall, if the Seaman assent, cause him to put his signature or mark thereunto, and shall attest the same by his own signature, and shall keep recorded in his office a duplicate of such agreement executed and attested as aforesaid. Every Seaman shipped on board such Vessel, and not being an Apprentice, shall be entitled to have the benefit of such agreement, according to his rating, as if it were executed by him.

III. Every copy of such an agreement, certified by the Registrar to be a true copy, shall, in all cases, be taken as evidence of the contents thereof on behalf of the Seamen; and no Seaman shall, in any case, be required to produce such agreement, or such copy as aforesaid, or to give notice for the production thereof: but, if the agreement shall not be produced and proved, he shall be at liberty to prove the contents or purport thereof, or to establish his claim by other evidence, according to the nature of the case.

IV. No Seaman, shipped under this Act, shall, by reason of any agreement, forfeit his lien upon the Ship, or be deprived of any remedy for the recovery of his wages to which he would otherwise be entitled, against any person or persons whatever; and no agreement, contrary to, or inconsistent with this Act, nor any clause, contract or engagement, whereby any Seaman shall consent or promise to forego, or give up any right or claim to wages in the case of freight earned by a Ship afterwards lost, or any right or claim to salvage or reward for salvage services, or such share of salvage or reward for salvage services as may be due to him by decree or award, or otherwise, shall be binding on such Seaman.

V. The wages of any Seaman engaged to serve on any Vessel under this Act, shall be calculated by the calendar month.

VI. If any Seaman, serving under the provisions of this Act, shall, by a writing, according to a form set forth in Schedule (B,) annexed to this Act, or such other form as shall be, from time to time, approved by the Governor General of India in Council, attested by the signature of the Registrar or his Assistant, and by the signature of the Master of the Vessel on which he is engaged to serve, and in which writing the purpose shall be stated, authorise the said Registrar to receive monthly from the Owner of the said Vessel or his Agent, any part of his wages, not exceeding one-third thereof, for the time for which he shall not have received any advance, for the purpose of maintaining his family during his absence, the said Owner or his Agent shall, on demand of the said Registrar, pay such sum to him, to be applied as aforesaid, without requiring any proof from the said Registrar that the said Seaman is still on board the said Vessel.

VII. All such payments, whether by the Owner, his Agent or by the Registrar, shall cease from and after the production of a certificate from the Master of the Vessel, of the death, desertion or discharge of the said Seaman, or on reasonable evidence that the Vessel has been lost; but no payment, actually made by the Registrar to the party appointed by the said Seaman, shall be reclaimable by reason of his death, desertion, or discharge, or of the loss of the Vessel.

VIII. All such receipts and payments shall be entered in a book, and all entries in the said book shall be authenticated by the Registrar under his signature, or the signature of his Assistant; and the said book shall be, at all times, open to the inspection of the parties concerned.

IX. At the time of witnessing the execution of the agreement for service, the Registrar shall explain to the Seamen, parties thereunto, the conditions on which they can allot a part of their pay to their families during their service; and it shall be the duty of the Registrar to see that all Seamen leaving the port have the option of allotting part of their pay as aforesaid.

X. The Master of every such Vessel, before leaving any Port of Registry, shall deliver to the Registrar a list, signed by himself, of the name of every Seaman engaged by him in the territories under the Government of the East India Company, (including Apprentices), with their rating and the number of their Register Tickets, according to such form as shall be, from time to time, approved by the Governor General of India in Council; and, if he shall not have engaged any Seaman within the said territories, the Master shall deliver to the

Registrar a certificate of the fact signed by himself; and, on receiving the said list or certificate, and on being satisfied of its truth, the Registrar shall give to the Master a certificate under his hand, that the Master of such Vessel has complied with the regulations of the Registry Office. Every Master of any such Vessel, who shall leave a Port of Registry, without delivering such list or certificate as aforesaid, shall be liable to a penalty, not exceeding Two Hundred Rupees.

XI. For the purpose of preventing any Seaman from being shipped on board of any Vessel in any Port of Registry, contrary to the provisions of this Act, the Registrar of the Port, by himself, or his Agents, in a peaceable manner, may enter at any time on board of any such Vessel, and muster and examine the several Seamen employed therein; and any person, who shall obstruct the said Registrar or his Agents in such duty, shall be liable to a penalty not exceeding One Hundred Rupees.

XII. In cases when the Registrar shall have reason to believe that any of the provisions of this Act has been evaded or neglected by the Master, Owner or Agent of any Ship about to go to sea, the Registrar, by a writing under his hand, may stay the grant of a port-clearance by the Master Attendant; and every Master Attendant shall comply with the written requisition of the Registrar in this respect.

XIII. The Master of every such Vessel, on which any Seaman engaged under this Act may be serving, shall, within seven days after the arrival of such Vessel at the port where the voyage ends, or after the end of the service, according to the agreement entered into, in accordance with this Act, pay or cause to be paid to such Seamen the wages remaining due to them for their services, taking a receipt from each man for the amount paid to him, either separately or on a general list, which receipt shall be certified by the Chief or Second Officer, or other credible witness, and otherwise shall be of no force or validity.

XIV. Every Master or Owner, who shall neglect or refuse to pay any Seaman's wages, within the time mentioned in the last Section, shall forfeit and pay to such Seaman the amount of two days' pay, to be recovered as wages, for each day, not exceeding ten days in the whole, during which such payment has been delayed without sufficient cause.

XV. If any Seaman, to whom any wages are due, die before the wages due have been paid, then the wages shall be paid to the Registrar of the Port of Registry at which the Ship shall first touch after his death, and the Registrar shall pay the same to his legal representative, and failing such legal representative, after the expiration of twelve months from the First of January next following the day on which he shall have received the said balance, into the Treasury of the East India Company, after having given due notice of such unclaimed balance being in his possession, by advertisement in the *Gazette*, at least twice during such period.

XVI. Every Master of a Vessel, who shall be convicted before a Magistrate of having neglected to pay to the Registrar, within ten days of the Ship's arrival in the port as aforesaid, the wages due to deceased Seamen, shall forfeit three times the amount of wages so neglected to be paid; and further shall be subject to such fine, not exceeding One Hundred Rupees, for each case of neglect, as to such Magistrate shall seem fit.

XVII. Whenever any Merchant Vessel, navigated and registered as is mentioned in Section I, and not having been wrecked or condemned, shall be sold or disposed of at any Port out of the territories under the Government of the East India Company, or whenever the service of any Seaman shall end at any such port, the Master shall give to each Seaman a Certificate of discharge, and his Register Ticket, and also either provide for him fit employment on board some other such Vessel bound to some port within the said territories, or provide for him a passage to the port at which he was shipped, or such other port as may be agreed on, either free of cost, or by depositing with the British Consul or Vice Consul, or if there be none such, with some resident Merchant, at the port, not interested in the Vessel, such a sum of money as shall be, by him, deemed reasonably enough to pay the expenses of his subsistence and passage, which money shall be paid over and above any wages which may be due to him.

XVIII. If the Master shall neglect or refuse to provide employment or the means of passage, for any of his Crew as mentioned in the last Section, the expense of doing so, when defrayed, shall be a charge on the Owner of the Vessel, unless in cases of barratry, wreck or condemnation, and may be recovered with full costs of suit from such Owner as so much money paid on his account, at the suit of the Consul or any other person defraying such expenses, or at the suit of the East India Company, in case the same has been paid or allowed out of any monies belonging to the East India Company; and, if defrayed by the Seaman himself, may be recovered as wages due to him.

XIX. The obligations of the last two Sections shall not apply to such of the Crew as shall consent, in writing, before the British Consul or Vice Consul, or if there be no British Consul or Vice Consul at the Port, before one or more resident Merchants not interested in the Vessel, to be then and there discharged.

XX. In all cases of wreck or loss of the Ship, every Seaman then on board shall be entitled to his wages up to the time of the wreck or loss, whether or not the Ship has earned freight; provided he shall produce, from the Master or Chief Surviving Officer of the Ship, a Certificate that he did his best to save the Ship, Cargo and Stores.

XXI. Every Seaman shall be entitled to receive an increase of his wages for every day on which the allowance of provisions, which it was agreed he should receive, shall be reduced, at the rate of One Anna daily, while the reduction is not more than one-third of the quantity, and Two Annas daily, while the reduction is more than one-third: and these pecuniary allowances shall be recoverable as his other wages are.

XXII. No assignment or sale of Seamen's wages, salvage or prize money, made before the accruing thereof, nor any Power of Attorney expressed to be irrevocable, for the receipt of any Seaman's wages, salvage or prize money, shall be valid or binding on the party making the same; and any attachment, to be issued out of any Court, shall not prevent the payment of any Seaman's wages, salvage or prize money to him.

XXIII. Every such Vessel shall have always on board a sufficient supply of medicines and appliances, suitable for diseases and accidents likely to happen on sea voyages, according to

such scale as shall be, from time to time, issued by the Superintendent of the Indian Navy, with the approval of the Governor General of India in Council, and published in the *Government Gazettes* at Calcutta, Madras and Bombay; and, in default thereof, the Owner of the Vessel shall be liable to a penalty, not exceeding Two Hundred Rupees, and Five Rupees for every day during which such default shall wilfully continue.

XXIV. Whenever the Master, or any Officer or Seaman of any such Vessel shall receive any hurt or injury in the service of the Vessel, the expense of providing the necessary surgical and medical advice and attendance, with medicines, and for his subsistence, until he shall be cured or shall be brought back to the port from which he was shipped, or other port agreed upon, shall be defrayed, with the cost of his conveyance to such port, by the Owner of the Vessel, without any deduction on that account from the wages of such Master, Officer or Seaman; and, if paid by himself, may be recovered as part of his wages; and, if paid or allowed out of any monies belonging to the East India Company, may be recovered with full costs of suit, as a debt due to the East India Company.

XXV. If any Vessel, on board of which there shall be any Seaman, who has received an advance under this Act, shall, before going on the voyage for which such advance shall have been paid, be destroyed or injured by fire, or other cause, so as to prevent her going on her then intended voyage, or if such voyage shall be discomfited at the beginning, or before the advance has been worked out, the Master, Owner or Agent of such Vessel may demand from such Seaman, unless he shall pay back the amount so advanced to him, service to the full amount of the advance received by him, on board of any other Vessel; and such Seaman, until he has worked out such advance, shall not be entitled, without the consent of such Master, Owner, or Agent, to take service in any Vessel other than that on which he is so required to serve; and any such Seaman, who shall refuse to work out such advance on board such other Vessel, on summary conviction of his refusal before any Magistrate or Justice of the Peace, shall be liable to be imprisoned, with hard labour, for any term not exceeding six months.

XXVI. The Registrar of Seamen may grant, from time to time, to such persons as he may deem fit, a license to act as broker for procuring Seamen for Vessels shipping men under this Act, and also a license to the keeper of any lodging-house for Seamen, enabling him to allow Seamen to be engaged at his house, and also may revoke and annul such license on the misconduct of any such person: and every such license shall be granted for such term, upon such conditions and upon such security given, as the said Registrar shall, from time to time, appoint.

XXVII. ACT No. —— OF 1850.

An Act for amending the Laws for collecting a Revenue of Excise on Spirituous Liquors and Intoxicating Drugs in the Settlements of Prince of Wales' Island, Singapore and Malacca.

VIII. NOTIFICATION.

London Exhibition of the Works of Industry and Art of all Nations.

BY a notification dated the 8th March last, the Central Committee, charged with the duty of promoting the objects of this Exhibition in Bengal, invited all persons, intending to send articles to the Exhibition, to communicate their intentions either to the Central Committee, or to one of the Local Committees in the provinces, and to furnish an accurate description of the articles intended to be sent.

In the same notification it was requested that in all such communications it might be stated whether the party contributing the articles desired that they should be included in the Central Committee's list, and despatched to England with the Government collection, or whether it was intended that they should be despatched, separately and independently, on private account.

It was further intimated, that all articles which private individuals might be desirous of sending to England at the public charge, would have to be submitted to the inspection of either the Central Committee or one of the Local Committees, in order that it might be determined, whether the articles were such as the Government could properly undertake to transport. And it was added, that although the Government would not guarantee their safe return, yet that every care would be taken of them, and that after the Exhibition they would either be returned to Calcutta free of charge, or disposed of in England, as the owner might desire.

In a subsequent notification of the 1st ultimo the public were informed, that arrangements would be made for securing to the manufacturer or producer of any article sent to the Exhibition either by Government or through its Agency, the payment of any prize or premium that might be awarded to such article.

The Central Committee have now the satisfaction to announce, that the Supreme Government have consented to remit the Indian Export duty on all commodities sent by private individuals to the Exhibition, whether through the Agency of Government, or separately and independently on private account; provided, in the latter case, that the goods be covered by a certificate from the Central Committee to the effect, that they are intended *bonâ fide* for the Exhibition, and not for the ordinary purposes of trade.

Parties desirous of obtaining from the Central Committee a certificate of this kind must furnish an accurate specification of the articles intended to be sent, and satisfy the Committee in each case, that the articles are *bonâ fide* intended for the Exhibition, and that all reasonable diligence will be used in sending them.

No certificates will be granted for a larger quantity of any article than may be thought a fair sample, sufficient to enable H. M. Commissioners and the public to judge of its general quality. No goods can be shipped to go round the Cape duty free under a certificate from the Central Committee after the 15th October next, or by one of the Peninsular and Oriental Company's Steam Vessels, to go overland after the 8th January 1851.

The Committee have also to announce, that the Government of India have determined to bear the expense of insurance against sea risks, as well as other transport charges, on all articles sent to England by private individuals with the Government collection.

By order of the Central Committee,

CECIL BEADON,
Secretary.

Calcutta, the 7th June, 1850.
